No. H.B. 157-68—P.M. 2-52-2. The accompanying Press Note issued by the Ministry of External Affairs, Government of India, regarding invitation to foreigners to attend Conferences, discussion groups, etc., in India, is republished in the *Mysore Gazette* for general information.

By Order of His Highness the Maharaja,

E. V. GANAPATI IYER,
Chief Secretary.

Press Note.

The Government of India have observed that on a number of occasions non-official organisations or private persons have invited foreigners to attend Conferences, discussion groups and lecture tours. Not infrequently both the persons invited and their hosts have been put to great inconvenience because of the delay or failure to obtain the necessary visa facilities for visiting the country. The Government of India wish to emphasise that in order to avoid this difficulty it will be desirable for private persons and non-official bodies to inform in advance to the Government of India in the Ministry of Home Affairs of their intention to invite foreigners. Only after the Ministry of Home Affairs have agreed to issue visas in favour of the persons whom it is proposed to invite should invitations be sent out. This will prevent last-minute rush, inconvenience and possible misunderstandings.

(IMPORT TRADE CONTROL).

New Delhi, the 22nd March 1952.

Public Notice.

Subject.—Import of Garage Tools.

No. 30-ITC (P.N.)—52. It has been represented that owing to a reduction in the quota for the import of miscellaneous hardware from dollar area from 40 to 20 per cent garage tools cannot be imported into the country in quantities sufficient to meet the requirements. It has, therefore, been decided to grant licences for "Garage Tools" to importers who are established importers of both hardware falling under Serial No. 275 of Part IV and Motor Vehicle Spare Parts falling under Serial Numbers 293, 295 and 297 of Part IV of the Import Trade Control Schedule.

2. For this purpose such importers are advised to intimate to the Chief Controller of Imports, New Delhi, in the form annexed to this Public Notice the value of their quota licences for hardware as well as for Motor Vehicle Spare Parts obtained by them during the January-June 1951 licensing period for import from dollar and soft currency countries separately. The value for which licences can be granted will be intimated to them as soon as possible thereafter; an application in the prescribed form should then be made to the licensing authority at the port concerned.

3. Licences for import of garage tools will also be granted to the following categories of actual users for import either from the dollar area or from the soft currency area:—

(a) Recognised assemblers/manufacturers of automobiles.

(b) Garage Workshops employing not less than 50 workmen (both skilled and unskilled).

(c) Fleet owners having 25 or more vehicles.

4. The information in the form annexed should be submitted by actual users along with certificates from the Dev. Wing of the Ministry of Commerce and Industry in the case of assemblers and from Director of Industries or of Labour/State.—Transport Authority of the State concerned as the case may be. Actual users will be advised of the allocations made to them and thereafter they should submit applications in the prescribed form to the licensing authority at the port concerned

5. The information called for in paras 2 and 4 above should be sent so as to reach the Chief Controller of Imports, New Delhi, Post Box No. 390 by the 30th April 1952.

Import Trade Control Circular No. 30/52.*Sub:—Import of Garage Tools.*

Public Notice No. 30—ITC (P.N.) 52, dated 22nd March 1952, issued by the Ministry of Commerce and Industry is republished below for general information: It has been represented that owing to a reduction in the quota for the import of miscellaneous hardware from dollar area from 40 to 20 per cent garage tools cannot be imported into the country in quantities sufficient to meet the requirements. It has, therefore, been decided to grant licence for "Garage Tools" to importers who are established importers of both hardware falling under serial No. 275 of Part IV and Motor Vehicles spare parts falling under serial Numbers 293, 295 and 297 of Part IV of the Import Trade Control Schedule.

2. For this purpose such importers are advised to intimate to the Chief Controller of Imports, New Delhi, in the form annexed to this Public Notice the value of their quota licences for hardware as well as for Motor Vehicles spare parts obtained by them during the January-June 1951 licensing period for import from dollar and soft currency countries separately. The value for which licences can be granted will be intimated to them as soon as possible thereafter an application in the prescribed form should then be made to the licensing authority at the port concerned.

3. Licences for import of garage tools will also be granted to the following categories of actual users for import either from the dollar area or from the soft currency area:—

(a) Recognised assemblers / manufacturers of automobiles.

(b) Garage Workshops employing not less than 50 workmen (both skilled and unskilled).

(c) Fleet owners having 25 or more vehicles.

4. The information in the form annexed should be submitted by actual users along with certificates from the Development Wing of the Ministry of Commerce and Industry in the case of assemblers and from Director of Industries or of Labour/States Transport Authority of the State concerned as the case may be. Actual users will be advised of the allocations made to them and thereafter they should submit applications in the prescribed form to the licensing authority at the port concerned.

5. The information called for in paras 2 and 4 above should be sent so as to reach the Chief Controller of Imports, New Delhi, Post Box No. 390 by the 30th April 1952.

I.T.C. No. 734-52.

Dy. Chief Controller of Imports.

Import Trade Control Circular No. 29/52.

Subject:—Import of spare parts of a major item against licences issued for the import of major item only.

Public Notice No. 29-ITC (P.N.)—52, dated 21st March 1952 issued by the Ministry of Commerce and Industry is republished below for general information.

The attention of Importers is invited to the Ministry of Commerce Public Notice No. 184—ITC (P.N.)—51, dated the 19th November 1951 on the above subject. It has been represented that the exact scope of the concession regarding the import of spare parts against licences for the import of a major item is not quite clear and might lead to difficulties at the time of clearance of goods on arrival. It has therefore been decided in partial modification of the public notice under reference that the scheme will apply to specified items only.

2. For the present, the scheme will be applicable to the following articles.

- (1) Electrical instruments falling under Sl. No. 39 of Part II of the Import Trade Control Schedule.
- (2) Electrical instruments, apparatus and appliances specified in sl. numbers 45 and 46 of Part II.
- (3) Photographic instruments, apparatus and appliances falling under Sl. No. 505 of Part IV.
- (4) Electrical instruments, apparatus and appliances falling under Sl. No. 78 of Part V.
- (5) Instruments, apparatus and appliances falling under Sl. Nos. 92, 93 and 94 of Part V of the Import Trade Control Schedule.
- (6) Industrial Sewing Machines falling under Sl. No. 76 of Part V.

3. Spare parts for the above items even though classifiable under different serial numbers of the Import Trade Control Schedule will be allowed clearance up to 5 per cent of the value of the main licence provided that the parts are essential for the working of the major article and have been given for that purpose some special shape or quality which would not be essential for their use for any other purpose.

4. This concession is, however, subject to the condition that no spare part which is for the time being on the prohibited list may be imported.

5. The question of including other articles under the scope of this concession is under examination and additions will be made from time to time. Representations from the trade and industry for the addition of any specific items to this scheme should be addressed to the Chief Controller of Imports, Policy Branch, with such relevant data as will help in coming to a decision on the point.

Import Trade Control Circular No. 28-52.

Sub:— Extension of period of validity of licenses issued for imports of greases, mineral oils and lubricating oils falling under Sl. Nos. 8, 17 and 20 of Part V of the I.T.C. Schedule.

Public Notice No. 28-ITC (P.N.)/52, dated 19th M 1952, issued by the Ministry of Commerce and Industry is republished below for general information:—

The attention of importers is invited to the Commerce and Industry Ministry Public Notice No. 197-ITC/51, dated the 31st December 1951. It has been decided to extend the principles contained in para 2 of the said Public Notice also to imports of Mineral Oils (falling under Serial No. 17 of Part V of the Import Trade Control Schedule).

2. Representations have been received from importers of Petroleum products and Mineral oils about the difficulty of arranging shipments of these goods within the original validity of the licences granted in the January—June 1951 period. It has therefore been decided that the January—June 1951 licences for the petroleum products, mineral oils and lubricating oils (falling under Serial Nos. 8, 17 and 20 of Part V of the Import Trade Control Schedule) doubled in terms of Commerce and Industry Ministry Public Notice No. 49-ITC (P.N.)/51, dated 13th March 1951, would have a validity of twelve months from date of doubling without the restriction indicated in the last sentence in para 2 of the Commerce and Industry, Public Notice No. 197-ITC (P.N.)/51, dated 31st December 1951.

3. It is not necessary to get the individual licences endorsed as indicated in para 2 above and they need not be produced to the licensing authorities for that purpose.

New Delhi, the 7th April 1952.

PUBLIC NOTICE.

Sub:— Issue of advance licence for Cauliflower seeds, falling under Serial No. 36 of Part IV of the Import Trade Control Schedule.

No. 37—ITC (P.N.)—52. It has been decided that all licences granted to established importers for the period January—June 1952, for the import of Cauliflower seeds

in accordance with this Ministry's Public Notice No. 3—T.C. (P.N.)—52, dated the 12th January, 1952 should be doubled in value so as to cover the whole year's requirements.

2. In the case of licences already issued, the licence holder should present the licence at the office of the Import Trade Controllers at Calcutta, Madras or Bombay. The licence will be endorsed as valid for double the face value and will be handed back to the person who presents it. No fresh Treasury Receipt will be necessary.

3. In the case of applications already made, where licences have not yet been issued, the applicants should

await the issue of licences and should then proceed as in para 2 above.

4. The initial validity period of the licence, which will be for one year from the date of issue, will not be affected by this doubling. The licence even after doubling will be valid only for one year from the date of issue.

(517) No. P.W. 19736-40-R. & B. 3-51-28, dated 29th March, 1952.

Under Section 6 of the Land Acquisition Act of 1894, as amended by the Land Acquisition Amendment Act No. I of 1927, His Highness the Maharaja of Mysore declares that the lands measuring 35 acres, and 13 guntas be the same a little more or less, are needed for a public purpose, to wit, for the formation of I. V. C. Road from Nittur to Hosakere Village in Gubbi Taluk, Tumkur District; and under Sections 4 and 7 of the same Act, the Assistant Commissioner in charge of Tumkur Sub-Division, Tumkur, is appointed to perform the functions of a Deputy Commissioner under the Act, and directed to take orders for the acquisition of the said lands. Under sub-section (1) of the Section 17 of the Act, His Highness the Maharaja, further directs that the possession of the said lands may be taken on the expiry of fifteen days from the date of publication of the notice mentioned in Section 9 (1) of the Act. A plan of the lands is kept in the Office of the Assistant Commissioner in charge of Tumkur Sub-Division, Tumkur, and may be inspected at any time during office hours.

Tumkur District, Gubbi Taluk, Hagalwady Hobli, Alalagatta Circle.

By Order of His Highness the Maharaja,

Dated 19th-23rd April 1952.

No. P.W. 769-72. Under sub-para 1 of para 25 of the Mysore Irrigation Act of 1932 as amended by Act VII of 1938, it is hereby ordered that the provisions of Chapter VI, paras 26 and 27 of the said Act shall not apply to the work of opening a branch channel from the first mile of Right Bank Low Level Canal taken from the Krishnarajsagara Dam.

By Order of His Highness the Maharaja,
K. S. GANGADHARA,
Secretary to Government,
Public Works Department.

HOME SECRETARIAT

Notification dated 25th April 1952.

No. P. B. 719—Mily. A copy of Notification No. 1, Pres./52, dated the 4th January 1952, issued from the Office of the Secretary to the President, New Delhi, regarding the institution of a gallantry award "THE ASHOKA CHAKRA" is hereby published for the information of the public.

By Order of His Highness the Maharaja,
G. N. NAGARAJA RAO,
Secretary to Government,
Home Department.

Copy of Notification No. 1, Pres./52, dated the 4th January 1952.

The President is pleased to approve of the institution of a gallantry award to be designated "THE ASHOKA CHAKRA" in three grades, namely, Class One, Class Two, and Class Three, and to make, ordain and establish the following ordinances which shall be deemed to have effect from the Fifteenth Day of August in the year One Thousand Nine Hundred and Forty-seven:

Firstly.—The decoration shall be in the form of a medal, and styled and designated "THE ASHOKA CHAKRA" (hereinafter referred to as the Chakra).

Secondly.—The medal shall be circular in shape, one and three-eighths inches in diameter, with rims on both sides. The Class One medal shall be of Gold Gilt, Class Two of Standard Silver and Class Three of Bronze. On the obverse of the medal shall be embossed a replica of Ashoka's Chakra in the centre, surrounded by a lotus wreath. Along the rim, on the inside, shall be a pattern of lotus leaves, flowers and buds. The rim of the medal and that of the Chakra, together with its spokes and hubs, shall be polished, the remaining surface being toned to constitute a dull background. On its reverse shall be embossed the words "Ashoka Chakra" both in Hindi and English, the two versions being separated by two lotus flowers. The fittings shall be of a standard pattern. A sealed pattern of the decoration shall be deposited and kept.

Thirdly.—The medal shall be suspended from the left breast by a riband of one and a quarter inches in width. The ribands of the three Classes of the Chakra shall be as follows:—

Class One.—Green-coloured silk divided into two equal segments by an orange vertical line.

Class Two.—Green-coloured silk divided into three equal segments by two orange vertical lines.

Class Three.—Green-coloured silk divided into four equal segments by three orange vertical lines.

The green colour denotes Auspiciousness and orange Renunciation and Sacrifice.

Fourthly.—The Chakra shall be awarded for acts, or series of acts of gallantry, other than in the face of the enemy, on land, at sea or in the air. The extent of gallantry to determine the class of the Award shall be as follows:—

Class I of the Chakra shall be awarded for most conspicuous bravery; or some daring or preeminent valour or self-sacrifice;

Class II of the Chakra shall be awarded for conspicuous gallantry;

Class III of the Chakra shall be awarded for gallantry.

Fifthly.—The Chakra may be awarded posthumously.

Sixthly.—The decoration shall be conferred by the President.

Seventhly.—The names of those persons, upon or on account of whom the decoration may be conferred, shall be published in the *Gazette of India*, and a Register thereof maintained under the direction of the President.

Eighthly.—The persons eligible for the decoration shall be:—

- (a) Officers and men and women of all ranks of the Army, the Navy and the Air Force, of any of the Reserve Forces, of the Territorial Army, Militia and of any other lawfully constituted forces.
- (b) Members of the Nursing Services of the Armed Forces.
- (c) Civilian citizens of either sex in all walks of life, other than Members of Police Forces and of recognized Fire Services.

Ninthly.—If a recipient of the Chakra of any of the three classes shall again perform such an act of gallantry as would have made him or her eligible to receive the Chakra of the same Class, such further act of gallantry shall be recognised by a Bar to be attached to the riband by which the Chakra is suspended and, for every subsequent act of gallantry, an additional bar shall be added and such bar or bars may also be awarded posthumously. For every such bar, a replica of the Chakra in miniature shall be added to the riband when worn alone.

Tenthly.—If a recipient of the Chakra of any of the three classes shall again perform such an act of gallantry as would have made him or her eligible for the award of a

Chakra of a class different from the one already received, such further act of gallantry shall be recognised by the award of another Chakra of the appropriate class. On those occasions, when only the riband is worn, an additional riband pertaining to the appropriate class shall also be worn.

Eleventhly.—The miniature medal which may be worn on certain occasions by recipients shall be half the size of the Chakra, and a sealed pattern of the said miniature medal shall be deposited and kept.

Twelfthly.—The President may cancel and annul the award of the Chakra to any person and thereupon the name of such recipient in the Register shall be erased and the recipient shall be required to surrender the insignia; but it shall be competent for the President to restore the decoration when such cancellation and annulment has been withdrawn.

Lastly.—The notice of cancellation or restoration in every case shall be published in the *Gazette of India*.

PART III—Section I

NOTIFICATIONS BY GOVERNMENT

CHIEF SECRETARIAT

Dated 2nd May 1952.

No. CH.S. 1381—Misc. 14-52-1. His Highness the Maharaja has received with profound sorrow the news of the death of Shri R. Ramakrishna, Director of Industries and Commerce in Mysore, on the 30th April 1952 in an air crash near Delhi.

Shri Ramakrishna was an officer of exemplary zeal and energy and His Highness regrets that by his premature death in such tragic circumstances, the State has lost an officer of great ability and promise.

During the short time he remained as Head of the Industries Department, the late Shri Ramakrishna proved himself a capable and conscientious administrator. At a time when the Government have many industrial schemes in hand, the State could ill afford to lose such an experienced officer. He would have been of great service in developing and carrying out the various schemes for the improvement of industries in the State.

In recording his sense of the loss sustained by the State by the sudden and untimely death of Shri R. Ramakrishna, His Highness desires to convey to Srimathi R. Ramakrishna and her children an expression of deep sympathy with them in their bereavement.

By Order of His Highness the Maharaja,

E. V. GANAPATI IYER,
Chief Secretary.

Dated 29th April 1952.

No. R. 1207—L.S. 147-51-3. It is notified for general information that, under Section 1 (2) of the Record of Rights Act No. X of 1927, Government are pleased to direct that the provisions of the said Act shall be extended to the Inam Doddabylalu Village, Periyapatna Taluk.

2. The Record is intended to check litigation in regard to land and to facilitate its disposal by the Courts, to reduce unnecessary expenditure by the ryots in executing and registering documents and to protect them against fraud and fabrication of false claims. It will also be of assistance to Government as well as the raiyats in the distribution of assessment among the various hissadars, the grant of Takavi and Land Improvement Loans and the grant of suspension or remission of land revenue.

3. To facilitate the accurate preparation of the Record of Rights, the Preliminary Record will first be prepared by the Shanbhogs to the best of their information in the prescribed Form and every case will be duly investigated by a Special Revenue Inspector. There will be a check of the Preliminary Record by the Amildar or other officer specially authorised by the Superintendent of Land Records, Survey and Settlement or by the Deputy Commissioner, in this behalf. Occupants and persons interested in the land are required to furnish every information that may be within their knowledge to the Investigating Officers in order to ensure accuracy in the preparation of this Record which will form the basis of the future Records of Rights.

4. All persons interested in the land are required to render every reasonable assistance to officers of the Department of Land Records when they come to a village to measure the hissas and to conduct enquiries in cases of disputed boundary lines between hissas in the field, after giving the prescribed notice.

5. The attention of the public is invited to the provisions of Section 7 of the Record of Rights Act requiring them on requisition by a Revenue Officer, engage in compiling or revising the Record of Rights to furnish or produce information and documents needed for the correct compilation or revision thereof within one month from the date of such requisition. Failure to comply with this requisition and secure registration of their rights will render occupants and holders of interests in land liable to a fine not exceeding Rs. 5 (recoverable as an arrear of land revenue) besides depriving them of the advantages enumerated above. The Officer to whom any information is furnished or before whom any documents are produced in accordance with the requisition will give a written acknowledgment therefor in the Form prescribed to the person furnishing or producing the same and shall endorse on any such document, before returning it to him, a note under signature stating the fact of its production and the date thereof.

New Delhi, the 27th March, 1952.

S.R.O. 598. In exercise of the powers conferred by section 151 of the Indian Companies Act, 1913 (VII of 1913), the Central Government hereby directs that the following amendments shall be made in the Indian Companies Rules, 1941, namely:—

In the said Rules—

1. except as otherwise provided—

- (i) for the words 'British India' wherever they occur, the word 'India' shall be substituted; and
- (ii) for the word 'Province' wherever it occurs, the word 'State' shall be substituted;

2. for sub-rule (2) of Rule 1, the following sub-rule shall be substituted, namely:—

"1. (2) They extend to the whole of India except the State of Jammu and Kashmir."

3. for rule 6, the following rule shall be substituted, namely:—

"6. Certification of documents under Section 277 of the Act—A copy of a document required to be certified under sub-section (1) of section 277 of the Act shall—

- (i) in the case of a company incorporated in a country outside the Commonwealth, be duly certified as a true copy—

- (a) by an official of the Government to whose custody the original is committed, the signature or seal of such official being authenticated by a diplomatic or consular officer empowered in this behalf under section 3 of the Diplomatic and Consular Officers (Oaths and Fees) Act, 1948

(XLI of 1948), or where there is no such officer, by any of the British Officers mentioned in Section 6 of the Commissioners of Oaths Act, 1889 (52 and 53 Vic. c. 10), or in any Act amending the same, or

- (b) by a Notary of such country, the certificate of the Notary being authenticated by the Diplomatic or Consular Officer, or if there is no such officer, by any of the British Officials as aforesaid, or

- (c) by some officer of the company before a person having authority to administer an oath as provided by section 3 of the Diplomatic and Consular Officers (Oaths and Fees) Act, 1948 (XLI of 1948) or as the case may be, by section 3 of the aforesaid British Act, the status of the person administering the oath in the latter case being authenticated by any of the British Officials as aforesaid, and

- (ii) in the case of a company incorporated in any part of the Commonwealth (excluding India), be duly certified as a true copy—

- (a) by an official of the Government to whose custody the original is committed; or

- (b) by a Notary Public of such place; or

- (c) on oath by an officer of the Company before a person having authority to administer an oath in such place."

4. In rule 7—

- (a) for the words 'His Majesty's dominions' the words 'the Commonwealth' shall be substituted.

- (b) in the proviso to clause (i), after the words 'authenticated by,' the words 'a diplomatic or consular officer empowered in this behalf under section 3 of the Diplomatic and Consular Officers (Oaths and Fees) Act, 1948 (XLI of 1948), or where there is no such officer' shall be inserted.

New Delhi, the 25th April 1952.

PUBLIC NOTICE.

Subject.—Import of Stove parts—clarification of licensing policy.

No. 43. I.T.C. (P.N.)—52. The attention of the Importers is invited to the entries against Serial No. 268—IV of the Import Trade Control Schedule in Appendix 'B' (Section II) to the Red Book for January-June 1952.

2. Some doubt has been expressed as to whether stove parts can be classified as domestic hardware under Serial No. 268—IV of the schedule and can be imported against licences for such domestic hardware. Identifiable stove parts not made of aluminium are classifiable under Serial No. 268 of Part IV of the Import Trade Control Schedule and past imports of such stove parts will be taken into account for calculation of the quota for domestic hardware falling under that Serial Number. Licences so issued for Domestic Hardware can be utilised for such identifiable stove parts as are not made of aluminium.

PART III—Section I

NOTIFICATIONS BY GOVERNMENT

DEVELOPMENT SECRETARIAT

Dated 4th June 1952.

No. C. & D. 687. The following Circulars issued by the Deputy Chief Controller of Imports, Madras, regarding import of (i) Black Cummin Seeds from Pakistan under Open General Licence No. XXII; (ii) Special Electric Bulbs and (iii) Spare Parts of Incandescent Lamps, etc., are republished below for general information.

I.T.C. No. 1163-52.

Import Trade Control Circular No. 55/52.

Sub:—Import of Black Cummin seeds from Pakistan under Open General Licence XXII.

Public Notice No. 49—I.T.C. (P.N.)—52, dated 9th May 1952, issued by the Government of India, Ministry of Commerce and Industry, is republished below for general information.

The attention of importers is invited to Ministry of Commerce and Industry Notification No. 7—I.T.C.—51 dated 9th March 1951, publishing Open General Licence No. XXII regarding import from Pakistan of certain goods specified therein. Although black cummin seeds are treated as seeds n.o.s. falling under Serial No. 37 of Part IV of the Import Trade Control Schedule for import control purposes, it has been decided to treat these goods as 'Spices' for purposes of their import from East Pakistan only under the Indo-Pakistan Trade Agreement. Clearance of consignments of these seeds which may be imported from East Pakistan only will be allowed under Open General Licence No. XXII till 30th June 1952.

I.T.C. No. 1164-52.

Import Trade Control Circular No. 56/52.

Sub:—Import of special electric bulbs which are fitted to photographic instruments, scientific instruments and other instruments and which are in a way part of such instruments and without which the instruments become unserviceable.

Public Notice No. 50—I.T.C. (P.N.)/52, dated 9th May 1952, issued by the Government of India, Ministry of Commerce and Industry, is republished below for general information:—

Representations have been received that scientific, photographic and other instruments are often rendered idle on account of the fact that they need special types of electric bulbs for use with them and normally speaking the importers of such equipment do not hold import licences for electric bulbs. The following decisions have been taken to remove these difficulties:—

(a) In future whenever a complete equipment is imported, in which an electric bulb having some peculiarity as to size, shape of filament is used, it will be permissible to import three spare bulbs of precisely the same type and made as is fitted to the equipment imported. If the number of bulbs to be imported will be thrice the number of bulbs in the equipment, this concession will be applicable whether the equipment is imported against a licence under Open General Licence. In the former case the value of the spare bulbs will be debited to the value of the licence against which the equipment is imported. In the latter case, the spare bulbs will be allowed clearance without a licence.

(b) In order to enable the supply of replacements to equipment already imported in the country in the past, importers holding licences for equipment of a type for which such special non-G.L.S. type lamps are required will be permitted to apply for the endorsement of their existing licences to cover the imports of special types of lamps. This concession will only be granted to established importers who have imported equipment needing such bulbs during the last three years and it will be necessary for them to produce documents (bills of entry and invoices) to show that they have made such imports during each of the last three years. On production of such documents, their existing licences for the import of a particular equipment will be made valid for the import of spare bulbs also upto a value not exceeding 2½ per cent of the total c.i.f. value of the licence.

(c) Where the equipment in question has been imported in the past under Open General Licence and continues to be imported under the Open General Licence at present, established importers will be granted a special licence for the import of non-G.L.S. types, of bulbs to fit such equipment equal in value to 2½ per cent of the value of such equipment actually imported by them during any of the three years ending 31st March 1952 provided they produce documents to show that they have been making such imports during each of the last three years.

2. Applications for special licences or endorsements on existing licences in terms of the preceding paragraph should be made to the Import Trade Controllers at the ports with the relevant bills of entry invoices, etc., and also a treasury challan where a fresh licence is needed, in the form and manner prescribed in the Handbook. Applications should reach the licencing authorities concerned on or before the 7th June 1952.

I.T.C. No. 1165/52.

Import Trade Control Circular No. 57/52.

Sub:—Import of spare parts of Incandescent lamps, etc.

Public notice No. 51—I.T.C. (P.N.)/52, dated 9th May 1952, issued by the Government of India, Ministry of Commerce and Industry, is republished below for general information:—

It has been represented that the existing regulations make no provision for the import of spare parts for metal lamps made of aluminium and not made of aluminium, other than the parts specified against Sl. Nos. 271 and 272 of Pt. IV of the Import Trade Control Schedule in Appendix 'B' of the Policy Book for the January-June 1952, licensing period, and that consequently some of the lamps imported and in use already in the country are idle or useless merely because the required spare parts are not available. It has therefore, been decided that spare parts for incandescent lamps may be allowed to be imported against licences issued for the January-June 1952 period to established importers for Sl. Nos. 271 and 272 to the extent required, except that reservoirs and reflectors shall not be allowed to be imported as spares under this concession.

2. It has also been decided that as there is no indigenous manufacture of heat-resisting glasses of the type required for use in incandescent lamps and as ordinary glass strips are not satisfactory for the purpose, established importers may import heat-resisting glass to the extent of 20 per cent of the value of spare parts of lamps imported by them

against such licences. Manufacturers of incandescent lamps who have obtained licences for the import of parts for the manufacture of incandescent lamps will also be allowed to import heat-resisting glass up to the extent of 20 per cent of the value of spares imported by them.

CHIEF SECRETARIAT

(Home Department)

Dated 16th June 1952.

No. H.B. 2099—Ptl. 14-52-2. Ordered that Notification No. 25/6/NGO, dated 28th April 1952 of the Ministry of External Affairs published in the Extraordinary Gazette of India, Part I, Section 1, dated 28th April 1952; be republished in the *Mysore Gazette*, for general information.

By Order of His Highness the Maharaja,

N. PUTTARANGASWAMY,
Chief Secretary.

MINISTRY OF EXTERNAL AFFAIRS.

Notification, New Delhi, the 28th April 1952.

No. 25-6-NGO. It is hereby notified for general information that the Government of India,

bearing in mind that active hostilities with Japan were ended by Japan's surrender more than six years ago,

and that the Treaty of Peace with Japan, signed at San Francisco on the 8th September, 1951, by a number of the Allied Powers, has come into force on the 28th April, 1952, for all the States which have ratified it before that date,

have determined that the state of war between India and Japan shall cease to exist on the 28th April, 1952.

The Government of India propose to conclude, as soon as possible, a separate Treaty of Peace with Japan whereby the relations between themselves and the Government of Japan would be brought into conformity with the amity which existed between them before the declaration of war with Japan.

K. P. S. MENON,
Foreign Secretary.

FINANCIAL SECRETARIAT

Dated 19th June 1952.

No. FI. (B) 2773—C.R. 1-52-6. In exercise of the powers conferred by the proviso to Article 309 read with Article 313 of the Constitution of India, His Highness the Rajpramukh of Mysore is pleased to make the following further amendments to the Mysore Service Regulations, namely:—

In the said Regulations:

1 In Article 26 (i) after rule 3, the following rule shall be inserted:—

"3-A. Deputation (Duty) Allowance, Duty Allowance and Local Allowance granted for unhealthiness of a locality are included in the term 'emoluments' for calculating pension."

Note.—Construction Allowance shall not be included in the above.

(ii) After rule 6, the following rule shall be added, namely:—

"7. Local Allowance granted for the unhealthiness of a locality counts as pay for the purposes of calculating travelling allowances."

Note.—Construction Allowance shall not be included in the above.

2 After Article 31, the following Article shall be inserted namely:—

"31-A. Quasi-Permanent Post is a temporary post sanctioned for a period of not less than three years."

3 For Article 54, the following Article shall be substituted, namely:—

"54. Heads of Departments specified in Appendix 'R' are empowered to make appointments and promotions whether permanent, temporary or officiating, to all non-gazetted posts subject to the provisions of the rules of recruitment and promotion for the time being in force.

Heads of Departments specified in Appendix 'O' other than those specified in Appendix 'R' are empowered to make appointments and promotions, whether permanent, temporary or officiating to non-gazetted posts subject to the provisions of the rules of recruitment and promotion for the time being in force and subject to the condition that no appointment or promotion to a post carrying a salary of or above or progressing to Rs. 180 shall be made without the previous sanction of the Government."

4 In the Note to Article 55, the second sentence shall be omitted.

5 For Article 62, the following Article shall be substituted, namely:—

"62. In cases specified in Article 64, it is admissible to appoint an officer 'provisionally' instead of appointing him to officiate."

6 Articles 65, 66, 67, 68, 69, 70 and 72 shall be omitted.

7 For the existing heading namely "Acting allowances—Rules for calculation", the heading "Regulation of Emoluments" shall be substituted.

8 For Article 74, the following Article shall be substituted, namely:—

"74. An officer with a substantive appointment on a permanent establishment officiating in a higher appointment draws initial officiating salary equal to the minimum of the higher grade unless his substantive pay is higher than the minimum, in which case his initial salary in the higher appointment will be fixed at his substantive pay. If the initial salary so fixed falls between two stages of the higher appointment, it will be fixed at the next lower stage and the difference will be treated as personal allowance which will be absorbed in future increments provided that no increased salary will be admissible unless the officiating appointment involves assumption of duties or responsibilities of greater importance than those attaching to his permanent post.

Note.—The proviso to the above Article will not apply in cases of officiating appointments from one grade to another in the same class of posts lasting for not less than three months. In such cases, the increased salary admissible under the above Article will be payable from the date of completion of three months' service in the aggregate in the higher grade.

Note.—2 The authority competent to make officiating appointments under the above Article may fix the pay of an officiating officer at an amount less than that admissible under these rules. This discretion is however exercisable only in individual cases where special circumstances justify such a fixation".

9 Article 75 shall be deleted.

10 For Article 76, the following Article shall be substituted, namely:—

"76. An officer without a substantive appointment on a permanent establishment officiating in an appointment draws initial salary equal to the minimum of the officiating appointment. The rate of salary to be given in each case will be fixed by the authority competent to make the officiating appointment.

Note.—When an officer's salary is fixed below the minimum of the officiating appointment, the period for which he draws salary lower than the minimum does not count for increments".

11 After Article 76, the following Article shall be inserted, namely:—

"76-A. After the initial salary of an officiating officer is fixed in an appointment, the drawal of increments will be regulated in accordance with the rules in force in respect of holders of substantive appointments".

12 Article 82, shall be omitted.

13 For Article 84, the following Article shall be substituted:—

"84. When an officer is appointed substantively to a post on progressive pay—

- (a) (i) if he has not previously officiated in the post; or
- (ii) if he has officiated in it but his present substantive pay exceeds the salary which he last drew in it, he will draw as initial pay the pay of the stage in the progressive scale next above his present substantive pay, and will draw increments after the period usually required; and
- (b) if he has previously officiated in the post, but his present substantive pay does not exceed the salary which he drew when last officiating, he will draw initial pay equal to that salary, and will count for increment in that stage the period during which he was drawing the said salary".

14 Article 85, shall be deleted.

15 For Articles 91, the following Article shall be substituted:—

"91. Government may appoint an officer to hold permanently or temporarily or to officiate in two or more appointments at the same time. The salary

to be drawn for the combined charge will be fixed by Government subject to the observance of the following principles:—

- (i) He draws the highest salary to which he would be entitled if he held, or, as the case may be, officiated in, any one of the appointments alone.
- (ii) For the other appointment or appointments, he draws such allowances as the Government may fix, not exceeding for each appointment half the salary which he would draw if he held, or, as the case may be, officiated in it alone".
- (iii) His aggregate salary shall not exceed the pay which he would draw in the most highly paid of the appointments, if he held it substantively and alone. This condition may be dispensed with on the merits of each case, if the Government deem that the salary limited by this condition is not enough in any particular case."

16 Article 92, shall be omitted.

17 Notes 1 and 2 to Article 95 shall be omitted.

18 In "Exception 3" to Article 98, the words "Deputy Amildar," wherever they occur, shall be omitted.

19 In Article 135, the figure '65' shall be omitted.

20 The note to Article 172 shall be numbered as 'Note 1' and after the note as so renumbered, the following note shall be added:—

"Note 2.—Local Allowance granted for the unhealthiness of the locality may be drawn during the leave period. Local Allowance granted for other purposes may be drawn during the leave period provided there is no extra cost to Government."

21 Article 176, and its heading shall be omitted.

22 For Article 210, the following Article shall be substituted, namely:—

"210. Whenever a Non-Gazetted Officer takes furlough leave, he should be allowed to draw only his substantive pay or average salary whichever is more."

23 For Article 232, the following Article shall be substituted, namely:—

"232. Half the period of continuous temporary service in all the Departments will count for pension, provided such service is followed by a substantive appointment. If however the continuous temporary service prior to confirmation extends to five years or more the full period will count for pension."

24 To Article 237A, the following note shall be added, namely:—

"Note.—Emoluments in a quasi-permanent post may be reckoned for pension under Article 322 (e) provided such emoluments have been drawn at least for a period of six months."

25 In Article 322—

(i) For clause (e), the following shall be substituted, namely:—

"(e) Pay drawn by an officer appointed provisionally or quasi-permanently and the acting allowances drawn by an officer appointed to act (1) in an office which is substantively vacant, (2) in an office temporarily vacant in consequence of the absence of the permanent incumbent on leave without allowance or on transfer to foreign service, (3) in an office in the chain of arrangements consequent on (1) and (2) above."

(ii) After clause (e) the following clause shall be added, namely:—

"(f) Deputation (Duty) Allowance, Duty Allowance and Local Allowance granted for the unhealthiness of a locality.

Note.—Construction Allowance shall not be included in the above."

(iii) In Note 1, the words "or substantively pro tempore" shall be omitted.

(iv) In Note 3, item (4) shall be omitted.

26 In rule 1 of Article 323, for the proviso to the first sentence, the following proviso shall be substituted, namely:—

"Provided always that his pension must not be increased on account of increase in pay not actually drawn."

27 After Appendix "Q" the following appendix shall be inserted, namely:—

DEVELOPMENT SECRETARIAT

Dated 1st July 1952.

No. C. & D. 1018. Resolution No. 16 (4)—T.B.—51, dated 20th May 1952, on the continuance of protection to the Grinding Wheels Industry received from the Ministry of Commerce and Industry, Government of India, is herewith republished for information.

By Order of His Highness the Maharaja,

R. J. REGO,
Secretary to Government,
Development Department.

GOVERNMENT OF INDIA.

Ministry of Commerce and Industry.

Resolution.

TARIFFS.

New Delhi, the 20th May 1952.

No. 16 (4)—T.B.—51. The Tariff Board has submitted its report on the *continuance of protection to the Grinding Wheels Industry*. Its recommendations are as follows:—

(1) The protective duty on grinding wheels and segments of all kinds, other than those which are to be excluded from the scheme of protection, should be reduced from the existing rate of 105 per cent *ad valorem*, including surcharge to 47½ per cent *ad valorem*, excluding surcharge or 50 per cent *ad valorem*, including surcharge.

(2) The following types and sizes of grinding wheels should be excluded from the scheme of protection:—

- (i) Grinding wheels having (a) more than 21" diameter or (b) less than 1/8" or more than 7½" thickness or (c) more than 12½ bore;
- (ii) Diamond impregnated wheels;
- (iii) Thread grinding wheels; and
- (iv) Natural grinding stones of any shape or size.

(3) The industry should continue to receive protection for a further period of 3 years from 31st December, 1951, but in view of the uncertainty regarding the future trend of import prices and the changes contemplated by the firm in its pattern of production, the quantum of protection should be reviewed towards the end of 1953.

(4) The varieties of grinding wheels which are to be excluded from the scheme of protection should be subject to a revenue duty of 31½ per cent *ad valorem*.

(5) Grindwells should take all possible steps to expedite their deliveries and should also endeavour to maintain reasonable stocks of the varieties of grinding wheels which are in general demand and of those normally required by their regular customers.

(6) In addition to limiting the aggregate quantum of imports to the amount required to bridge the gap between domestic demand and production, preference should be given to import of those types of grinding wheels and segments which the domestic industry does not propose to produce for the time being.

(7) The existing policy of placing all Government orders with the domestic industry for the varieties of grinding wheels and segments which can be manufactured locally should be continued.

(8) The concession hitherto granted to Grindwells to import synthetic abrasive grains free of duty should be continued up to 31st December, 1952 and extended to the new unit to be established by Messrs. Krishna Lal Thirani, if it comes into production before that date.

2. Government accept the recommendations of the Tariff Board subject to the following modifications:—

- (i) The protective duty will be reduced to 50 per cent *ad valorem* exclusive of surcharge.
- (ii) Thread Grinding Wheels will not be excluded from the scheme of protection.
- (iii) The revenue duty on the de-protected categories of grinding wheels will be fixed at 25 per cent *ad valorem* plus the usual surcharge.

3. Necessary steps will be taken to implement the recommendations.

ORDER.

Ordered that a copy of this Resolution be communicated to all concerned and it be published in the Gazette of India.

No. L.B. 2290—V.P. 1-52-34, dated 2nd July 1952.

In exercise of the powers conferred by Section 6 of the Mysore Land Acquisition Act, 1894 (Mysore Act No. VII of 1894), His Highness the Maharaja of Mysore hereby declares that the lands specified below, be the same a little more or less, are needed for a public purpose, to wit for the formation of I.V.C. Road from Ramanagaram to Hunusanahalli and in exercise of the powers conferred by clause (c) of Section 7 of the said Act, the Assistant Commissioner in charge of Ramanagaram Sub-Division is appointed to perform the functions of a Deputy Commissioner under the said Act, and directed to take orders for the acquisition of the said lands.

In exercise of the powers conferred by sub-section (1) of Section 17 of the said Act, His Highness the Maharaja of Mysore further directs that the possession of the said lands may be taken on the expiry of fifteen days from the date of publication of the notice mentioned in sub-section (1) of Section 9 of the said Act.

A plan of the lands is kept in the Office of the Sub-Division Officer, Ramanagaram, for inspection.

IMPORT TRADE CONTROL.

New Delhi, the 29th May 1952.

PUBLIC NOTICE.

Subject:—Procedure for the grant of licences to importers during July-December 1952.

No. 55—ITC (PN)—52. The general basis for the grant of import licences during July-December 1952 to different classes of importers will be the same as it was in the January-June 1952 period subject to certain modifications which are published below for general information.

ESTABLISHED IMPORTERS.

2 The basic period for the grant of quota licences to established importers will remain the same as in January-June 1952 except that imports made in 1951-52 may also be counted as basic year imports.

3 Firms who propose to claim quotas on the basis of 1951-52 imports should apply to the Import Trade Controller concerned along with the necessary documents for

the grant of a quota certificate by 30th June 1952 at the latest. If the documents have already been submitted in any other connection and have not yet been received back, a reference to the previous correspondence should be made when applying for the quota certificate.

4 It will not be necessary for established importers to produce evidence of a second year's import in terms of Public Notice No. 109—ITC (PN)—51 of the 23rd June 1951 when they claim an import licence on the basis of licences already granted in January-June 1952 or on the basis of valid quota certificates previously granted. Evidence to establish the fact that the firm has imported the item in question in at least two financial years between 1st April 1946 and 30th June 1952 will be required if it is claiming quotas for the first time or claiming a revision of its existing quota certificate. Such evidence where required may take the shape of only one bill of entry or other acceptable documents for each financial year, and it may relate to imports made from any currency area and not necessarily the one for which a licence is claimed.

PRE-WAR IMPORTS.

5 Opportunity was given in January-June 1952 to importers of goods from countries trade with which was interrupted during the last war to claim quotas based on pre-war imports from those countries. Claims already made under this scheme, which was originally announced in Public Notice No. 109—ITC (PN)—51 of the 23rd June 1951 will be fully examined, and, where the claim is accepted, quota certificates will be given if they have not already been granted. It has, however, been decided that new claims on the ground of imports made before the war will not be entertained hereafter, unless the item in question is one for which there was no quota during January-June 1952.

6 Documents which established importers have to produce in support of their past imports will be as prescribed in the Hand Book of Rules and Procedure 1952 subject to the modifications indicated above except that (a) in respect of Miscellaneous hardware falling under Sl. No. 275 of Part IV of the Import Trade Control Schedule it will be sufficient for the firm to quote the registration number allotted to it under the quota registration scheme, and it will not be required to re-submit any documents relating to its past imports; and (b) in respect of items to which the quota registration scheme was extended in Public Notice No. 45—ITC (PN) 52, dated 26th April 1952, no application for a licence for such items should be made until the Jt. Chief Controller of Imports, Calcutta, intimates the quota registration number.

7 In the case of imports at the port of Calcutta in place of the Bills of Entry, Customs Duty Receipts with invoices signed by the Customs authorities and Bank drafts or Bank exchange Memo can be produced.

8 The basis on which quotas for granting general and soft currency licences will be calculated will be the same as in January-June 1952, except that in the case of items for which the soft currency quota is higher the importer may in lieu of the General licence take a soft currency licence calculated at the higher rate. Firms wishing to take advantage of this option must choose the same basic year for their Dollar and Soft Currency Imports, and further they must submit their applications based on both Dollar and Soft Currency Imports on the same date, and in the same cover.

9 Licences to established importers will not be given if the value of the licence to which they are entitled

according to the quota percentage fixed for licensing is below a certain minimum as indicated in the table below:—

Quota percentage of the articles as given in the Public Notice	The limit up to which no quota licences will be granted if quota when calculated is less than	Minimum value of licence
1. Over 20 per cent.	Rs. 500	Minimum value licence for Rs. 1,000 will be granted (if quota found admissible lies between Rs. 500 and Rs. 1,000).
2. 20 per cent or less.	Rs. 250	Minimum value licence for Rs. 500 (if quota found admissible lies between Rs. 250 and Rs. 500).

Items to which the minimum value limits stated above will not apply will be indicated in the policy statement for the half year.

ACTUAL USERS.

10 Applications for items to be licensed to actual users will only be entertained if the factory or industrial undertaking for which the raw material is required engages a minimum of 50 workers.

11 Licences for raw materials and consumable stores shown as licensable to actual users will normally be granted to meet six months consumption. The licensing authority may make such reduction in this as he may think fit after taking into account the stocks already held by the applicant, the level of indigenous production and the quantum of imports allowed through ordinary trade channels. In the case of spare parts and other non-consumable stores, applications should be for meeting demands which are expected to arise over a period of six months.

12 Actual users will be permitted to make one consolidated application for licences covered by the same certificate from Director of Industries, etc. They will also be permitted to make more than one application for the same item provided each application is to meet a different need and is supported by an independent certificate from the Director of Industries, etc.

13 Actual users who do not wish to make one consolidated application for all items constituting their certified requirements, may submit separate applications for one or more items, provided each application is supported by the prescribed certificate and a separate treasury challan for the requisite fee.

14 The attention of Actual users is particularly invited to the instructions contained in Chapter III of the Hand Book of Rules, and Procedure, 1952 which indicate the form and manner of application by factories engaged in certain specially assisted industries and who are borne on the list of the Development Wing, Ministry of Commerce and Industry, New Delhi.

SOLE AGENTS.

15 Applications received during January-June 1952 from firms claiming licences as sole agents show a considerable misunderstanding as to the scope of the scheme and regarding the items which are considered to be sufficiently essential to warrant the grant of licences to sole agents. During July-December 1952 all items for which sole agents may supply as much will be clearly indicated in the Policy Statement and applications will not be entertained for items for which applications from sole agents have not been invited. Further, even for such items, no firm may apply both in the capacity of established importer and sole agent. If a firm chooses to apply as a sole agent, it should refrain from applying as an established importer and indicate this fact along with information regarding the size of its quota when applying as a sole agent.

INCOME-TAX VERIFICATION.

16 Importers should take steps from now to renew their income-tax registration or exemption numbers. Applications quoting registration or exemption numbers expiring in June 1952 or earlier will be liable to summary rejection.

17 Subject to the special points indicated above, importers should scrupulously comply with the general instructions given in the Hand Book of Rules and Procedure.

PUBLIC NOTICE.

Subject.—Forms of applications for import of goods for the various categories of importers for use during the July-December 1952 period.

No. 60-I.T.C. (P.N.)—52. Special forms of applications for different classes of applicants which were introduced during January-June 1952 will continue to be used for the period July-December 1952 subject to the minor modifications indicated below:—

(a) Against item No. 13 actual users need show past imports only for the two preceding years instead of for five preceding years.

(b) Actual users can furnish the particulars or goods desired to be imported, namely:—

(i) quantity, (ii) net weight, (iii) number of any other unit as the case may be, (iv) value c.i.f. in rupees, (v) classification, (vi) actual quantity consumed during last 12 months, and (vii) any stocks in hand,

in a separate sheet to be attached to the application if the existing space on the application form is inadequate to cover all the items which they want to import.

(c) Sole agents should indicate the classification under the Import Trade Control Schedule of the goods desired to be imported and should also state (a) whether they have past imports of the article concerned and (b) if so the quantum of such imports and (c) that they are not applying for a quota licence in addition.

2. A new acknowledgment sheet has been added to the form which will indicate the Diary No. given to the application in the Import Control Office—which should be quoted in all future correspondence on the subject—and will also serve as a receipt for the Treasury Challan enclosed with the application. In order that these acknowledgments are returned with the minimum of delay, the applicants should write their full address on the back of the acknowledgment form in the space provided and stamp it. They should also quote the number of Treasury Challan as well as its value but should leave the number of enclosures and Diary number blank to be filled by the acknowledging authority.

3. Importers of all categories as well as Chambers of Commerce and Trade Associations are advised in their own interest to place advance orders for the forms in question with the Manager, Government of India, Photo Litho Press, Queensway, New Delhi.

PUBLIC NOTICE.

Subject.—Licensing policy regarding the import of looms required for Cotton Textile Industry, for the year 1952.

No. 66-I.T.C. (P.N.)—52. A reference is invited to Chapter II of the Plant and Machinery Handbook of 1952 as well as to the Commerce and Industry Ministry Public Notice No. 25—I.T.C. (P.N.)—52, dated the 17th March 1952 regarding the licensing policy for looms for Textile Industry other than Jute and Hemp. The following policy will now be adopted for licensing of this item:—

(i) No licences will be granted for plain looms, drop box looms, automatic looms of Cop-change type and loose reed semi-auto looms.

(ii) Applications from actual users only will be considered for the following types:—

(a) Automatic looms of shuttle change type and fast reed cop-change type;

(b) Fast reed semi-auto looms;

- (c) High speed multiple-head tape and webbing looms ;
- (d) Light Metal Treadle looms ; and
- (e) Blanket looms.

As regards the first two types, viz., (a) and (b) above, the applicants should give full reasons as to why they must have the particular auto loom or semi-auto loom as the case may be.

2. As looms are licensable under the Capital Goods Scheme irrespective of their value limit, applications by actual users may be made to the Joint Chief Controller of Imports, Bombay, in the prescribed Capital Goods Form. Applications will be considered and dealt with as and when received in consultation with the T.A.C. No. 3 attached to the Textile Commissioner, Bombay.

Import Trade Control Circular No. 71-52.

Subject.—Procedure for grant of licences to Actual Users during July-December 1952.

Public Notice No. 67-I.T.C. (P.N.)—52, dated 20th June 1952, issued by the Government of India, Ministry of Commerce and Industry, is republished below for general information :—

In Public Notice No. 55-I.T.C. (P.N.)—52, dated 19th May 1952, it was stated that applications for items to be licensed to actual users will only be entertained if the factory or industrial undertaking for which the raw material is required engages a minimum of 50 workers. This does not mean that cottage and small scale industries who engage a smaller number of workers cannot receive licences as actual users, but they must apply jointly either as an association or as a co-operative body.

2. A co-operative society or an association, can make one consolidated application for the requirements of all its members employing between them a minimum of 50 workers for such articles as are shown as licensable to actual users. The application should be supported as usual with a certificate from the Director of Industries of the State concerned.

3. When a registered co-operative society is applying for a licence, it would be enough if it produces a single Income-tax Verification Certificate in the name of the society. When, however, an association is applying on behalf of its members it would be necessary for each unit to procure a separate Income-tax Registration Number or Exemption number, in its own name. In the case of an application by an Association, the list of members together with the requirements of each and the Income-tax Verification Certificate Registration or Exemption number of each member should be furnished along with the application.

4. In the case of units of specially assisted industries as given in the Hand Book of Rules and Procedure, who are borne on the list of the Development Wing of the Ministry of Commerce and Industry, New Delhi, applications should be made through the Development Wing, regardless of the number of workers engaged in accordance with the instructions contained in the Hand Book.

Import Trade Control Circular No. 72-52.

Subject.—Import of all types of lifts and elevators (including passenger and goods) falling under Serial Number 70 of Part V of I.T.C. Schedule during July-December 1952.

Public Notice No. 68-I.T.C.—P.N.—52, dated 26th June 1952, issued by the Government of India, Ministry of Commerce and Industry, is republished below for general information :—

It has been decided to consider applications for the grant of licences to import lifts of all kinds from the following categories of applicants during July-December 1952 :—

- (a) Established Importers,
- (b) Sole Agents,
- (c) Actual Users.

2. Established importers should submit their applications in the usual form and manner along with the necessary evidence of their past imports together with a complete statement of the lifts for which they have booked orders. It will be necessary for them to give full details of the location of the building where the lift is to be installed, the date on which the building will be ready, the number of storeys in the building, the likely date of delivery promised by foreign suppliers and other relevant details pertaining to each order booked. The necessary documents in support of these claims should also be produced.

3. Sole Agents should also produce the details of the orders booked by them as indicated in the preceding paragraph in addition to evidence of sole agency agreement and other documents normally required.

4. Applications in the category of actual users will only be considered if the lift is required for any kind of public institution or if the building in which the lift is to be installed is of six storeys or more. Applications should comply with the normal regulations applicable to actual users except that the supporting certificate need not be from the State Director of Industries and instead a certificate from the appropriate Government Department or Municipal Corporation would be accepted. It will be necessary for the applicants in this category to indicate the name of the importer through whom the lift will be imported if it is not going to be imported direct. Full specifications of the lift will also be required.

5. All applications should be addressed to the Chief Controller of Imports, New Delhi, so as to reach that office before the end of July 1952.

6. It has also been decided that the validity of licences whether issued during January-June 1952 or July-December 1952 should be 18 months from the date of issue. Necessary extension of validity of licences already issued will be given on presentation to the Joint/Deputy Chief Controller of Imports at ports.

Custom House,
Madras,

V. S. RAMA AYYAR,
Dy. Chief Controller of Imports.

30th June 1952.

Dated the 27th June 1952.

Public Notice No. 7-52.

Subject.—Imports from Pakistan—Open General Licence—Expiry of—

Importers of goods from Pakistan are informed that the present Indo-Pakistan Trade Agreement is due to expire on the 30th June 1952 and the Open General Licence No. XXII issued last year in terms of this agreement will also expire on 30th June 1952. In order that there is no hold up of Trade, imports of commodities covered by the above Open General Licence would be allowed free of restriction for a period of fifteen days with effect from 1st July 1952 as a concession.

2. Importers are warned that no indefinite movement of goods can be allowed to be made and claims in this respect will not be entertained.

V. S. RAMA AYYAR,
Dy. Chief Controller of Imports.

Dated 15-16th July 1952.

No. C. & D. 2159. The following communications issued by the Government of India, Ministry of Commerce and Industry, regarding the under mentioned subjects are hereby republished for general information :—

- 1. Export of Mustard oil
- 2. Export of Copper and Brass Manufactures and
- 3. Export of Firebricks.

By Order of His Highness the Maharaja,

R. J. REGO

Secretary to Government,
Development Department.

Letter No. 1-0 & 0 (58)/52, dated the 19th June 1952, from the Chief Controller of Exports (Ministry of Commerce and Industry), Government of India, New Delhi, addressed to the Joint Chief Controller of Exports, Bombay/Calcutta, etc., and the copy of the same to all concerned (as usual).

Subject.—Export of Mustard Oil.

It has been decided that exports of mustard oil may be licensed freely, without any quantitative restrictions, to all permissible destinations including Pakistan, up to the end of September 1952. Licences may be issued by means of endorsements on shipping bills and the validity of the shipping bills should not extend beyond the 30th September 1952. In your trade notice you may warn the exporters that they should not, on the strength of your notice, enter into any commitment for export which they are not in a position to fulfil before the end of September 1952.

2. Statements showing the quantities of mustard oil passed for shipment may be forwarded to this office every fortnight. The statement should indicate the name of shipper, the quantity passed for shipment and the destination.

Letter No. 27-E. Misc. (2)-T/52, dated the 19th June 1952, from the Chief Controller of Imports and Exports, (Ministry of Commerce and Industry), Government of India, New Delhi, addressed to the Joint Chief Controller of Imports and Exports, Bombay/Calcutta, etc., and copy of the same to all concerned (as usual).

Subject.—Export of Firebricks.

In supersession of all previous instructions on the above subject, it has now been decided to permit the export of firebricks of moderate and high-heat duty freely to all permissible destinations up to the 31st December 1952. Licences may be issued on presentation of shipping bills. A suitable trade notice may be issued for the guidance of the public.

2. Monthly statements showing the actual exports and quantity licensed should be furnished so as to reach this office by the 7th of the month following that to which the return relates.

Letter No. 14-M. & O. (2)/52, dated 19th June 1952, from the Chief Controller of Imports and Exports (Ministry of Commerce and Industry), Government of India, New Delhi, addressed to the Joint Chief Controller of Imports and Exports, Bombay/Calcutta, etc., and copy of the same is forwarded to all concerned (as usual).

Subject.—Export of Copper and Brass Manufactures.

In supersession of all previous instructions on the subject, it has now been decided that during the period July-December 1952, exports of manufactures of copper and brass excluding sheets and other semi-manufactures, but including utensils should be licensed freely on presentation of shipping bills to all permissible destinations.

A monthly statement showing the actual exports should be furnished to this office regularly.

A suitable notice may be issued to the trade in the matter.

Dated 17th July 1952.

NOTIFICATIONS BY GOVERNMENT

DEVELOPMENT SECRETARIAT

Dated 19th July 1952.

No. C. & D. 2278. The following communication received from the Government of India, Ministry of States, New Delhi, regarding exemption from payment of customs duty on stores imported for the use of the State Governments is herewith re-published for information.

By Order of His Highness the Maharaja,

R. J. REGO,

Secretary to Government,

Development Department.

3102

GOVERNMENT OF INDIA.

Ministry of States.

No. F. 9 (8)-Econ—52.

New Delhi-2, the 12th July 1952.

From

The Deputy Secretary to the Government of India.

To

The Chief Secretary to the Government of Mysore.

Sir,

Subject.—Exemption from payment of customs duty on stores imported for the use of the State Governments.

I am directed to state that the exemption granted to the property and income of the State from Union taxation, *vide* Article 289 (1) and (2) of the Constitution, is, in so far as customs and Central excise duties are concerned, governed with effect from August 27, 1951, by the Sea Customs and Central Excises and Salt (Amendment) Act, 1951. As a result, even goods, imported by State Governments which were exempted from payment of duty by virtue of Article 289 (1) of the Constitution will again become liable to duty and will be governed by the provisions of the Sea Customs and Central Excises and Salt (Amendment) Act, 1951. I am to add that as the amending Act does not have retrospective effect, duties of customs and excise collected on State property between the date of commencement of the Constitution and the enactment of the Sea Customs and Central Excises and Salt (Amendment) Act, 1951, are in contravention of the provisions of Article 289 (1) of the Constitution and claims for refund of duty paid are admissible.

Yours faithfully,

S. NARAYANASWAMY,

Dy. Secretary to the Government of India.

NOTIFICATIONS BY GOVERNMENT

CHIEF SECRETARIAT

(HOME DEPARTMENT.)

Dated 23th July 1952.

No. H.B. 4236—Mily. 32-52-1. The rules framed for the grant of Scholarships to the Children and Dependants of Ex-servicemen and Serving Soldiers from the funds of the Mysore Soldiers' Board for the year 1952-53 are hereby published for general information.

By Order of His Highness the Maharaja of Mysore,

M. S. SHANKARA RAO,
Under Secretary to Government,
Home Department and Secretary,
Mysore Soldiers' Board.

RULES FOR THE GRANT OF SCHOLARSHIPS TO CHILDREN AND DEPENDANTS OF SOLDIERS FROM THE FUNDS OF THE MYSORE SOLDIERS' BOARD.

The Scholarships shall be granted to deserving cases of children and dependants of soldiers who are studying in Schools and Colleges. The eligibility of Scholarships is dependant on the following conditions :

2. Persons eligible for concessions—Children, wives and direct dependant-brothers and sisters of the following personnel are eligible for the concessions:—

(1) Persons of Mysorean domicile or birth who served in the Defence Services during the War of 1939-46 in the ranks including Non-combatants but excluding Commissioned Officers of the Mysore State Forces, who served under the Crown during the recent war.

(ii) I. N. A. Personnel who went over from the Indian Armed Forces to the I.N.A.

(iii) Indian Pioneer Force Personnel enrolled under the Indian Army Act.

NOTE.—(1) "Children" include adopted children where the personal law recognizes the validity of the adoption. In the case of adopted children, legal documentary evidence should be produced. The adoption deed should have been executed at the time of adoption and not at the time of applying for the concessions. The adoption of daughters will not be valid except in rare cases and where concessions are proposed on behalf of an adopted daughter, the matter shall be decided by the head of the institution concerned.

(2) "Brothers" and "Sisters" also include step-brothers and step-sisters and half-brothers and half-sisters.

(3) To establish "dependence" on a member of the Defence Services personnel referred to above, the father of the student concerned or other head of the family concerned should prove that the soldier was remitting money by money order or by family allotment.

3. Nature of Scholarships.—(1) A limited number of scholarships will be granted to students studying in Middle Schools, High Schools and Colleges (arts and professional) for a period of 8 months every year, commencing from 1st July. The number of scholarships that will be granted for the year 1952-53 will be as follows:—

	Number of Scholarships	Amount Rs.
1. Middle Schools	40	3 per mensem.
2. High Schools	20	6 do
3. Colleges (Intermediate, Degree, Professional) and Technical Courses.	20	10 do

The number of scholarships to be granted in future years will be determined by the Mysore Soldiers' Board before the 1st July of each year.

4. Conditions for the grant of Scholarships:—

(i) In all cases the soldier or officer with reference to whom the concessions are claimed should have had at least six months' approved military service. In deserving cases, a shorter period may also be admitted.

This condition as to approved military service will apply also to members of the Indian Navy and the Indian Air Force. Mere recruitment to these two services does not confer on their children or other dependants eligibility for concessions.

(ii) The soldiers concerned should have rendered at least six months' approved military service with liability to serve overseas in a theatre of war between 3rd September 1939 and 31st August 1946

(iii) Children and dependants of soldiers whose present emoluments exceed Rs. 200 per mensem are not eligible for the concessions.

(iv) Children and dependants of soldiers or officers who have been killed or permanently incapacitated will not be denied the concessions by reason of the emoluments exceeding Rs. 200 per mensem if their financial circumstances make the grant necessary.

5. (i) Applications from persons studying in Middle Schools and High Schools should be forwarded through the institution in which the pupils are studying in the Form prescribed under Annexure A to these Rules, not later than 1st September of every year to the Director of Public Instruction who will scrutinise them and make recommendations to the Mysore Soldiers' Board once a year before 1st October of each year.

(ii) The applications from students from various Colleges should be forwarded in the Form prescribed under Annexure A to the Rules, not later than 1st September of every year to the Registrar, Mysore University who will collect them and forward them with the opinion of the Vice-Chancellor to the Mysore Soldiers' Board before 1st October of each year.

(iii) Applications received after that date will not be taken into consideration.

(iv) The Mysore Soldiers' Board will then consider the recommendations and place the amount approved by the Board at the disposal of the Director of Public Instruction and the Registrar of the University for disposal.

6. Claims for Scholarships should be supported by the following certificates:—

(a) A certificate in Form I prescribed under Annexure 'B' to these rules either from the Officer Commanding or Second-in-Command of the Unit concerned or from a Gazetted Officer of the Military Department.

(b) A certificate of recommendation in Form II prescribed under Annexure 'B' to these rules from the Head of the Institution in which the pupil is studying.

7. Scholarships will be withdrawn from these who stay for more than one year in one and the same class, but will be re-granted on promotion to the next-higher class. The head of the institution with the approval of the Director of Public Instruction or the Vice-Chancellor as the case may be, may continue the concessions for another year in the same class, where failure to secure promotion is due to extraordinary reasons like illness, change of residence, want of term days due to illness, etc.

8. Scholarships will not be granted or continued where the soldier or officer was discharged from military service

by order of court martial or for misconduct or inefficiency or has been declared a deserter and has not been apprehended.

9. Scholarships should also be cancelled for misconduct on the part of the scholarship holder.

10. Scholarships should not be held in conjunction with any other scholarship provided partly or wholly at the cost of State funds except with the special sanction of the Director of the Public Instruction or the Vice-Chancellor of the Mysore University as the case may be.

No. E. 6352—R. & P.S. 3.52-4. The undermentioned Resolution of the Government of India received with their Letter No. 42-19—51-N.G.S., dated 25th June 1952 from the Special Secretary to the Government of India, Ministry of Home Affairs, in the matter of relaxing the maximum age-limits to candidates belonging to Scheduled Castes and Scheduled Tribes in the Public Service is hereby published for information of the public.

"Resolution.—The policy of the Government of India in regard to communal representation in services is laid down in Ministry of Home Affairs Resolution No. 42-21—49-N.G.S., dated the 13th September 1950. Paragraph 4(3) of the Resolution provides that the maximum age-limit prescribed for appointment to a service or post will be increased by three years in the case of candidates belonging to the Scheduled Castes and Scheduled Tribes. The Government of India have examined the question whether any further relaxation in maximum age-limits is necessary to secure greater representation of the Scheduled Castes and Scheduled Tribes in the public services. It has now been decided that the maximum age-limit prescribed for appointment to a non-gazetted service or post will be increased by five years in the case of candidates belonging to Scheduled Castes and Scheduled Tribes."

Sir,

Subject:—Departmental compilation of Expenditure figures for the purpose of control and reconciliation with the figures of the Audit Office.

No. Fl. (B) 4834. I am directed to invite reference to Government Order No. Fl. (B) 2508-87—Bud. 8-52-2, dated the 17th June 1952, prescribing a certificate to be furnished in the monthly pay bills of Gazetted Officers (other than Chief Controlling Officers) and Non-Gazetted Officers of August 1952 and onwards and to request that the certificate may kindly be insisted on even in the case of bills presented for pre-audit at your office.

As however many officers may not be able to furnish the certificate in the prescribed form in the bill for August 1952, the bills for that month may, as a special case, be accepted if an alternative certificate is furnished to the following effect:—

"Certified that action has been taken on Government Order No. Fl. (B) 2508-87—Bud. 8-52-2, dated the 17th June 1952. The statement of expenditure due from me for the four months ending July 1952 will be furnished along with that due for the month of August 1952 before sending the pay bills for September 1952 for audit."

Public Notice.

Subject:—Licensing of all forms of bottled penicillin and its preparations.

No. 74—I.T.C. (P.N.)—52. In the Red Book for July December 1952, it was indicated in Appendix "D" that a separate announcement would be made regarding the licensing of bottled penicillin and its preparations. It has now been decided that general and soft currency licences will be granted on the basis of a quota of 50 per cent and 100 per cent of half of best years' imports of only the following varieties of bottled penicillin and its preparations from the respective areas. The licences will also be valid only for the import of varieties detailed below:—

- (i) Crystalline penicillin G. Calcium;
- (ii) Procaine Penicillin G. with Crystalline Penicillin G. Oily injection;
- (iii) Procaine Penicillin G. with Crystalline Sodium Penicillin (Aqueous);
- (iv) Penicillin G. Diethyl mineethy-I ester Hydroiodide;
- (v) Procaine Penicillin G. with Crystalline Penicillin G. buffered with aluminium monostearate;
- (vi) Procaine Penicillin in oil;
- (vii) Penicillin tablets;
- (viii) Penicillin lezenges;
- (ix) Penicillin ointments;

2. It has also been decided that the import of the following varieties of bottled penicillin will not be allowed:—

- (i) Crystalline Penicillin Sodium;
- (ii) Crystalline Penicillin Procaine;
- (iii) Penicillin Procaine Fortified.

Penicillin in bulk, (excluding all forms of bottled penicillin and its preparations) can be however imported from all permissible areas under Open-General Licence XXIV.

3. Applications by established importers should be made in the prescribed form and manner so as to reach the Import Trade Controller at the port concerned by the 31st August 1952.

IMPORT TRADE CONTROL.

New Delhi, the 25th July, 1952.

Public Notice.

Subject :—Import of goods supplied free of charge in replacement of those previously imported and found defective or unfit for use.

No. 78—I.T.C. (P.N.)—52. Open General Licence No. IV gives general permission for the importation of goods which are supplied free of charge in replacement of goods previously imported, which have been found to be defective or otherwise unfit for use. In order that clearance of the replacements may be allowed under Open General Licence No. IV it is necessary that it should be proved to the satisfaction of Customs authorities that the goods which were defective have been returned to the suppliers abroad or that they have been physically destroyed.

2. It has been represented that at times it is not possible to prove that either of these two conditions have been fulfilled to the satisfaction of Customs authorities and it has been decided that, in such an event it will be open to the importer to apply for an import licence without exchange control copy along with the following documents as well as any others which would establish the correctness of the claim :—

(a) The insurance survey certificate issued by the Lloyds agents or any other authorised insurance surveyors that the goods were actually received in a defective condition and require replacement.

(b) Original evidence of acceptance by the suppliers abroad to replace the damaged goods free of charge and free of cost.

3. If any foreign exchange is required for covering further insurance and freight, the amount for which the exchange copy of the licence should be made valid should be clearly indicated in the applications on the subject.

4. In the case of goods which were a total loss prior to their arrival in India and hence not imported at all the original licence could, if it has not already expired be utilised for importing the consignment which is sent in replacement. If an extension of the validity date of the licence is necessary, an application should be made along with the documentary evidence to establish the fact that the goods were in fact lost *en route*.

5. Applications should be addressed to the authority who originally issued the licence.

Public Notice.

Subject.—Licensing of cocoanut oil for the period July—December 1952.

No. 81—I.T.C. (P.N.)—52. In the 'Red Book' for July—December 1952 and this Ministry's Public Notice No. 61—I.T.C. (P.N.)—52, dated 16th June 1952 it was announced that the licensing policy for import of cocoanut oil falling under S. No. 62 of Part IV of the I.T.C. Schedule would be announced later. The following licensing policy has now been decided in respect of cocoanut oil and is published for general information. The entries stated below follow the order of columns in Appendix 'A' of the 'Red Book.'

1	2	3	4	5	6
Part IV Sl. No. 62	Cocoanut oil.	Ports	100 per cent	Six	A.U. Quota licences will be granted subject to the proviso that not more than half the value of the licence will be used for the import of cocoanut oil and the balance half will be used for the import of copra and cocoanut kernel. Similarly actual users' licences will be granted so as to enable the import of not more than half the six monthly requirements of the factory as oil and the rest as copra and cocoanut kernel.

New Delhi, the 14th July 1952.

Press Note.

No. 11—I.T.C. (Press)—52. The conditions under which actual user applications for import licences will be entertained from industrial undertakings engaging less than 50 workers and who cannot apply on a co-operative basis, have been announced in a Public Notice issued by the Ministry of Commerce and Industry. The following will be the main considerations on the basis of which an actual user may apply even though the number of workers engaged by him is below the prescribed minimum :—

(i) That the applicant is engaged in the production of something which is of special importance.

(ii) The industry is such that by its very nature it must employ a relatively small number of workers and import a relatively high proportion of its raw material needs.

- (iii) The applicant has been normally meeting his requirements by arranging for his own imports.
- (iv) That the needs are of a specialised nature and supplies are not likely to be easily available unless imports are specially arranged.

2. Actual users who wish to apply for import licences in spite of the fact that they engage less than 50 workers should clearly indicate the reasons justifying their application and in particular indicate what actual user licences they have received during July-December 1951 and January-June 1952. The applications will have to be submitted in the usual manner with the certificate of the State Director of Industries or the Industrial Adviser who may before granting the certificates make such enquiries as he may think fit to satisfy himself about the merits of the case.

3. What has been stated above will apply to raw materials required by industrial undertakings. Applications for machinery and spares will, as before, be considered without reference to the number of workers engaged.

UNION PUBLIC SERVICE COMMISSION.

NOTICE.

New Delhi, the 19th July 1952.

No. 4/1/52-E.—A competitive examination for recruitment to (1) the Indian Railway Service of Engineers, (2) the Electrical Engineering Department of the Superior Revenue Establishment of Indian Railways, (3) the Signal Engineering Department of the Superior Revenue Establishment of Indian Railways, (4) the Central Engineering Service, Class I, (5) The Central Engineering Service, Class II, and (6) the Telegraph Engineering Service, Class I, will be held on the 5th January 1953, and following days at Allahabad, Bombay, Calcutta, Delhi and Madras under the rules for recruitment to these Services published in the *Gazette of India*, by the Ministry of Railways' (Rly. Board) in their Notification Nos. E 51RR 2-2, E 52RR 4, E 51RR 6, dated 14th June 1952 and by the Ministry of Works, Housing and Supply in their Notification No. E-3(539)/52, dated 14th July 1952 and by the Ministry of Communications in their Notification No. STA971/52, dated 10th July 1952. Candidates accepted for admission to the examination will be informed at what place or places and at what hour they should present themselves.

NOTE.—Candidates who compete for the Indian Railway Service of Engineers or the Signal Engineering Department or the Electrical Engineering Department may be appointed to the Stores Department of the Superior Revenue Establishment of Indian Railways.

2. The examination will be a combined one for the purpose of filling vacancies in the Services and Departments mentioned above. A candidate may apply to be admitted to one or more of these Services. Only one application need be sent in and it should be stated therein whether a candidate wishes to enter for one or more Services or Departments. He/She will be required to pay the fees mentioned in the Rules, or the Compendium of the Rules mentioned in paragraph 4 below, once only and will not be required to pay separate fees for each Service or Department for which he/she applies. The Government of India, may assign a successful candidate to any Service for which he/she is competing on a consideration of all the circumstances including any personal preference expressed by the candidate.

3. (a) The number of vacancies to be filled in the Indian Railway Service of Engineers, the Signal Engineering Department and the Electrical Engineering Department of the Superior Revenue Establishment of Indian Railways and the Stores Department of Indian Railways on the results of the examination will be 6, 2, 4 and 1 respectively. The number of vacancies to be reserved for candidates belonging to Scheduled Castes and Scheduled Tribes, etc., will be determined later and announced separately.

(b) The number of vacancies to be filled in the Central Engineering Service Class I and Class II on the results of this examination is 6 and 3 respectively. Of these, 2 and 1 vacancies for each of C.E.S. Class I and Class II are reserved for Scheduled Castes and Scheduled Tribes respectively.

(c) The number of vacancies to be filled in T.E.S. Class I on the results of this examination is likely to be not more than 8. Two vacancies are reserved for candidates belonging to Scheduled Castes and 1 for candidates belonging to Scheduled Tribes.

4. Applications with connected papers should be submitted in accordance with the Instructions to Candidates and should reach the Union Public Service Commission on or before the 30th August 1952. Applications from candidates residing abroad will be accepted up to 13th September 1952. Copies of the application form and other connected papers may be obtained direct from the Secretary, Union Public Service Commission, Dholpur House, Post Box No. 186, New Delhi, on payment of Re. 1 which should be remitted to the Commission by Money-Order stating the name of examination in respect of which the application forms are required. Candidates will not be supplied with copies of the complete Rules, but only with a compendium of Rules which will contain the essential conditions of eligibility.

5. No allegation that an application form, or letter respecting such form has been lost or delayed in the post will be considered, unless the person making such allegation produces a post office registration receipt or certificate of posting. Candidates who delay their applications or their requests for forms until a late date will do so at their own risk.

6. (a) (i) Candidates for the Indian Railway Service of Engineers, the Central Engineering Service, Class I the Central Engineering Service, Class II, and the Telegraph Engineering Service, Class I, must have attained the age of 20 and must not have attained the age of 25 years on the 1st of August 1952, i.e., they must have been born not earlier than the 2nd August 1927 and not later than the 1st August 1932.

(ii) Candidates already in service in the Posts and Telegraphs Department who are over the age of 25 and under the age of 30 years on the 1st of August 1952, may, however, be admitted to the examination for recruitment to the Telegraph Engineering Service, Class I, provided they either hold substantively a permanent post and are recommended by the Director-General of Posts and Telegraphs or hold the following categories of temporary posts in the Posts and Telegraphs Department.—(1) Repeater Station Assistants, (2) Foremen and Assistant Foremen, Telegraph Workshops, (3) Temporary Assistant Engineers, Workshops, and have been in continuous service in these posts for a period of not less than two years on the 1st of August 1952 and are recommended by the Director-General of Posts and Telegraphs.

(b) (i) Candidates for the Signal Engineering and the Electrical Engineering Departments of the Superior Revenue Establishment of Indian Railways must have attained the age of 21 and must not have attained the age of 25 years on the 1st of August 1952, i.e., they must have been born not earlier than the 2nd August 1927 and not later than the 1st August 1931.

(ii) Candidates already in Railway Service who are over the age of 25 and under the age of 30 years on the 1st of August 1952, may however, be admitted to the examination for recruitment to the Signal Engineering and Electrical Engineering Departments of the Superior Revenue Establishment of Indian Railways provided they hold substantively a permanent post and are recommended by their department or office.

(c) The upper age limit prescribed in sub-rules (a) (i) and (ii), (b) (i) and (ii) above will be relaxed—

(i) Up to a maximum of three years if a candidate belongs to a Scheduled Caste or a Scheduled Tribe or is a *bona fide* displaced person from Pakistan, and

(ii) Up to a maximum of six years if a candidate belongs to a Scheduled Caste or a Scheduled Tribe and is also a *bona fide* displaced person from Pakistan.

These age limits can in no case be relaxed.

7. Candidates who have appeared, or would be appearing before the commencement of this examination at an examination the passing of which would render them eligible to appear at this examination, but who have not been informed of the result, may apply for admission to this examination. Their applications will be accepted provisionally and they will be required to furnish proof of having passed the qualifying examination as soon as

possible and normally not later than the date of the commencement of this examination.

8. If any candidate, who took the Engineering Services Examination held in December 1951, wishes to apply for admission to this examination, he/she must submit his/her application by the prescribed date without waiting for an offer of appointment. If he/she secures an appointment on the results of the 1951 examination, his/her candidature for this examination will be cancelled on request.

9. In all correspondence with the Union Public Service Commission, candidates should invariably superscribe their envelopes and correspondence with the words, "Engineering Services Examination, January, 1953."

B. SHUKLA,

Deputy Secretary,

Union Public Service Commission.

UNION PUBLIC SERVICE COMMISSION (INDIA).

Engineering Services Examination.

Instructions to candidates regarding the filling up and submission of applications.

(1) Copies of the application form and other papers relating to the Examination are sent herewith. Candidates should consult them to see if they are eligible, before filling up the Application form or paying the prescribed fee into a treasury. The conditions prescribed cannot be relaxed.

(2) The application form should be filled up in the candidate's own handwriting and all answers should be given in words and not by dashes or dots. It should be submitted direct to the Secretary, Union Public Service Commission, P.O. Box No. 186, Dholpur House, New Delhi. A Government servant (whether in a permanent or temporary capacity) must submit his/her application form through the Head of the Department or office concerned. No application received after the date prescribed in the Notice will be accepted.

(3) If a candidate sends his/her application by post and desires an acknowledgment he/she must send the application "Registered acknowledgment due".

(4) A candidate who is found to have knowingly furnished and particulars which are false or to have suppressed material information, will be disqualified and, if appointed, will be liable to dismissal.

(5) The candidate must send the following documents with his/her application:—

(i) A consolidated application and examination fee of Rs. 81-8-0 (Rs. 19-10-0 in the case of candidates belonging to the Scheduled Castes and Scheduled Tribes) with the application. (Only a treasury receipt or *crossed* Indian postal orders for this amount payable to Secretary, Union Public Service Commission at New Delhi Post Office will be accepted by the Union Public Service Commission. The Commission cannot accept the fee in cash or cheques.)

(ii) A certificate of age.

(iii) A certificate of character.

(iv) A certificate of Educational Qualification.

(v) In the case of candidates offering surveying as an optional or compulsory subject, a certificate in original, with a copy thereof, showing that the candidate has undergone satisfactory training in Surveying including Practical Surveying (See Syllabus).

Details of the required documents mentioned in items (i), (ii), (iii) and (iv) are given below.

N.B.—Candidates are warned that if the application is incompletely or wrongly filled up or is not accompanied by any of the documents mentioned in items (ii), (iii), (iv) and (v) above or a reasonable explanation of its absence it will be summarily rejected and that no appeal against its rejection will be entertained.

Candidates are hereby further warned that they must submit the documents which they have not submitted with their applications and for the absence of which they have given explanation in their applications soon after the submission of the applications. In any case they must be sent so as to reach the Commission's office one month

before the date of commencement of the Examination; otherwise their candidature for the examination will be rejected.

Candidates are also warned that they should in no case tamper with the entries in the documents submitted by them. Candidates found guilty of tampering are liable to be prosecuted, in addition to being permanently debarred from Commission's examinations and selections and from employment under Government.

(i) A treasury receipt for Rs. 81-8-0 (Rs. 19-10-0 in the case of candidates belonging to scheduled castes or scheduled tribes). The amount may be deposited in the nearest Government Treasury, or in a branch of the Imperial Bank of India, or in a State Treasury authorised to transact business on behalf of Government. (Amounts deposited at Bombay, Calcutta, Delhi or Madras should be deposited in the Reserve Bank of India instead of in the Imperial Bank of India). The Treasury or Bank should be asked to credit it to the account head "XXXVI—Miscellaneous Departments, Examination fees, Receipts of the Union Public Service Commission". Candidates must see by reference to the rules that they are eligible and must decide definitely to apply before depositing this fee in the treasury. The fee will not in any circumstances be refunded once an application has been considered by the Commission nor will it be held in reserve for any other Examination or Selection. The name of the examination and of the treasury at which the fee is deposited should be clearly entered in the treasury receipt. The treasury receipt should be on the form pertaining to Central Government transactions and should be obtained from the treasury at which the fee is deposited.

NOTE 1.—Candidates who are in the United Kingdom, the United States of America, Canada, Australia, Ceylon, Pakistan, Burma, or Malaya at the time of submitting their applications should deposit the amount of their prescribed fee [the equivalent fee of Rs. 81-8-0 (Rs. 19-10-0 in case of candidates belonging to Scheduled Castes and Scheduled Tribes)] in the office of India's High Commissioner, Ambassador or Representative, as the case may be, in that country and forward the receipt from that office.

NOTE 2.—Cash or cheques will not be accepted by the Union Public Service Commission.

NOTE 3.—All Postal Orders should bear the signature of the Issuing Post Master and a clear stamp of the Issuing Post Office. All Postal Orders should be *crossed* and made payable to Secretary, Union Public Service Commission at New Delhi Post Office and in no case will Postal Orders payable at any other Post Office be accepted. Defaced or mutilated Postal Orders will also not be accepted.

NOTE 4.—An application not accompanied by a treasury receipt or *crossed* Indian Postal Orders for Rs. 81-8-0 (Rs. 19-10-0 in the case of candidates belonging to scheduled castes or scheduled tribes) will be summarily rejected and no explanation for inability to send the treasury receipt or *crossed* Indian Postal Orders with the application will be considered. This does not apply to displaced persons seeking remission of the fee, *vide* paragraph 11 (ii) below.

(ii) *Evidence of age.*—The only proof of age ordinarily accepted by the Commission is the age or date of birth entered in the Matriculation Certificate or in the Secondary School Leaving Certificate, or in a certificate recognised by an Indian University as equivalent to Matriculation or in an extract from a Register of Matriculates maintained by a University, which extract must be certified by the proper authority of the University. The expression 'Matriculation Certificate' in this part of the instructions must be understood as including these alternative certificates.

Candidates will thus understand that the Matriculation Certificate is required in all cases as evidence of age, and it must invariably be sent to the Commission in original with a copy thereof together with the application.

Sometimes the Matriculation Certificate only shows the age by completed years or completed years and months. This may be sufficient by itself to show that the candidate is eligible by age to compete and, if so, nothing more is required. But if it is necessary for the candidate to prove the exact date of his/her birth (as will happen when his/her age is near to upper or lower limit) and the Matriculation Certificate does not show this, he/she must

send, in addition to the Matriculation Certificate, an original certificate together with a copy thereof, from the Headmaster of the High School which he/she first attend, showing the date of his/her birth or his/her exact age as recorded in the school admission register. In such circumstances an Anglo-Indian or an Indian Christian should send his/her original baptismal or birth registration certificate, together with a copy thereof, instead of the Headmaster's certificate.

A candidate who has passed the Matriculation examination as a private student, must submit, in addition to the Matriculation Certificate, a certificate from the Headmaster of the school, which he/she first attend, showing the date of his/her birth or his/her exact age as recorded in the school admission register, if no school was ever attended, a statement to that effect should be made against column 16 (a) of the application form. The application of a private student who can produce no evidence in support of his/her age stated in the Matriculation Certificate may be rejected.

Candidates are warned that unless complete proof of age in the form laid down in these instructions is sent with an application, the application may be rejected and the candidate disqualified for admission to the examination. Further, they are warned that if the date of birth stated in the application is inconsistent with the age shown in the Matriculation Certificate and no explanation is offered, the application may be rejected. [vide Note (4) below].

NOTE (1).—A candidate who holds a completed Secondary School Leaving Certificate need submit with the original a copy of only the page containing entries relating to age.

NOTE (2).—A transfer certificate from a school or college will not be accepted as evidence of age.

NOTE (3).—The age and Nationality Certificate, issued by some State authorities is not required.

NOTE (4).—Ordinarily, the Commission do not accept a date of birth other than that proved or supported by the Matriculation Certificate. If they do so, they require not only convincing proof of the date claimed but also a satisfactory explanation of the incorrect entry in the Matriculation Certificate. When once a date of birth has been claimed and accepted by the Commission for the purpose of admission to an examination, no change will be allowed at a subsequent examination. Candidates who wish to challenge the entry of their age in a Matriculation Certificate, must do so at the first opportunity. In such cases, a candidate must send direct to the Union Public Service Commission all the evidence on which he/she bases his/her claim, as soon as he/she has submitted his/her application.

NOTE (5).—Displaced persons, who have lost their original Matriculation Certificates in Pakistan, should obtain duplicate certificate from the University concerned. If they are unable to obtain the duplicate Matriculation Certificate from the University, they should submit an extract from the University Gazette in which their results were published showing their date of birth and certified by the Registrar or the Headmaster.

(iii) Character certificate.—Candidates must submit a certificate of character in original together with a copy thereof, from some person in authority (e.g., Principal, Proctor, Dean, etc.), at an educational institution which the candidate is attending or has attended for at least one year during the three years immediately preceding the date of his/her application.

The signatory of the certificate should give his designation in full.

NOTE 1.—Candidates who have not attended any educational institution for at least one academic year within three years of the submission of their applications may submit a certificate of character, in original with a copy thereof, from a Gazetted Officer in service.

NOTE 2.—Only one certificate of character is required.

(iv) Certificate of educational qualifications.—Certificate of diploma in original (with a copy thereof) showing that the candidate has one of the qualifications prescribed in the Rules. The certificate submitted must be one issued by the authority (i.e., University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted, the candidate must explain its absence, and submit such other evidence (in original) as

he/she can to support his/her claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

NOTE 1.—The originals of the certificates forwarded in accordance with paragraph 5 (ii), (iii), (iv) and (v) will be returned when the result of the application is communicated. Candidates are advised to keep attested copies of their certificates before submitting them to the Commission. The Commission cannot return the certificates earlier than the date of communication of the result of the application for whatever purpose they may be required, nor can they supply attested copies.

NOTE 2.—If the candidate has already submitted the certificates required in paras 5 (ii), 5 (iii), 5 (iv) and 5 (v) above in connection with another examination conducted by the Union Public Service Commission and if they have not yet been returned to him/her, he/she should mention the fact when submitting his/her application, and if possible enclose a copy of each certificate. If the certificates are not with the Commission, they should be sent with the application, irrespective of whether the candidate appeared at a previous examination conducted by the Commission or not. If any certificate cannot be submitted with the application, a reasonable explanation of its absence must be given in the application.

NOTE 3.—Candidates who have appeared at an examination the passing of which would render them eligible to appear at the examination but have not been informed of the result, may apply for admission to the examination. Candidates who intend to appear, at such a qualifying examination may also apply, provided the qualifying examination is completed before the commencement of this examination. Their applications will be accepted provisionally and they will be required to furnish proof of having passed the examination as soon as possible and in any case not later than the date of the commencement of the examination.

(6) The fact that an application form has been supplied, on whatever date, will not be accepted as an excuse for the late submission of an application or as evidence of the receiver's eligibility for admission to the examination.

(7) Every candidate for admission to this examination will be informed at the earliest possible date of the result of his/her application. It is not possible for them, however, to say when that result will be communicated. But, if a candidate does not receive from the Union Public Service Commission a communication regarding the result of his/her application one month before the commencement of the examination, he/she should at once write to the Commission. Failure to comply with this provision will deprive the candidate of any claim to consideration.

All returnable certificates or papers will be returned when the result of his/her application is communicated to the candidate.

(8) All communications in respect of an application should be addressed to the Secretary, Union Public Service Commission, Dholpur House, Post Box No. 186, New Delhi, and should contain the following particulars:—

Name of examination.

Month and year of examination.

Roll No. (if communicated to the candidate).

Name of candidate.

Address as given in application.

Communications not giving these particulars may not be attended to.

All envelopes containing applications and other correspondence concerning this examination should be superscribed with the words, "Engineering Services Examination, January 1953."

(9) Candidates must make arrangements to see that communications addressed to them at the addresses stated in their applications are redirected, if necessary. Also, any change of address should be communicated at once to the Secretary, Union Public Service Commission. Although the Union Public Service Commission make every effort to take account of changes in candidates' addresses they cannot accept any responsibility in the matter.

(10) Only candidates who are considered for appointment will be medically examined. The question of revising the regulations for the medical examination of candidates is under consideration at present and final decisions on this question will be announced in due course. Meanwhile, candidates are advised to consult a Government Medical Officer of the status of a Civil Surgeon as to their physical fitness before entering for the examination. A copy of the present Regulations for the physical examination of candidates is sent herewith. These regulations are published for the convenience of candidates and in order to enable them to ascertain the probability of their coming up to the required physical standard but they are not intended to restrict the discretion of medical examiners in any way.

(11) (i) A candidate who claims to belong to one of the Scheduled Castes or Scheduled Tribes should submit in support of his/her claim a certificate, in original, in the form given below, from the District Officer of the district in which his/her parents (or surviving parent) ordinarily reside at the date of his/her application or, if both his/her parents are dead, of the district in which he/she himself/herself ordinarily resides otherwise than for the purpose of his/her own education.

N.B.—(a) The term ordinarily reside used here will have the same meaning as in Section 20 of the Representation of the Peoples Act, 1950.

(b) Where the certificates are issued by Gazetted Officers of the Union Government or State Governments, they should be in the same form but countersigned by the District Magistrate or Deputy Commissioner. (Certificate issued by Gazetted Officers and attested by District Magistrate/Deputy Commissioner are not sufficient).

(ii) A displaced person seeking remission of the prescribed application and examination fee should forward along with his/her application his/her Refugee Registration card (in original) and a certificate (also in original) from a District Officer, or a Gazetted Officer of Government or a Member of Parliament or of a State Legislature to show that he/she is not in a position to pay the prescribed fee.

(iii) A displaced person claiming age concession should produce in original satisfactory evidence of being a *bona fide* displaced person, e.g., Registration Card or a Certificate from a responsible Gazetted Officer of the Central Government or the District Magistrate of the area in which he/she may for the time being be resident.

(12) (i) A person in whose case a certificate of eligibility is required should apply to the Government of India, Ministry of Railways, Works, Housing and Supply Communications, for issue of the required certificate of eligibility in his/her favour.

(ii) If a certificate of eligibility is not necessary in the case of a person who has migrated from Pakistan, he/she should produce an affidavit sworn before a first class Magistrate in one of the following forms, whichever may be applicable to him/her:—

1. "I declare that I migrated to India from areas which now form Pakistan before the 19th July 1948 and have ordinarily been resident in India since then."

2. "I declare that I migrated to India from areas which now form Pakistan after the 18th July 1948 but before the 30th September 1948 and have ordinarily been resident in India since then and I further declare that I had got myself registered as a citizen of India before the 26th January 1950."

3. "I declare that I migrated to India from Pakistan and entered the Union Services without a certificate of eligibility before the commencement of the Constitution, i.e., 26th January 1950, and am continuing in such service since then without a break."

(13) Copies of Pamphlets containing the rules, the question papers, the reports of examiners and the table of results of the examinations held previously by the Union Public Service Commission are on sale by the Manager of Publications, Civil Lines, Delhi and may be obtained from him direct.

Compendium of Rules.

1. (i) A candidate who is in permanent or temporary Government service shall apply to the Commission for admission to the examination through the Head of his/her Department, who shall forward his/her application to the Commission unless he refuses his consent to the application.

NOTE.—The submission of applications by persons in Government service is further governed by the Government Servants' Application for posts (Central Services) rules.

(Railway Services) Home Department

(published with the Government of India)

Railway Department

No. 189/43/Ests.,

Notification dated the

(Railway Board) 8th December 1943

No. E.34-R.R.I.,

corresponding rules made by State Governments. (ii) A candidate who is not in Government service shall submit his/her application direct to the Secretary, Union Public Service Commission.

(iii) No candidate may make more than one application in respect of any one occasion on which an examination is held.

2. A candidate must be either—

- a citizen of India, or
- a subject of Sikkim, or
- a person who has migrated from areas which now form Pakistan with the intention of permanently settling in India, or
- a subject of Nepal or of a Portuguese or French possession in India.

NOTE.—The appointment of candidates in categories (c) and (d) above will be subject to the issue of certificates of eligibility in their favour by the Government of India. Certificates of eligibility will not however be necessary in the case of candidates belonging to any of the following categories:—

- Persons who migrated to India from Pakistan before 19th July 1948 and have ordinarily been resident in India since then;
- Persons who migrated to India from Pakistan after 18th July 1948 but before 30th September 1948 and had got themselves registered as citizens within the time allowed;
- Non-citizens who entered service under the Government of India before the commencement of the Constitution, viz., 26th January 1950, and who have continued in such service since then. Any such persons who re-entered or may re-enter such service with a break, after the 26th January 1950, will however require certificates of eligibility in the usual way.

3. (a) (i) A candidate for the Indian Railway Service of Engineers the Central Engineering Service, Class I, the Central Engineering Service, Class II and the Telegraph Engineering Service, Class I, must have attained the age of

20 and must not have attained the age of 25 years on the 1st of August 1952.

(ii) Candidates already in service in the Posts and Telegraphs Department who are over the age of 25 and under the age of 30 years on the 1st of August 1952, may, however, be admitted to the examination for recruitment to the Telegraph Engineering Service, Class I, provided they either hold substantively a permanent post and are recommended by the Director-General of Post and Telegraphs, or hold the following categories of temporary posts in the Posts and Telegraphs Department—(1) Repeater Station Assistants, (2) Foremen and Assistant Foremen, Telegraph Workshops, (3) Temporary Assistant Engineers, Workshops, and have been in continuous service in these posts for a period of not less than two years on the 1st of August, 1952 and are recommended by the Director-General of Posts and Telegraphs.

(b) (i) A candidate for the Signal Engineering and the Electrical Engineering Departments of the Superior Revenue Establishment of Indian Railways must have attained the age of 21 and must not have attained the age of 25 years on the 1st of August 1952.

(ii) Candidates already in Railway Service, who are over the age of 25 and under the age of 30 years on the 1st of August 1952 may, however, be admitted to the examination for recruitment to the Signal Engineering and the Electrical Engineering Departments of the Superior Revenue Establishment of Indian Railways, if they hold substantively a permanent post and are recommended by their department or Office.

(c) The upper age limit prescribed in sub-rules (a) (i), (ii) and (b) (i), (ii) above will be relaxed:—

(i) up to a maximum of three years if a candidate belongs to a Scheduled Caste or a Scheduled Tribe or is a *bona fide* displaced person from Pakistan, and

(ii) up to a maximum of six years if a candidate belongs to a Scheduled Caste or a Scheduled Tribe and is also a *bona fide* displaced person from Pakistan.

Note 1.—“Scheduled Castes” and “Scheduled Tribes” mean any castes, communities, races, sects, etc., notified as such by the President of India.

Note 2.—The age limits prescribed cannot be relaxed in favour of any candidate.

4. A candidate must satisfy the Commission that his/her character is such as to make him/her suitable for appointment to the Service/Department.

5. A candidate must have—

(a) passed Sections A and B of the Associate Membership Examination of the Institution of Engineers (India) or have any other educational qualification recognised by that institution as exempting from passing these sections, *vide* Appendix I; or

(b) obtained an engineering degree of one of the universities mentioned in Appendix II under the conditions prescribed in that appendix; or

(c) passed the Associateship Examination of the City and Guilds Institute (Imperial College of Science and Technology, South Kensington) in Civil Engineering; or

(d) passed the Honours Diploma Examination in Civil, Mechanical or Electrical Engineering of the Loughborough College, Leicestershire, provided the candidate has passed the common preliminary examination or has been exempted therefrom; or

(e) obtained the diploma in Mechanical or Electrical Engineering awarded by the Swiss Federal Institute of Technology, Zurich (Eidgenössische Technische Hochschule);

(f) passed the Final Grade Examination in Electrical Engineering Practice (Parts I and II)—(Examination No. 52) of the City and Guilds, London, if taken on or before 24-11-49.

Note.—In exceptional cases the Commission may on the recommendation of the Central Government or a State Government treat as qualified candidate, a candidate who, though he/she has not all or any of the qualifications prescribed in this rule, has passed examinations conducted by other Institutions of a standard which in the opinion of the Commission justifies his/her admission to the examination.

6. The examination will be conducted by the Commission in the manner prescribed in Appendix III.

7. No candidate shall be admitted to the examination unless he/she holds a certificate of admission from the Commission.

The decision of the Commission as to the eligibility or otherwise of a candidate for admission to the examination shall be final.

8. No recommendations except those invited in the form of application shall be taken into consideration. Any attempt on the part of a candidate to obtain support for his/her candidature by other means may disqualify him/her for admission.

9. Candidates must pay such examination fees as Government may prescribe (*See* Appendix IV). No claim for a refund of any of these fees will ordinarily be entertained, nor can they be held in reserve for any other examination or selection.

10. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the discharge of his/her duties as an officer of the Service. A candidate who (after such physical examination as Government or the appointing authority as the case may be, may prescribe) is found not to satisfy those requirements will not be appointed. Only candidates who are likely to be considered for appointment will be physically examined.*

11. Officers recruited to the Indian Railway Service of Engineers, the Signal Engineering Department and the Electrical Engineering Department will be liable to serve in the Stores Department of the Superior Revenue Establishment or Indian Railways if and when required.

APPENDIX I.

List of Examinations recognised as exempting from Sections A and B of the Associate Membership Examination.

Aligarh University—B.Sc. (Eng.) from 1948; also degree prior to 1948 after a full three years' course.

Andra University—B.E. in Civil, Mechanical or Electrical Engineering from 1950.

Annamalai University—B.E. in Civil, Mechanical, Electrical or Chemical Engineering from April 1949.

Benares Hindu University—

B.Sc. in Engineering.

B.Sc. (Mining), B.Sc. (Met.)

Bombay University—B.E.

Calcutta University—B.E. in Civil, Mechanical or Electrical Engineering.

B.Met., B.E. (Met.)

East Punjab Engineering College, Roorkee—B.Sc. (Eng.).

Madras University—B.E.

Mysore University—B.E. in Civil, Mechanical or Electrical Engineering.

Osmania University, Hyderabad—B.E.

Patna University—B.Sc. (Eng.).

Poona University—B.E. in Civil, Mechanical or Electrical Engineering.

Punjab University—B.Sc. in Engineering.

Rajputana University—B.E. in Mechanical or Electrical Engineering.

Rangoon University—B.Sc. in Engineering.

Roorkee University—Degrees in Civil, Mechanical or Electrical Engineering.

Travancore University—B.Sc. in Engineering.

Bengal Engineering College—Associateship in Mechanical or Electrical Engineering.

College of Engineering and Technology, Bengal—

(1) B.M.E., B.E.E., B.Ch.E.; (2) Special Degree Examination up to April 1950; (3) Diplomas in Mechanical, Electrical or Chemical Engineering from 1941 onwards provided the candidate has passed the Intermediate Examination in Science of a recognized University with Mathematics, Physics and Chemistry.

*In order to prevent disappointment candidates are advised to have themselves examined by a Government Medical Officer of the standing of a Civil Surgeon before applying for admission to the examination. Particulars of the nature of the physical test to which candidates will be subjected before appointment and of the standards required can be had from the Commission.

College of Engineering, Guindy, Madras—Engineer Diploma in Civil, Mechanical or Electrical Engineering up to 1945.

Delhi Polytechnic—Diploma in Electrical or Mechanical Engineering of the All-India Council of Technical Education.

Indian Institute of Science, Bangalore—Certificate in Electrical Technology or Electrical Communication Engineering.

Indian School of Mines and Applied Geology, Dhanbad—Associateship Diploma from 1926.

MacLagan Engineering College—'A' Class Diploma in Honours Division (80 per cent or more marks) and First Division (65 per cent to 80 per cent) in Mechanical or Electrical Engineering from 1935, such proviso not being applicable to Diplomas obtained before 1935.

School of Military Engineering, Roorkee/Kirkee—(1) Corps of Engineers Officers' Degree Engineering; (2) Electrical and Mechanical Engineers Officers' Degree Engineering; (3) Corps of Engineers Officers' Supplementary Engineering Course for Military Officers up to 1953.

Thompson Civil Engineering College, Roorkee—Diploma in Civil Engineering (formerly Assistant Engineer's Certificate).

Adelaide University—B.E. in Civil, Mechanical or Electrical Engineering.

Birmingham University—B.Sc. in Civil, Mechanical or Electrical Engineering (Honours or Ordinary Degree).

Bristol University—B.Sc. in Civil, Mechanical or Electrical Engineering (Honours or Ordinary Degree).

Cambridge University—B.A. (Honours) in Mechanical Science Tripos.

Cape Town University—B.Sc. in Engineering.

Dublin University—B.A. I (Ordinary or with Honours in Engineering).

Durham University—B.Sc. in Civil, Mechanical or Electrical Engineering or Naval Architecture (Honours or ordinary Degree).

Edinburgh University—B.Sc. in Engineering.

Glasgow University—B.Sc. in Engineering.

Leeds University—E.Sc. in Civil, Mechanical or Electrical Engineering (Honours or Ordinary Degree).

Liverpool University—B.Eng. in Civil, Mechanical, Electrical or Marine Engineering or Naval Architecture (Honours or Ordinary Degree).

London University—B.Sc. (Internal or External Degree) Engineering (not including Metallurgy) (Honours or ordinary Degree).

B.Sc. (Internal) in Engineering (Mining) obtained in or after 1926.

B.Sc. (External) in Engineering (Mining) (Honours Degree) obtained in or after 1935.

Manchester University—Certificate in Technology in Mechanical or Electrical Engineering.

McGill University, Montreal—B.Sc. in Civil, Mechanical, Electrical, Metallurgical or Mining Engineering (Honours or ordinary Degree).

Melbourne University—B.C.E., B. Mech. E. or B.E.E.

National University of Ireland—B.E.

New Zealand University—B.E. in Civil, Mechanical or Electrical Engineering.

Oxford University—B.A. with Honours in Engineering Science, Final Honours School.

Queens University, Belfast—B.Sc. in Engineering.

Queensland University—B.E. in Civil, Mechanical or Electrical Engineering.

Sheffield University—

B. Eng. in Civil, Mechanical or Electrical Engineering (Honours or Ordinary Degree with a First Class will not be required for degrees obtained in or after June 1930).

B.E. (Mbt.) (Honours Degree).

South Africa University—B.Sc. in Engineering till 1921.

St. Andrews University—B.Sc. in Engineering.

Sydney University—B.E. in Civil or Mechanical and Electrical Engineering.

Victoria University, Manchester—

B.Sc. (Tech.) (Ordinary Course, Divisions I and II) in Electrical Engineering.

B.Sc. (Tech.) (Higher Course, Honours, or Ordinary Course, Division I) in Municipal Engineering.

B.Sc. (Tech.) Ordinary Degree obtained in or after 1930 in Municipal Engineering.

B.Sc. (Tech.) (Ordinary Course, Division I) in Mechanical Engineering.

B.Sc. in Engineering (Honours or Ordinary Degree) from 1925.

B.Sc. (Tech.) in Mechanical or Electrical Engineering (Honours in Final Examination).

Wales University—B.Sc. in Civil, Mechanical or Electrical Engineering.

Western Australia University—B.E.

Witwatersrand University, Johannesburg—B.Sc. in Civil, Mechanical or Electrical Engineering.

City and Guilds College, Kensington—A.C.G.I.

City and Guilds of London Institute, Technical College, Finsbury—Diploma or Higher Certificate (three years' course if taken by matriculated students or students who have passed the Institution Studentship Examination or its recognized equivalent).

Farraday House, London—Diploma in Electrical Engineering provided it is obtained by actually passing the examination.

Heriot-Watt College, Edinburgh—Associateship in Electrical Engineering.

Kings College, London—Diploma in Engineering.

Naval Officer's Examination which qualifies as Lieutenant (E).

Royal Naval College, Greenwich—Professional Certificate for Constructors.

Royal Technical College, Glasgow—Final Diploma Examination in Mechanical or Electrical Engineering provided an approved Matriculation Examination has been passed before beginning the course.

University College, London—Diploma in Engineering.

Institution of Civil Engineers—Sections A and B of the Associate Membership Examination.

Institution of Mechanical Engineers—Sections A and B of the Associate Membership Examination.

Institution of Electrical Engineers—Sections A and B of the Associate Membership Examination.

List of Diplomas and Degrees of American Engineering Institutions the curricula of which have been accredited by the Engineers' Council for Professional Development, New York, and which are recognised by the Institution of Engineers (India) for exemption from Sections A and B of their Associate Membership Examination. The diplomas and Degrees should have actually been taken after a full course of studies for not less than three years in such Institutions, any period of exemption granted by the Institutions being included in reckoning these three years. *

Explanatory Notes.

*With the exception of the chemical engineering curricula this list is corrected to October 24, 1947, and is subject to continual revision. It applies only to curricula which have been inspected by the committee on engineering schools, whether conducted on the usual plan of operation or on the accelerated plan. At the request of the council of the American Institute of Chemical Engineers, due to the effects of the war upon education in Chemical engineering, all accrediting of chemical engineering curricula ceased with the 1943 list. Until such time as reasonably normal educational activities in the chemical engineering fields have been resumed and re-examinations made no current list for this division of engineering will be published.

(a) Accrediting applies to the day and evening curricula.

(b) Accrediting applies to the 4-year and 5-year curricula leading to the bachelor of science degree.

(c) Accrediting applies to the co-operative curriculum only.

(c-r) Accrediting applies to both the co-operative and regular curricula.

(d) Accrediting applies to day and to 6-year evening curricula in the Cooper Union School of Engineering as submitted to ECPD.

(e) Accrediting applies only to curriculum as submitted to ECPD, and upon completion of which a certificate is issued by Harvard University certifying that the student has pursued such a curriculum.

(f) The accrediting of a curriculum in general engineering implies satisfactory training in engineering sciences and in the basic subjects pertaining to several fields of engineering; it does not imply the accrediting, as separate curricula, of those component portions of the curriculum such as civil, mechanical or electrical engineering, that usually are offered as complete professional curricula, leading to degrees in these particular fields.

(g) On July 24, 1940, Illinois Institute of Technology was formed by the consolidation of Armour Institute of Technology and Lewis Institute. Curricula now listed under Illinois Institute of Technology were listed under Armour Institute of Technology before October, 24, 1940.

APPENDIX II

List of University degrees which will be recognised for admission to the examination (vide paragraph 5 (b).]

Cambridge.—Ordinary degree B. A. in Engineering provided the graduate has passed in the principal subjects, Engineering I, Engineering II and Engineering III.

Glasgow.—B. Sc. in Naval Architecture (Honours or Ordinary degree).

Durham.—B.Sc. in Marine Engineering.

Aberdeen.—B. Sc. Engineering (Honours or Ordinary degree).

Note.—The above degrees will be accepted only if taken after three years study and the passing of the regular examinations in the several Universities. The conditions as to these years study will not, however, apply to Indians who having taken an Indian degree, which exempt them from part of the University course, shall have taken one of the above degrees in less than three years in accordance with the regulations of the University concerned.

APPENDIX III.

The subjects of the Examination will be as follows:

A. *The Indian Railway Service of Engineers*—

Subjects	Marks
(a) <i>Compulsory</i> —	
(1) English (including Essay and Precis writing).	100
(2) General Knowledge	100

List of Accredited Curricula of Technical Institute Type.

Academy of Aeronautics (La Guardia Field, N. Y.):—Air craft design and construction (resident full-time programs and resident part-time evening programmes) aircraft mechanics and maintenance (resident full-time programs and resident part time evening programmes).

Aeronautical Institute (Hawthorne, Calif):—Electrical engineering.

Aeronautical University, The (Chicago, Ill):—Aeronautical engineering drafting.

Bliss Electrical School (Washington, D. C.):—Fundamentals of Industrial electrical engineering.

(1) Prime Movers ...	100
(2) Physics (including Electricity and Magnetism).	100
(3) Mechanical Engineering	100

Notes to Appendix III.

A candidate who takes Surveying as a subject must produce a certificate that he/she has undergone satisfactory training in Surveying including practical surveying in a college or institution recognised by the Commission for the purpose of admission to the competitive examination for the Service. The training must be equivalent to that given in the full course for a degree or diploma in Civil Engineering. The certificate must be signed by the Principal of, or the head of the department of Surveying in, the college or institution.

For this purpose the Commission will ordinarily accept a certificate from any college or institution mentioned in paragraph 5 of the compendium or in Appendices I and II, or from any college which is affiliated to any University mentioned in the same paragraph and Appendices. The Commission, however, reserve to themselves the power not to accept any certificate if they are satisfied that the practical training referred to therein falls short of the requirements of the Service, and their decision in the matter will be final.

2. The standard and syllabus of the examination will be such as the Commission shall prescribe and the Commission shall, if they think it desirable, determine what shall be the qualifying marks in all or any of the subjects of the examination.

If owing to the large number of candidates appearing, the Commission consider it impracticable to examine all candidates in *viva voce* and personality test, the Commission may, in their discretion, after the written marks have been compiled, summon for *viva voce* and personality test only those candidates who have obtained in the written test the qualifying mark which may be prescribed by the Commission.

No candidate will be considered to have qualified at the examination unless he/she obtains at least :—

(1) 40 per cent of the total marks for the compulsory subjects, excluding *viva voce* and personality test and (2) 35 per cent of the total marks for the *viva voce* and personality test.

3. From the marks assigned to candidates in each subject such deduction will be made as the Commission may consider necessary in order to secure that no credit is allowed for merely superficial knowledge.

4. If a candidate's handwriting is not easily legible, a deduction will be made on this account from the total marks otherwise accruing to him/her.

5. Credit will be given for good English, including orderly, effective and exact expression combined with due economy of words in all subjects of the examination and not only in subjects which are specially devoted to English.

6. Special attention will be paid in the *viva voce* and personality test to assessing the candidates' capacity for leadership, initiative and intellectual curiosity, tact and other social qualities, mental and physical energy, powers of practical application and integrity of character.

APPENDIX IV.

Fees.

Candidates must pay the following fees—

A. To the Commission—

(i) Re. 1 when asking for application forms and connected documents. This amount should be remitted to the Commission by Money Order. Local candidates may pay cash at the counter.

(ii) Rs. 81-8-0 (Rs. 19-10-0 in case of candidates belonging to Scheduled Castes or Scheduled Tribes) with the completed application form. This amount should be paid by sending a treasury receipt or CROSSED Indian Postal Orders payable to the Secretary. Union Public Service Commission.

NOTE 1—The Commission cannot accept any payments not made in the manner indicated above.

NOTE 2—The Commission may at their discretion remit the prescribed fee where they are satisfied that the applicant is a *bona fide* displaced person and is not in a position to pay the prescribed fee. The fee of Re. 1 must, however, be paid even by a displaced person when asking for forms. This amount will be refunded to him/her if on receipt of his/her application, his/her claim to be a displaced person is accepted by the commission and his/her fee is remitted.

B. To the General Manager of the Railway concerned—

Rs. 16 before examination by a Medical Board (only for candidates being considered for appointment).

No claim for a refund of these fees will ordinarily be entertained nor can they be held in reserve for any other examination or selection.

A refund of Rs. 75 (Rs. 18-12-0 in the case of candidates belonging to the Scheduled Castes or Scheduled Tribes) will, however, be allowed to a candidate who has paid the consolidated fee of Rs. 82-8-0 (Rs. 20-10-0 in the case of candidates belonging to the Scheduled Castes or Scheduled Tribes) but who is not admitted to the examination by the Commission.

Standard and Syllabus.

The standard of papers in English and General Knowledge will be such as may be expected of an Engineering Graduate. The standard of papers in other subjects will approximate to that of an Engineering Degree examination of an Indian University. There will be practical examination in any of the subjects.

All answers must be written in English.

1. ENGLISH.—Questions to test the understanding of and the power to write English. Passages will usually be set for summary or precis.

2. GENERAL KNOWLEDGE.—Including knowledge of current events and of such matters of every day observation and experience in their scientific aspects as may be expected of an educated person who has not made a special study of any Scientific subject. The paper will also include questions on Indian History and Geography of a nature which candidates should be able to answer without special study.

3. APPLIED MATHEMATICS.

Statics.—Vectors, Notion of force, Gravitational or Engineer's unit of force. Various kinds of forces. Friction : Composition and resolution of concurrent forces. Moments. Parallel forces and centres of gravity, couples. Conditions of equilibrium of non-current coplanar forces. Funicular Polygon.

Kinematics.—Units of space and time. Rectilinear motion ; motion of a projectile ; angular motion ; relative motion, simple harmonic motion.

Kinetics.—Newton's Laws. Absolute system of units. Linear momentum. Impact of elastic bodies. Impulse and impulsive forces. Angular momentum ; moments of inertia and radii of gyration ; impulsive torque. Centrifugal forces. Conical pendulum. Motion of the centre of mass. Cant on railway curves and banking of road-tracks. Hoop stress and stress in the rim of a fly-wheel.

Work, power, kinetic and potential energy. Principle of energy. Kinetic energy due to rotation. Works done by a couple. Principle of Virtual work. Simple machines, mechanical advantage, and velocity ratio. Stable and unstable equilibrium. Deflection in a framed structure. Oscillations. Simple and Compound pendulum. Units and dimensions.

Hydrostatics.—Fluid pressure, its transmission, and measurements, density ; specific gravity ; metric system of units ; resultant pressure ; centre of pressure ; equilibrium of floating bodies ; metacentre. Laws of Boyle and Charles. Mixture of gases. Nature and action of simple hydraulic machines.

4. APPLIED MECHANICS.

(a) Buildings.

Consideration of materials used in the construction of roof-trusses. Steel and timber. Determination of stresses in trusses by various methods. Dead-loads and wind pressure. Factors of safety and working stresses.

Design of roof-trusses. Various types of roof-trusses and roof coverings ; collar beam and hammer beam trusses.

Use of Euler's, Gordon's, Rankine's, Fidler's, Johnson's and straight line formulæ in the design of struts. Buckling factor of struts ; curves showing comparative strength of struts obtained by various formulæ. Choice of size of sections. Finish of steel work. Joints. Design of end bearings ; methods of fixing and supporting ends.

Application of circle and ellipse of stress and Clapeyorn's theorem to design of structures.

Cast Iron and Steel Columns.—Flange and web connections to steel columns ; caps ; bases ; transverse bracing of columns.

Foundations.—Safe pressures ; foundations for columns. Slab foundations ; cantilever foundations ; Grillage foundations. Wells. Piles.

Retaining Walls and earth pressures.—Rankine's theory, Wedge theory, Winker's and Bligh's graphical constructions, with corrections. Design of various types of retaining walls in masonry.

Tall Masonry and steel Chimneys.—Theory and design.

Design of steel and masonry.—Reservoirs with considerations of wind pressures.

Deflection of framed structures and determination of stresses, etc., in redundant frames.

Influence diagrams for bending moment and shear for uniformly distributed and irregular loads on trusses, built-in-beams, and three-pinned, parabolic, semi-elliptic and semicircular arches.

General principles of dome design.

Principles of Buildings Design : consideration of loads on buildings. Steel Works, girders, etc., for buildings.

(b) Bridges.

Design of superstructure. Determination by graphical and analytical methods of bending moment due to moving loads. Wind pressures.

Design of masonry bridges and culverts.

Plate-web girders. Analysis of stresses.

Warren and lattice girders.

Three-pinned arches ; doubly pinned and rigid arches.

General considerations on the design of suspension, cantilever, and tabular bridges. Steel-arched bridges. Swing bridges.

(c) *Reinforced Concrete.*

Shear, bond and diagonal tension, its nature, evaluation and location of reinforcement.

Design of simple and doubly reinforced beams and continuous beams.

Theory and design of reinforced concrete columns and piles.

Design of slab foundations.

Design of simple cantilever and counterfort retaining walls.

Equivalent moments of inertia for reinforced concrete sections.

Theory of elastic deflections and outline of investigation of stresses in reinforced concrete arches.

(d) *General.*

Analysis of stress, analysis of strain, elastic limit and ultimate strength. Relation between the elastic constants. Launhardt-Weyrauch formula for working stresses in a structural member and determination of its cross-sectional area. Repetition of stresses. Bending moment and shearing force diagrams for dead loads. Graphical determination of stresses in frames; effect of wind pressure; method of sections. Stress in the cross section of a beam due to bending ($M/I \cdot y/E/R$): compound and conjugated stresses. Rankin's theory of earth pressure; depth of foundations; and strength of footings. Grillage foundations; Coulumb's theory of earth pressure; modification due to Rebahn.

Bending moment and shearing force diagrams for life loads. Analysis of uniform and uniformly varying stress. Elastic theory of bending of beam; bending and shear stresses in beams. Modulus of section and equivalent areas. Maximum and minimum stresses in a joint due to eccentric loading. Stresses in dams and chimneys. Stability of block-work structures. Design of revetted joints and stresses in boiler shells. Euler's theory concerning struts; modifications due to Rankine, Gordon and others. Torsion. Combine torsion and bending deflections. Encastre beams. Continuous beams and theorem of three moments. Elastic theory of arches. Masonry arches.

5. ELECTRICAL ENGINEERING.

Direct Current.—Principles of generators and motors. Types and characteristics. Starting and controlling appliances. Methods of testing of generators and motors. Operation in parallel of direct current generators. Types and general features of primary batteries. Testing of primary batteries. Types and testing of storage batteries. Method of charging. Boosters and other auxiliary appliances.

Alternating Currents.—Production of alternating currents. Frequency and wave shape. Graphic representation of current, voltage and power in A. C. Circuits. Maximum and "R.M.S. Value" of simple sine wave. Effect of resistance inductance and capacity in A. C. circuit. Power and power factor in A. C. circuit. Single phase and poly-phase currents. Connections of poly-phase systems. Power Measurement in poly-phase circuits. Theory of alternator and its regulation. Parallel running. Theory of transformer. Transmission of poly-phase currents. Synchronous motors and Induction motors. Methods of starting. Efficiency and characteristics. Circle diagrams and testing of motors. Improvement of power factor. Motor converter and rotary converter and methods of starting of rotary converter. Principle of automatic voltage regulator.

Electrical Instruments and Measurements.—Principles of construction and theory of measuring instruments for direct and alternating currents. Commercial types. Calibrations of instruments. Measurements of resistances. Ohmmeters. Types of bridges for measuring resistances. Potentiometer. Phase and frequency meters. Synchronoscope. Types of Wattmeter.

Transmission and Distribution of Electrical Energy.—Systems of supply. Economic voltage and size of conductor. Formulae for determination of size of conductor for standard

systems of distribution, the load, voltage etc., being given. Factors influencing voltage drop in D.C. and A.C. transmission lines. Influence of power factor of the load on voltage regulation of a transmission line. Standard equipment on generator and motor control panels for different types of D.C. and A.C. generators and motors.

6. PHYSICS INCLUDING ELECTRICITY AND MAGNETISM.

Heat.—The methods of calorimetry and thermometry. Vapour pressures, critical temperature and pressure. Conduction and diffusion of heat and the determination of constants. Radiation and absorption; laws of cooling. Theory of exchanges; methods of measuring radiation, laws of thermodynamics; simple applications.

Light.—Velocity of light. Illumination; photometry. Achromatism in lens system; direct-vision spectroscopy.

The wave theory; simple interference phenomena, Huygen's principle, explanation of straight line propagation, reflection, and refraction of light. Action of mirror, lenses, etc., reviewed from this standpoint. Simple diffraction phenomena. Gratings and wave-lengths determination. Spectrum analyses; Doppler's principle. Double refraction and polarization of light; rotary polarization; simple application.

Magnetism.—Forces on a magnet in a magnetic field. Determination of axes and moment of magnet. Magnetic potential, level surfaces. Interaction of two short magnets; determination of field strength. Magnetic shell; its potential energy in magnetic field. Total normal induction, Gauss' theorem: number of lines of force. Magnetic induction in iron, etc. Theory of magnetism.

The magnetic field of the earth; the elements and their variations; the compass and its corrections.

Electricity.—Electric capacity; specific inductive capacity. Distribution of electricity on surface of conductors; images. Value of electric force in simple cases of distribution. The mechanical force on charged conductors, energy of electrified systems. The dielectric medium dielectric displacement currents.

Wheatstone's bridge, specific resistance; resistance thermometers. Conductivity of electrolytes; ionization; migration phenomena; accumulators. Standard cells; the potentiometer system of measurement. Thermo-electricity, application of thermo-dynamics; thermo-electric diagrams. Electro-magnetic induction; coefficients of induction; induction coils. Energy of circuit carrying current when placed in a magnetic field; mechanical force on conductors carrying current; moving coil instruments. Lenz's law; illustration from dynamos and motors, etc. Determination of current resistance; E.M.F. in absolute measure. The discharge of a condenser; electric waves. Elementary theory of the electron.

The elementary theory of the continuous current dynamo and motor and of the alternating current dynamo. General principles of the application of electricity to lighting power; transmission; telegraphy, etc.

Sound.—The transmission of energy through material media by wave-motion; speed of propagation of waves of permanent type. Nature of musical sounds; pitch; scales. Reflection and refraction of sound; influence of wave-length. The vibration of strings, bars, plates and gas columns, resonance. Interference and diffraction phenomena. Analysis of sound. Measurement of wave-length, velocity and pitch.

7. PRIME MOVERS.

Fuel Gas Plants and Boilers—

Fuel—

(a) Coal, wood, petroleum, gas, petrol, alcohol, etc., physical characteristics, approximate chemical composition; heat of combustion.

(b) Gas Plants.—Gas producers; pressure and suction plants; arrangement and working.

(c) Boilers.—Draught; natural forced and induced. Ordinary forms of stationery, locomotive, marine, water-tube, and other type; heating surface, firegrate area; boiler efficiency; superheaters; feedwater heaters; accessories and management.

Theory of Heat Engines—

(a) Thermodynamical principles; Carnot's cycle perfect heat engine; second law.

- (b) Air engines.—Stirling and other forms.
 - (c) Internal Combustion Engines.—Gas, oil and petrol engines; types and working; features of cycles. Proportioning of mixtures; efficiencies.
 - (d) Steam.—Thermodynamics of the generation, expansion and condensation of steam; heat diagrams, etc.
 - (e) Steam Engines and turbines, with special reference to modern developments.
 - (f) Refrigerating Plants.—Theory and general arrangement of the more common types.
 - (g) Air Compressors.—Theory of pneumatic working.
- Generating Plants, Accessories and Details—*
- (a) General arrangements and construction of the more important types.
 - (b) Condensers, air-pumps, circulating pumps, cooling tanks, etc.
 - (c) Carburettors and systems of ignition.
 - (d) Cylinders, pistons cross heads, guides connecting rods, cranks, governors, fly-wheels, valves, and valve gears, glands and pipes.
 - (e) Engine-Testing.—Consumption of steam and fuel, gas and oil; brakes and dynamometers; indicators and indicator diagrams.

8. HYDRAULICS AND HYDRAULIC MACHINES.

Hydraulics.—Definitions relating to flow of water streamline motion. Bernoulli's theorem, Venturimeter.

Flow of water through small and large orifices; drowned orifices; sudden enlargements and contractions in flow of water. Time of emptying tanks. Flood absorptive capacity of tanks.

Flow of water over notches and weirs.

Flow of water through pipes; hydraulic gradients; losses of head due to bends, contraction and sudden enlargements; losses of head through siphons. Impacts at bends and thrust blocks.

Flow of water in open channels and in pipe; Chezy Basin, Kutters and other formulae and their applications; cross sections of greatest efficiency.

Calculations of afflux and back water curve.

Gauging the flow of water in open channels; water-meters.

Hydraulics and hydrostatics of weirs and other canal works.

Hydrokinetics; uniform and steady flow streamline and turbulent motion. Bernoulli's theorem and its application.

Discharge through orifices and mouth pieces, and over notches and weirs. Variable heads. Laws of fluid friction. Head lost due to friction.

Hydraulic Machinery.—Impact of water on fixed and moving vane. Turbines; impulse and reaction. Description of different types of turbines. Determination of vane angles. Efficiencies of turbine plant. Governing.

Pumps.—Reciprocating, centrifugal and turbine.

9. CONSTRUCTION.

(i) Building Materials.

Stones.—Selection. Characteristics. Indian and European stones. Quarrying. Blasting. Dressing stone. Implements.

Bricks and Tiles.—Classes of bricks and their distinguishing qualities. Moulding. Drying and stacking. Brick-burning. Types of Kiln. Firebricks, Terracotta. The Tile manufacture.

Cements, Limes and Mortars.—Use of mortar, Natural and artificial cements. Varieties of Limes. Hydraulicity. Burning. Clamps. Kiln. Whitewash distemper. Concrete. Portland cement.

Timber.—Growth of trees. Felling trees. Classification and properties of Indian and other woods. Most suitable woods for particular purposes.

Stone Masonry.—Ashlar of various sorts. Block-in-course. Bonds. Dressing-stone. Rubble masonry. Safe loads. Lewis Dowel. Joggle. Cramp. Template Scaffolding. Shears Derrick Gyn. Gantry.

Brick Masonry.—Types and their uses. Bond Closers. Bedding. Moisture Scaffolding. Precautions against settlement. Racking back. Plastering. Pointing. Coping. Cornice. Blocking course. Parapet. Eaves course. Corbel Linted Jamb. Reveal. Sill. Footing. Drip-course. Pise walling. Dhajji walling. Hollow masonry. Reinforced brickwork.

(ii) Design of Structures.

Buildings.—Design of a residential bungalow; with special reference to selection of site, construction of walls, damp-proof courses, water supply, drainage and ventilation.

Fire-Proof construction.

Reinforced brick-work design; beams, floors, etc.

Thomson's principles of similar structures as regards their strength, stability, deflections, etc.

Bridges.—Selection of size determination of discharge of river by consideration of area of watershed, intensity or rainfall, and by zoning. Waterway to be provided. Depth of scour.

Design of foundation. Box; crate; well; pile; continuous masonry; reinforced concrete slab Piers ordinary and abutment. Floors and curtain walls.

Reinforced Concrete.—Nature, uses, properties, advantages and disadvantages of Reinforced Concrete over other types of construction. Assumption made in theory of stores in reinforced concrete beams.

Theory and design of simple beams. T-beams and slabs for different conditions of loading.

(iii) General principles governing the design of Railways, Roads, Harbours and other works.

Roads.—Formation and permanent-way. Types of roadways. Hill roads. Ruling gradients. Resistance of vehicles. Drainage. Tramways.

Railways.—Formation and permanent way. Gauges. Tractive force. Tunnelling. Light railways and mountain railways.

River training work.—Spurs. Groynes.

Bell bunds. Streamline Bunds. Mattresses. Aprons.

Miscellaneous.—Piles and pile-driving sheet and screw-piling. Diving operations, reclamations and dredging. Retaining walls. Depth of foundation. Counterforts and buttresses. Revetments. Construction and sinking of Masonry wells. Simple masonry dams. Technical names of various parts.

10. SURVEYING.

Surveying.—Construction of Scales, Conventional signs. Use and adjustment of instruments. Theory of levelling; Simple, compound check and reciprocal levelling. Various causes of errors in levelling. Elimination of such errors. Customary limits for errors. Method of keeping various styles of fieldbooks. Use of boning rods. Chain survey. Chain and compass survey.

Theodolite. Traversing by Gale's travers system for city and town improvement surveys. Source of errors and required precision in traversing. Traverse tables. Theory and use of the simple plane-table and tangent clinometer, with and without the magnetic compass. Theory and use of the stadia method of plain tabling with levelled heights and reductions of distances and heights by slide rule. The three point problem or plane-tabling by resection from within and without the triangle Geometrical and trigonometrical proof of the three-point problem. The two-point problem with and without the magnetic compass. Triangulation with reciprocal value; heights of stations; base line measurements. Finding values of position by observations to three known points. Computation by rectangular co-ordinates with convergency correction.

Contouring the triangulated areas by heights calculated from the reduced levels. Longitudinal and cross sections run with a level. The location on the map of a road, railway, canal or weir, etc. The general principles of tunnel alignment and of carrying surface meridians underground for mine-surveys. Discussion on the latest patterns of instruments.

Practical Astronomy.—Introduction to spherical trigonometry up to the solution of the spherical triangle and the adaptation of Napier's rules of circular parts. Definitions; systems of celestial co-ordinates; the reason for sidereal sun and mean time; acceleration, retardation and equation of time. The Julian and Gregorian calendars; time and the various astronomical corrections.

Finding the meridian of a place by observations to the sun or a star at upper culmination by equal altitudes, by the sun or stars not in the meridian, and by circumpolar stars at elongation; and finding time by the sun or stars

on the meridian and ex-meridian; finding latitudes by Polaris and circum-meridional observations. Use and construction of sundials.

Railway curves and Alignments.—Theory of curves. Curves laid out with the aid of angular instruments with one theodolite. Curves laid out by linear measurement, only. Bychords and offsets (several methods). By offsets inside the curve. Curve by ordinates from the long chord. Curve with certain given data to pass through a ruling point. Compound curves: Diversion curve: Vertical curves: Curves spiral or transition curve double centre method for laying out a straight line. Setting on pegs for earth work. Computation of areas of cross sections, etc.

11. SANITARY ENGINEERING AND WATER SUPPLY.

General.—Elementary Bacteriology and Chemistry of Water and sewage.

Water Supply.—History and development of public water supplies; sources of supply. Standards of purity for public water supplies. Quantity supplied per capita. Intakes Pumping and gravity schemes. Water towers. Purifications, slow and rapid sand filtration. Sterilisation. Clear water reservoirs, Softening Pipes, Valves and fittings. Distribution of water. Detection and prevention of waste. Metering.

Sanitation.—Site and orientation of buildings. Damp proof courses ventilation. Air conditioning. House drainage Conservancy and water-borne systems. Sanitary appliances. Constructions and testing of house drains. Pail depots. Public latrines and urinals.

Prevention of Malaria incidental to engineering construction.

Sewerage.—Separate combined and partially separate systems. Forms cross-sections, capacities and inclinations of sewers. Construction of sewers. Calculation of storm water. Storm water overflows. Syphons Lifts ejectors and pumps for sewage. Manholes and lamp eyes. Flushing of sewers.

Sewage disposal.—Characteristics and composition of sewage. Essentials with regard to sewage treatment Selections of site for disposal works. Disposal at dilution and treatment. Simple sedimentation and chemical precipitation Contact beds. Percolating filters. Septic tanks. Imhoff tanks. Activated sludge process. Sludge disposal by various methods.

Refuse.—Collection and disposal of refuse.

12. ELECTRICAL COMMUNICATION ENGINEERING.

(A)—Telegraphy.

1. Morse Telegraph Apparatus.—Description of Signaling keys, Sounders. Relays, Galvanometers. Balancing boxes Switches, etc., and their use in Morse Telegraphy.

2. Morse Circuits.—(a) Arrangements of apparatus and circuit connection for Simple and Differential and Aridge Duplex working terminal and Repeater offices. Single current and Double current working.

(b) General principle of Quadruplex working.

3. Multiplex Telegraphy.—(a) Principle of Multiplex Baudot printing Telegraph. Different methods of working the Baudot system. Double and quadruple working. Description of principal apparatus used in Baudot Telegraphy including Retransmitters. Tape Transmitters. Keyboard Perforators, etc., and their use.

(b) Teleprinter working. General principle of the "Stop Start" system of working. Teleprinter and its principle of action. General knowledge of its Principle parts.

4. Testing of Lines and Cables and details of apparatus employed for such tests.

5. Power arrangements for Telegraph and Telephone Offices. Use of Motor Generators, Rectifiers, Charging Boards Primary Cells and Accumulator.

6. Elementary Principles of Construction of Telegraph Lines.—Description of Underground and Underwater Cables. How they are manufactured and laid.

(B) Telephony.

Manual System.—General principles of Magnetic, Semi-Central Battery, and Central Battery systems of working.

Details of Exchange and Sub-office apparatus, and their circuit diagrams including Private Branch office equipments, Protective devices in Exchange and sub-office and at Cable and Line Terminals. Details of Party Line working with Selective ringing.

2. Automatic Systems—General principles of well-known systems of Automatic Exchanges Schematic Circuit diagrams or principal Exchange equipments. Automatic branch Exchanges. Details of Subscribers, Apparatus for the above systems.

3. Telephone Transmissions.—Principle of Transposition of Telephone Circuits. Prevention of Inductive interference on Telephone Circuit Characteristics of Telephone Circuits, Impedance of Telephone Circuits, and its measurement Attenuation and Wave length Constants. Decibel and Neper. Mile Standard Cable Transmission loss measurement. Wave filter Carrier Current working Telephone Repeater.

Thermionic Valves and their use in Telephony.

(C) Radio Telegraphy and Telephony.

1. General details of Oscillatory Circuits, Natural Frequency and Wave-length. Logarithmic decrement. Forced Oscillation.

Long Wave and Short Wave Radio working. Points of difference between the two systems.

Various methods of Reception and Transmission of Electro-magnetic waves. Different types of detectors and their adjuncts.

Thermionic valves as used on wireless Telegraphy and wireless Telephony. Valve as Detectors, Amplifiers. Rectifiers, Modulators and Oscillation Generators. Details of Transmitting and Receiving Circuits. Radiation of Electromagnetic Waves. Atmospheric effects. Fading. Power plant for Wireless offices. Elementary principle of design of Aerials and Earths or Long and Short wave systems. Directional Transmission and Reception.

13. MECHANICAL ENGINEERING.

Theory of Machines and Machine Design.

Kinematics.—Methods of determining the relative velocities of parts in machines, by calculation and by graphic methods. Velocity and acceleration diagrams for the ordinary reciprocating engine and for quick return motions. Velocity ratios for toothed gearing including epicycle gears. Velocity and acceleration in cam gears.

Kinetics.—Balancing of rotors and of reciprocating engines. Crank effort diagram of engines, and speed variation of fly-wheels. Governors, Simple cases of vibration problems. Whirling of shafts and torsional oscillations.

Friction.—Power transmitted or absorbed by belt drives and brakes. Friction in gearings. Friction and lubrication of journal and thrust bearings, ball and roller bearings. Screw gears.

Design of fastenings and Machine Parts. Proportions for riveted, bolted and welded joints and fastening, pipe connexions—cranks, rods and levers, valves, pipes and cylinders, bearings, couplings, shafts, and keyways. Tooth profiled.

Properties and Strength of Materials.

Stress and strain in tension, compression, and shear.

Hooke's law, Relations between elastic constants.

Simple cases of combined stress in two dimensions.

Circle diagram.

Compound bars in tension and compression. Elementary consideration of stress due to temperature changes.

Riveted and welded joints.

Thin cylindrical and spherical shells under internal pressure.

Stressed in thick-walled cylinders under internal and external pressure.

Bending moments and shearing forces.

Simple theory of beams.

Slope and deflexion of cantilevers and freely supported beams for simple cases of loading.

Torsion of round bars. Transmission of power by shafts.

Simple cases of combined bending and direct stress and combined bending and torsion.

Work done in elastic deformation. Strain energy. Stresses due to suddenly applied loads.

Laminated springs and close coiled helical springs.

Elementary theory of strut with use of empirical formulae.

The mechanical properties of materials.—Composition and properties of the important metals used by engineers. Effects of heat treatments, annealing, and normalising. The effect of cold work on the properties of metals. Elasticity, plasticity, ductility, tenacity, hardness, resistance to shock resistance to repeated and alternating stress. Creep at elevated temperatures. Common types of machine and instruments for the investigation of mechanical properties. Forms of specimen, procedure in carrying out tests, and methods of expressing results.

Heat Engines.

Physical properties of steam; steam tables and their use. Fundamental laws of thermodynamics. Reversible and irreversible process. Ideal and actual cycles. Construction and use of temperature-entropy and heat-entropy charts. Behaviour of steam in engine cylinders. Jacketing. Superheating. Compounding. Horse power and steam consumption.

Testing of engines. Indicators and indicator diagrams. Combination of indicatory diagrams for multiple-expansion engines. Brakes and Brake horse-power. Mechanical and thermal efficiencies. Steam consumption and heat balance for steam plants. The steam turbine. Steam flow in nozzles and blading. Calculations relating to blading and horse-power. Steam cycles in modern power plants. Regenerative feed heating and steam reheating cycles. Condensing plants; Jet and surface condensers. Air pumps. Air ejectors. Condensate extraction pumps. Fuels, Combustion; air supply and regulation. Analysis of flue gases. Boilers. Super-heaters. Economisers. Air preheaters. Furnaces. Boiler trials. Valve, Valve gear and valve diagrams Governing. Crank effort diagrams. Fly-wheels. Balancing of engines.

The laws of perfect gases. Expansion and compression. Ideal cycles applicable to the internal combustion engine, and their representation by pressure volume and entropy temperature diagrams. Air standard efficiencies. Comparison of actual and ideal efficiency.

General properties of liquid and gaseous fuels. Calorific value and its determination. Combustion. Calculation of air fuel-ratios. Use of exhaust gas analysis. Volumetric efficiency. Gas producers.

The classification and cycles of operation of gas engine, petrol engines and heavy oil engines. Character of combustion process.

The general construction of internal combustion engines. Carburettors Electrical ignition systems. Fuel pumps and injection systems. Governors and fuel control. Superchargers.

The mechanics of internal combustion engine-speed fluctuation—Balancing.

The testing of internal combustion engines. Apparatus and procedure. Indicators. Characteristics of indicator diagrams Fuel consumption and heat distribution. Engine losses. The representation and interpretation of test results.

Hydraulics and Hydraulic Machinery.

Pressure of water at a point. Centre of pressure. Pressure on a surface. Flow of water through orifices, notches, and weirs. Laws of fluid friction. Steady flow in pipes and uniform channels. General phenomena of flow in rivers. Gauging of flow in pipes and open channels. Dynamical similarity. Impact of jets on planes. Types of turbines. General principles of design of turbines. Governing of turbines types of pumping machinery. General principles of design of centrifugal pumps. Hydraulic cranes and hoists Hydraulic transmission gear. General principles of hydraulic transmission of power.

14. ARCHITECTURE AND TOWN PLANNING.

A. Architecture—

1. History of Architecture—

Western: The chief periods and styles from ancient Greek to modern.

Indian: Buddhist, early Hindu, Muslim and modern.

2. Theory of Architecture—

General principles. Elements of composition. Accommodation and circulation. Balance and proportion. Function. Harmony and contrast. Style.

3. Architectural Construction—

Drainage. Foundations, Materials. Walls. Roofing—beams, arches and vaults—minor, elements-decoration. Plumbing, heating, ventilating, lighting, acoustics, sanitation, colour.

4. Quantities Estimates, Contracts, laws.

B. Town-Planning—

1. History of Town Planning—ancient, mediæval and modern Effects of social changes.

2. Practice—Surveys. General Principles, sites, climate, water supply, drainage, transport, Zoning. Focal centres and their distribution. Highways. Public services and amenities. Uniformity and variety.

3. Laws—

Authorities-Contract, local special. Bye-Laws. Acquisition of land.

Regulations for the Physical Examination of Candidates for appointment to the Engineering Services.

[These regulations which apply to men as well as women candidates are published for their convenience and in order to enable them to ascertain the probability of their coming up to the required physical standards. But it must be clearly understood that the Government of India reserve to themselves an absolute discretion to reject as unfit any candidate whom they may consider, on the report of the Medical Board to be physically disqualified for the Services and that their discretion is in no respect limited by these regulations. Save as provided in Regulation 2 (b), these regulations are intended merely for the guidance of Medical Examiners and are not meant to restrict their discretion in any way. A lady doctor will be co-opted as a Member of the Medical Board whenever a woman candidate is to be examined.]

1. To be passed as fit for appointment a candidate must be in good mental and bodily health, and free from any physical defect likely to interfere with the efficient performance of the duties of his appointment.

2. (a) In the matter of correlation of age, height and chest girth it is left to the Medical Board to use whatever correlation figures are considered most suitable as a guide in the examination of the candidates.

(b) For all candidates for appointment to the Service/Department a minimum height of 5 ft. and a minimum chest measurement of 31 ins. girth when fully expanded, with a minimum expansion of 2 ins. is required. These minima are absolute and no Medical Officer or Board has power to waive them.

N.B.—Regulation 2 (b) does not apply to candidates for the Central Engineering Service, Class I and the Telegraph Engineering Service, Class I.

3. The candidates' height will be measured as follows:—

He will remove his shoes and be placed against the standard with his feet together and the weight thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity and with the heels, calves, buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and parts of an inch to quarters.

4. The candidate's chest will be measured as follows:—

He will be made to stand erect with his feet together, and to raise his arms over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder blades behind, and lies in the same horizontal plane when the tape is taken round the chest. The arms will then be lowered to hang loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidates will then be directed to take a deep inspiration several times, and the maximum expansion of the chest will be carefully noted. The minimum and maximum will then be recorded in inches, thus 33-35, 34-36½, etc. In recording the measurements, fraction of less than half inch should not be noted.

5. The candidate will also be weighed and his weight recorded in pounds. Fractions of a pound should not be noted.

6. The candidate's eye-sight will be tested in accordance with the following rules. The results of each test will be recorded.

(i) General.—The candidate's eyes will be submitted to a general examination directed to the detection of any disease or abnormality. The candidate will be rejected if he suffers from any squint or morbid conditions of the eyes, eyelids or contiguous structures of such a sort as to render, or to be likely at a future date to render him unfit for service.

N.B.—No candidate will be accepted for appointment whose standard of vision does not come upto the requirements specified below without the use of the contact

glasses. (A contact glass or lens is defined as a glass shell, the concavity of which is in contact with the globe of the eye, a layer of liquid being interposed between the lens and the cornea. The meaning of the word "glasses" whenever used in these Regulations is to be interpreted as not covering "contact glasses.")

(ii) Visual Acuity.—The candidate will be examined, with the apparatus and according to the methods prescribed by the Railway Board's Standing Advisory Committee of Medical Officers, to determine his acuity of vision, and the examination will include two tests, one for distant and the other for near vision. Each eye will be examined separately. No candidate will be accepted whose Visual Acuity falls below the following standards:—

A.—Railway Services.

Service	Naked eye	With or without glasses	Near vision
1. Railway Engineering Services ...	6/24, 6/24, or 6/18, 6/36,	6/9, 6/9, provided myopia does not exceed—3'5D or manifest Hypermetropia + 1'5D.	0'6 each eye.
2. Stores Department of Railways...	6/60, 6/36,	6/9, 6/12 provided myopia does not exceed—4'5D or manifest Hypermetropia + 1'5D	0'6 each eye.

FINANCIAL SECRETARIAT

Circular, dated 26th August 1952.

Delay in preferring pay and other claims by the several Departments of Government.

No. FI.(B.) 5030-5109—C. R. 25-52-2. The Accountant-General, Mysore, Bangalore, has brought to notice several cases of the issue of orders of Government condoning delay in preferring claims by Departments and authorising the Audit Office to investigate the claims.

Failure on the part of the departments in preferring the claims in time not only causes undue hardship to the officials concerned, but also throws unnecessary burden on the Audit Office.

Evidently, the instructions contained in Articles 11, 12 and 12-A of the Mysore Civil Account Code, Volume I (since modified in Government Order No. FI. 7195-7296—S. & A. 326-51-1, dated 29th February 1952) are not being strictly adhered to.

It is also noticed that generally no reasons are given for the delay in preferring claims and where reasons are given, they are not convincing. The rule that investigation should be ordered only in exceptional cases where the delay is due to unavoidable reasons is not observed.

It is of the utmost importance that claims against Government should be liquidated at the earliest possible

moment as belated claims cannot be effectively checked in the Audit Office.

All Heads of Departments are hereby directed that delay in the settlement of claims of all officers under their control should be scrupulously avoided, as Government will reject all old claims which are barred by time under the rules, unless the delay is proved to be clearly due to circumstances beyond the control of the officers making the claim.

Sanctioning authorities should jealously scrutinise all old claims preferred for condonation of delay, and reject such of them in respect of which convincing reasons for the delay are not forthcoming.

Circular dated 30th August 1952.

No. FI. (B.) 5230-320—C. R. 26-52-2. A doubt was expressed as to whether an officer authorised to sanction pension may sanction invalid pension also, as the rules in the Mysore Service Regulations are not specific.

2. With a view to clarify the point of doubt, it is hereby laid down that all officers authorised to sanction pensions may also sanction Invalid Pensions.

GOVERNMENT OF INDIA.

Ministry of Finance.

(Department of Economic Affairs.)

New Delhi, the 18th August 1952.

From

Shri O. K. Ghosh,
Deputy Secretary to the Government of India.

To

The Chief Secretaries of all State Governments
(Part A, B and C States).

Subject :—United Nations Economic Development Fellowships and Scholarships Nominations for 1953.

Sir,

The State Government is, no doubt, aware that the United Nations have a programme of fellowships and scholarships for training and study abroad for the following :—

- (i) Fellowships in the field of Economic Development under General Assembly Resolution 200 (III).
- (ii) Fellowships and Scholarships for Public Administration under General Assembly Resolution 246 (III).
- (iii) Fellowships and Scholarships under the expanded programme of Technical Assistance for Economic Development.

The purpose of the Fellowships is to enable the eligible governments to send suitably qualified personnel to countries where special facilities exist for observation, higher training or advanced study of a kind which would aid in the economic development, social development or the betterment of the requesting country by the course of higher training to be imparted to the Fellow. The Fellowships are normally for a period of three to six months duration.

The purpose of the scholarships is to enable governments to send their promising graduate students, junior technical personnel or member of Civil Services to study abroad in technical and other training institutes of more highly developed countries. The scholarships normally are for one year.

2. The Fellowships and Scholarships which are likely to be provided in the fields are indicated in Annexure 'A' printed. The qualifications of the candidates eligible for the Fellowships and Scholarships are indicated in the Annexure 'B' printed.

3. The financial arrangements of the Economic Development Fellowships and Scholarships are that the requesting governments are normally expected to assume responsibility for a substantial parts of the costs of Fellowships and Scholarships in regard to their nominees and at least that part which can be paid in their own currencies. The United Nations authorities, therefore, desire that in submitting the nominations it is to be stated as to what extent governments would make contributions. The

recipient government is required to provide or ensure that satisfactory arrangements are made to provide—

- A. (i) all expenses within the Fellow's or Scholar's home country incidental to travel abroad, including the expenditures for passports, visas, medical examination, clothing, internal travel, etc.;
- (ii) any advances necessary to enable the Fellow or Scholar to make such other preparations in his home country as may be necessary before he leaves his country;
- (iii) cost of travel, fifty per cent of the cost of passage to the country of observation and back.

N.B.—The United Nations authorities have stated that under no circumstances should any part of this cost be borne by the candidate concerned, and in all cases it should be borne by the authority sponsoring the candidate.

B. Subject to agreement, in the light of the paragraph above, between the United Nations and the Government concerned, the United Nations will provide—

- (i) a monthly living allowance of from \$ 135 to \$ 300 to each Fellow and of from \$ 100 to \$ 200 to each Scholar in the local currency of place of study. The rates vary in relation to the cost of living in the countries of observation. (This allowance is intended to cover normal living expenses and is reviewed from time to time in the light of changes in exchange rates and in the local cost of living situation);
- (ii) essential travel within the host country, up to a limit will be determined for each country of observation; and
- (iii) a limited amount for the purchase of indispensable technical publications.

4. The United Nations authorities have intimated that applications for training in 1953 under the Fellowship and Scholarship programme should be submitted by the first week of October, 1952. I am, therefore, to request that if the State Governments are interested in making any nominations for the 1953 awards, seven copies of the same may be sent to the International Aid Co-ordination Unit, Department of Economic Affairs, Ministry of Finance, positively by the 25th September 1952, on the attached form, Annexure C). It will not be possible to consider any requests received after that date.

Section A of the application form should be left blank to be filled in by the Government of India. Sections B and C are to be filled in by the candidate. Section D will be filled in by the Government of India in the light of the observations made by the Central Selection Committee. It is, however, requested that for this purpose details asked for in Section D should be submitted by the sponsoring authority on a separate sheet. Section E of the application form is to be filled in by the Doctor.

5. It is requested that the requirements of the Educational Institutes and Laboratories should also be taken into account.

Yours faithfully,
PREM NARAIN,
Assistant Secretary to the
Government of India.

IMPORT TRADE CONTROL.

New Delhi, the 19th August, 1952.

Press Release.

No. 13—I.T.C. (Press.)—52. The Government of India have announced their import policy for art-silk yarn for July-December 1952. Licences will be given to Actual Users, namely the three Art-Silk Mills' Associations in Bombay, Calcutta, and Amritsar as well as to the non-member mills. The Public Notice announcing this says that import licences for art-silk yarn for approximately Rs. 9 crores (Rupees nine crores) in value are outstanding and this should normally be sufficient to meet the internal demand. In order, however, that there is no speculative rise in the prices, it has been decided to arm the larger consumers with licences which they can utilise in case there are any signs of hoarding. Applications have to be made to the Chief Controller of Imports by the 22nd September 1952.

IMPORT TRADE CONTROL.

New Delhi, the 5th August 1952.

Public Notice.

Sub:—Import of photographic chemicals and other articles under licences granted for photo goods falling under Serial No. 303 and 305, Part IV and chemicals falling under Serial No. 22 to 31, Part V.

No. 84-I.T.C. (P.N.)—52. It has been represented that while the import quota for photographic sensitised material has been fairly liberal during January-June 1952, photographic chemicals can only be imported to a relatively smaller extent because they are covered by the general quota for chemicals falling under Serial Nos. 22 to 31, Part V of the Import Trade Control Schedule.

2. It has therefore been decided that firms having past imports of both photographic sensitised material and photographic chemicals can apply for permission to utilise a portion of their January-June 1952 licences for photographic materials (whether General or Soft Currency) for the import of photographic chemicals from Soft Currency sources only. All importers in India who have import licences for both these articles in hand and who wish to take advantage of this are requested to apply immediately to the Joint Chief Controller of Imports, Bombay, (whether or not the licences were issued by him). They should enclose their import licences for January-June 1952, for photographic goods and materials (Serial Nos. 303 and 305, Part IV) and chemicals (Serial Nos. 22 to 31, Part V) with a statement indicating the value for which they wish to utilise the former for the import of photographic chemicals. A list of chemicals [which is not in the prohibited category *vide* Annexure B to Appendix B (ii) of the Red Book for January-June 1952], which the firm wishes to import should also be enclosed. The decision of the Joint Chief Controller of Imports as regards the extent to which this permission should be given will be final.

3. It has further been decided that not more than 2½ (Two and a half) per cent of the face value of the General or Soft Currency licences for photographic goods and accessories falling under Serial Nos. 303 and 305 of Part IV will be valid for the import of the following accessories from the area concerned, regardless of their classification:—

- (1) Dark Room Safe Light Filters,
- (2) Dry Mounting Irons,
- (3) Dry Mounting Tissues,
- (4) Tank, Developing (either rubber, porcelain, earthenware, plastic or stainless steel).
- (5) Flash attachment for cameras,

It is not necessary to present the licences to any licensing authority for endorsement of this concession.

IMPORT TRADE CONTROL.
New Delhi, the 19th August 1952.

Public Notice.

Subject:—Validity of Licences.

No. 90 I.T.C. (P.N.)—52. At present the period of validity of licences is reckoned from the date of their issue with the result that there is a tendency on the part of importers to delay the filing of their applications till the last date. In order to avoid the administrative dislocation which this causes and also to obviate the hardship to those importers who for one reason or another fail to put in their application before the last date, the following decisions have been taken as an experimental measure for the period July—December 1952 :—

(a) For items included in Part V of the Import Trade Control Schedule, the period of validity of licences for which has been shown as six months, there will be no last date for applying.

(b) All established importers' licences for these items will expire on the last date of March 1953, regardless of the date of issue of the licence.

(c) The provisions of (a) and (b) above will not affect in any way the position regarding :—

(i) items included in Parts I to IV of the Import Trade Control Schedule;

(ii) items included in Part V of the Import Trade Control Schedule for which the normal validity of licences is more than six months;

(iii) actual user licences.

2. If the arrangement is found to be satisfactory from the point of view of administration and of the trade, it is proposed to extend it to other items in January—June 1953 period.

Public Notice.

Subject:—Licensing of Art-Silk Yarn for July—December 1952, from Soft Currency Area.

No. 91 I.T.C. (P.N.)—52. In the Policy Book for the licensing period July—December 1952, it was notified that

the licensing policy for Art-Silk Yarn and thread falling under S. No. 177 of Part IV of the I.T.C. Schedule will be announced later.

2. The Government of India have now reviewed the position and consider that the outstanding licences amounting to about Rs. 9 crores in value should normally be adequate for the current licensing period. In order, however, to prevent any speculative rise in prices and to check any attempt to hoard, they have decided that Soft Currency Licences for the import of Artificial Silk Yarn should be granted during July—December 1952 to the following categories of applicants only :—

(a) The three Art Silk Mills Associations in Bombay, Amritsar and Calcutta (Member-mills should not apply separately for licences).

(b) Mills, manufacturing artificial silk cloth, which are not the members of the above associations.

3. Applications should be made in the form and manner prescribed in the Hand Book of Rules and Procedure 1952, as modified by the policy for the period July—December 1952, seems to reach the office of the Chief Controller of Imports, New Delhi, not later than the 22nd September 1952.

4. No licences will be granted for import of thread but applicants wanting twisted yarn should indicate the value of twisted yarn desired to be imported. Each licence will bear endorsement showing the extent to which the licence will be valid for the import of twisted yarn.

5. Applicants of category (a) should enclose with their applications a certificate from the Director of Industries of the State concerned or the Textile Commissioner showing the number of looms contained in the mills of their constituent members in addition to the usual certificate of manufacturing capacity and actual requirements. The value of confirmed licences already held by the constituent members for import of Art-Silk Yarn should also be indicated separately for each member. A Treasury Receipt should accompany the application equal in value to the total of the application fees which the members would have been required to pay if they had applied separately for the amounts allocated to them. The Income-tax Registration or Exemption numbers allotted to each member-mill should also be quoted by the applicants and these will be verified before the licence is issued to the Association concerned. Where a member mill does not hold a valid Income-tax Verification Certificate Registration or Exemption No. the amount of the licence admissible to it will be subtracted from the licence admissible to the Association on behalf of all its members. It will be a condition of licences granted to the applicants in category (a) that they will distributed the licences *pro rata* to their loomage in favour of the member-mills in respect of whom the licence, has been given.

6. Applicants of category (b) should enclose with their applications a certificate issued by the State Director of Industries or the Textile Commissioner indicating the number of looms in the mills in addition to the usual certificate of manufacturing capacity and actual requirements. The value of confirmed licences of Art-Silk Yarn already held against which import is still to be made should be given.

No. H.B. 5241—P.P.T. 15-52-6. The following communications received from the Government of India, Ministry of External Affairs, New Delhi, with their letter No. F. 31-52—P.V. III, dated the 25th August 1952, in connection with the introduction of a system of Passports and Visas for travel between India and Pakistan are published for General information.

1. Press Communique issued by the Government of India on 23rd August 1952.

2. Indian Scheme of the passport system to regulate the entry of Pakistan Nationals, into India and Facilities for Indian Nationals to visit Pakistan.

By Order of His Highness the Maharaja,

N. PUTTARANGASWAMY,

Chief Secretary.

GOVERNMENT OF INDIA

PRESS INFORMATION BUREAU

Press Communique.

PASSPORT SYSTEM FOR INDO-PAKISTAN TRAVEL TO BE IN FORCE FROM OCTOBER 15.

Government of India to Apply Rules with Maximum Possible Liberality.

In April 1952, the Government of Pakistan decided that free movement between India and East Pakistan provided in the Indo-Pakistan Agreement of 1950 and the Permit System which is at present in force between India and West Pakistan should be discontinued and that traffic between the two countries should be regulated by a passport cum visa system. The Pakistan Government were unable to accept the suggestion of the Government of India that, in the interest of the peoples of both the countries, the existing system which ensures relatively free traffic between Pakistan and India should not be disturbed. Discussions then took place between the two Governments on the main features of the new system proposed by the Pakistan Government. Agreement has now been reached on the major points. The Government of Pakistan have already announced the passport rules which they propose to bring into force. The Government of India have also prepared a set of rules for regulating the entry of Pakistan nationals into India and the issue of passports to Indian nationals for travel to Pakistan. These rules are being published for the information of the general public.

The Government of India intend to apply the rules with the maximum possible liberality. They also propose to review the working of the system from time to time to ensure that difficulties and legitimate complaints brought to their notice are removed as far as possible.

The passport scheme comes into force from October 15, 1952. Up to that date permits for visits to India will continue to be issued at Indian Missions in Karachi and Lahore, while residents of East Pakistan will be able to enter or leave India freely.

Liberal facilities for Pakistan nationals to visit India have been provided in the Rules. Special facilities have been provided to all classes having special needs, such as border residents, persons having near relations in India, transport workers, businessmen, officials, employees of

diplomatic missions, seamen and persons in transit through India. These liberal facilities are being provided to Pakistan nationals on the understanding that similar liberal facilities will be available to Indian nationals visiting Pakistan.

The scheme provided that in addition to Indian Passports in international form which will be valid, special passports valid for travel to Pakistan only, will be issued at a cost of Rs. 3 as compared with the fee of Rs. 10 for international form passports. For the convenience of Indian nationals, the power to issue India-Pakistan passports is being delegated to District Magistrate in areas where the number of applicants is expected to be large, namely Tripura, Assam, West Bengal and the Purnea District of Bihar. Elsewhere in India, India-Pakistan passports will be issued by the State Government concerned, but special arrangements have been made in the Punjab (1) for issue of such passports to pilgrims, sports teams, goodwill missions and Government officials. Special provisions have also been made for recovered abducted persons, guides, witnesses and relatives in connection with the recovery of abducted persons, migrants to India, and Indian nationals already in Pakistan when the scheme comes into force.

The Government of India intend that as far as possible there should be no interruption of movement or avoidable hardship when the new system comes into force. With this object forms of application for India-Pakistan passports are being urgently distributed to all passport issuing authorities in India who will make arrangements to have them made available to the public as widely as possible. The places where forms will be available in each State will be notified by that State. It is hoped that these application forms will be available to the public from the 8th September, 1952 and Passport Issuing Authorities will entertain applications for India-Pakistan Passports with effect from the 11th September 1952. Similarly forms of application for visas to visit India are expected to be available at Diplomatic Missions in Pakistan from the 11th September and those Missions will entertain such applications from the 15th September, 1952. Arrangements are being made to post adequate staff at the Indian Missions in Pakistan, particularly Dacca, to ensure quick disposal of applications and early issue of visas. All persons who expect to travel to or from Pakistan in the second fortnight of October are advised to obtain the necessary passports and visas by the 15th of that month.

PASSPORT SYSTEM TO REGULATE THE ENTRY OF PAKISTAN NATIONALS INTO INDIA AND FACILITIES FOR INDIAN NATIONALS TO VISIT PAKISTAN.

PART I.—Regulation of Entry into and Stay in India of Pakistan Nationals.

With effect from midnight of 14—15th October, 1952 Pakistan nationals visiting India will be required, subject to the exceptions mentioned below, to be in possession of a valid Pakistan passport, duly visaed by an Indian Diplomatic Mission abroad, or by any official in India authorised by the Government of India to issue visas:

2. Pakistan National in India on 15th October 1952.

(1) The issue of permits under the influx from Pakistan, (Control) Act, 1950 will cease from that date. Pakistan nationals holding such permits who are in India on that date, will, however, be permitted to remain in India during the period of validity of their permits, but not after the 14th January 1953.

(2) Pakistan nationals domiciled in East Pakistan, who are in India on the 15th October 1952 without any permits, will also be permitted to remain in India, without passports and visas, until the 14th January 1953.

(3) Pakistan nationals in India on the 15th October 1952, who do not wish to or are unable to return to Pakistan by the 14th January 1953, must, within that period, (a) obtain a Pakistan passport and an Indian visa valid for further stay and (b) get themselves registered with the Commissioner of Police or the Superintendent of Police of the town or district in which they are resident.

3. Categories of Visas.

The holder of a valid Pakistan Passport may be issued one or more of the following types of visas :—

I. CATEGORY 'A' VISAS.

(1) This visa may be granted to a Pakistan national of any of the following classes, provided that he is resident of Pakistan territory within 10 miles of the India-East Pakistan border and normally earns his livelihood in a village or group of villages in Indian territory within 10 miles of the India-East Pakistan border :—

- (a) Cultivators who have to cross the border frequently in order to cultivate or supervise the cultivation of their own lands, and their labourers and hired servants.
- (b) Petty shop-keepers, petty traders and artisans, such as blacksmiths, woodcutters, carpenters, etc.
- (c) Persons the normal markets for whose agricultural and horticultural produce and collections or minor forest produce (excluding timber or logwood) lie in Indian territory within 10 miles of the India-East Pakistan border.

(2) The visa may be granted for any period up to a maximum of 5 years, as requested by the applicant, or for the duration of the validity of the passport, whichever is less. It shall be valid only for the village in India, including villages lying *en route*, within which the applicant's land is situated, or where he normally earns his livelihood and any adjoining village or villages that the visa issuing authority may consider to be necessary for the above purpose.

(3) The following facilities will be available under this visa :—

- (a) Persons holding such visas may cross the border at any place within the villages specified in the visa and will not be required to pass through a check-post. They must, however, produce the passport for examination whenever demanded by a competent authority.
- (b) The visa will be valid for any number of journeys during its validity.
- (c) A visa holder of this category will be exempt from registration.

II. CATEGORY 'B' VISA.

(1) This visa may be issued to the following classes of Pakistan nationals :—

- (a) Persons having an interest in or deriving income from immovable property in India or their duly authorised agents. (This facility will not apply in cases where property is vested in a Custodian of Evacuee Property.)
- (b) Persons who have near relatives in India :—

(Note 1.—Near relatives means paternal or maternal grand-father and grand-mother, father and mother, brothers, sisters, children and grand children.

Note 2 :—A husband and wife will normally be of the same nationality and be resident in the same country. They have not, therefore, been included in this category. If, however, one is in India, and the other in Pakistan, and the one in Pakistan desires a visa for India to visit him/her and/or other relatives, a request for a single/multiple-journey visa will be considered on the merits of the case).

(c) Pensioners or other recipients of periodical or monthly payments, who under regulations framed by a Government, or local body, or under the rules or requirements of a co-operative society, limited and liability company or registered firm, have to receive their dues monthly or periodically on personal appearance in India.

(2) This visa will be valid for one year.

(3) The following facilities will be available to holders of this visa :—

- (a) The visa will normally entitle the holder to make eight journeys to India.
- (b) Where the Visa Officer is satisfied that a person in this category is required to travel more frequently than eight times during one year, he may grant a visa for such additional journeys as may be necessary.
- (c) A visa holder of this category may remain in India for a period not exceeding two months during each visit.
- (4) The visa will be subject to the following conditions :—
 - (a) The visa holder may enter or leave India only through a check-post.
 - (b) The visa will be valid only for the place or places specified therein.
 - (c) The visa holder will be required to register at the check-post of entry.

III. CATEGORY 'C' VISA.

(1) This visa may be granted to Pakistan nationals who are not eligible for, or who do not require, visas of categories 'A' to 'F' or Transit Visas, but who wish to visit India.

(2) This visa will be valid for specified places in India and for a single journey of specified duration, not exceeding 3 months.

(3) A holder of this visa will enter India only through a check-post and will register himself at once at the check-post; and within 24 hours of his arrival at the specified place or places in India and 24 hours before his departure will report in writing to the Superintendent of Police or the nearest Police Station in the jurisdiction of which the place or places specified in the visa lie.

IV. CATEGORY 'D' VISA.

(1) This visa will be of the following three sub-categories :—

(a) Official.—

This visa will be issued free of charge to an official of the Government of Pakistan or a Provincial Government in Pakistan visiting India on duty with the prior approval of or on invitation from the Government of India or a State Government. The visa holder will not be required to register himself at a check-post, nor to report his arrival or departure to the police at the places to be visited. The visa will be valid for specified places and for a single journey or for a specified number of journeys during the period stated in the visa. The holder of the visa may travel by any of the routes open to the general public.

(b) Diplomatic.—

(1) This visa will be granted free of cost to :—

- (i) Members of the family of the Governor-General for the time being of Pakistan.
- (ii) Ministers of the Government of Pakistan.
- (iii) Members of the diplomatic services of Pakistan and Pakistan Consular Officers *de carrière*.
- (iv) Regular Pakistan diplomatic couriers and occasional messengers to the Pakistan diplomatic missions in India or abroad.
- (v) Wives and families of persons included in (ii) and (iii) above if travelling with the head of the family or when proceeding to or from the posts at which the latter are stationed.
- (vi) Servants of persons above while travelling with their employers.

(2) A diplomatic visa will be valid for any number of journeys during the period of its validity (which will be

one year at a time). The holder of this visa will not be required to register or to report arrivals or departures to the police and can travel by any of the routes open to the general public.

(c) *Non-diplomatic* —

This visa will be issued gratis to non-diplomatic officers and staff of Pakistan missions in India, the families and personal servants of such officers and the personal servants diplomatic officers. It will be valid for any number of journeys during the period of its validity which will be one year at a time. It will be valid for stay in the places specified therein. The holder of this visa will be subject to registration at the time of the initial entry into India or at the time of the first entry after the visa has been granted. The visa holder may travel by any of the routes open to the general public.

V. CATEGORY 'E' VISA.

This visa will be of the following two sub-categories;—

(a) *Businessmen*.—

(i) This visa will be issued to a Pakistan national working with or in an established and *bona fide* business in India who has to travel frequently between India and Pakistan in connection with that business.

(ii) The visa will be valid for one year at a time and for a specified number of journeys during the period of its validity. It will be valid for specified places. The holder of this visa will enter India only through a check-post and will be subject to registration at the check-post, on the occasion of his initial entry into India. During each visit he must report his arrival and departure in writing to the Superintendent of Police of the nearest Police Station, in the jurisdiction of which the place of arrival or departure lies, within 24 hours of such arrival or before such departure.

(b) *Transport workers*.—

This visa may be issued to a Pakistan national who is employed in transport services operating between India and Pakistan, e.g., a member of the crew of an aircraft operating on a scheduled service, a member of the crew of a steamer or ship, or a member of the railway staff, whose duties involve frequent crossings of the border. The visa will be valid for any number of journeys during the period of its validity, which will not exceed one year at a time. The visa will be valid for journeys along the specified route on which the service operates. The holder of the visa will be exempted from registration and will not be required to report to the Police.

VI. CATEGORY 'F' VISA.

(i) This visa may be granted to a Pakistan national who desires to stay in India for more than three months, in connection with service under a Government or a local body or a limited liability company, a registered firm, institution, etc. The visa will be valid for entry into and stay in India for a period not exceeding one year at a time. The wife and children of a Pakistani employed in India will also be granted visas valid for one year at a time during the period of his employment. The holder of a category F Visa will also be able to make three journeys during the year to Pakistan and back.

(ii) A holder of this visa will enter India only through a check-post and will register himself at the check-post on first entry. Within 24 hours of his arrival at the specified place or places in India and 24 hours before his departure from such places, he must on each occasion, report such arrival or departure in writing to the Superintendent of Police or the nearest Police Station in the jurisdiction of which the place in question lies.

VII. TRANSIT VISA.

(1) Subject to the exemptions mentioned in paras 5 and 6 below, a transit visa will be required by a Pakistan national who is in transit through India when travelling between the two wings of Pakistan or between Pakistan and a third country.

(2) A transit visa will be valid for a period to be fixed by the issuing authority at his discretion but not exceeding 30 days, during which a break of journey at a specified place or places en route may be permitted.

(3) The holder of a transit visa will be liable to registration at the check-post of entry and must get his passport stamped and dated at both the points of entry and exit.

4. *General provisions regarding visas* :

(1) *Issuing authorities*.—

(i) Visas of all categories will be issued by the Indian diplomatic missions at Karachi, Lahore and Dacca.

(ii) Visas of Category 'C' and Transit Visas will be issued by all Indian diplomatic and consular posts other than those in Pakistan.

(iii) Category 'C' and Transit Visas will also be issued by the Shipping Masters, Calcutta and Bombay, to Pakistani seamen who have been serving on Indian articles, for the purpose of returning home after a voyage or for re-entry into India in search of further employment.

(iv) Pakistan nationals already in India on the 15th October, 1952, who wish to remain in India after the 14th January, 1953, and wish to obtain for the purpose a visa of Category 'E' or 'F' may apply to the Government of the State in which they are for the time being resident. The State Government may permit them to remain in India pending the grant of the visa, which will be issued by the relevant Indian diplomatic mission in Pakistan.

(2) Application forms for the relevant categories of visas will be available from the offices of the visa issuing authorities specified in (1) above at a cost of As. 2 (Pak) per copy.

(3) Where the applicant for an Indian visa holds a Pakistan passport in international form valid for countries other than India the wife may be included in the passport of the husband. In case of passports valid for travel to India only, each adult applicant for an Indian visa must be in possession of a separate passport.

(4) All visas will be valid for travel to and stay in the place or places or the area specified in the visa.

(5) Except for holders of Category 'A' visas who need not pass through a check-post, holders of all other categories of visas must enter and leave only through an established check-post. Except where the visa specifically prescribes the route of entry, visa holder may enter through any check-post of his choice from among those which will be separately notified later.

(6) An application for a visa may be submitted to the visa issuing authority by post or through an agent, and personal attendance of the applicant is not necessary.

(7) Visas will be issued liberally in accordance with the above provisions, but in any particular case the visa issuing authority may decline to grant a visa or a visa of a particular category or decline to include a particular place or places in the visa or may grant it under special conditions, without assigning any reason. Every endeavour will be made to keep such cases to the minimum.

(8) The application for a visa of Category 'A' and 'D' (Non-Diplomatic) must be submitted in duplicate and for all other categories in triplicate, except for Visas 'D' (Official) and 'D' (Diplomatic) for which a single copy of the application will suffice.

(9) Except in regard to applications for visas of category 'D' (Official) and 'D' (Diplomatic), the applications for visas must be accompanied by the following number of passport size photographs of the applicant:—

- | | |
|---|---|
| (i) Category 'A' and 'D' (Non-Diplomatic) | 2 |
| (ii) All other visas | 3 |

(10) A pardanashin lady will not be required to submit any photographs of herself, but she must instead nominate a male attendant who will accompany her during the journey or journeys and who should first obtain the requisite visa on his own passport. The pardanashin lady should then apply for a visa, enclosing the requisite number of copies of the passport-size photograph of the male attendant together with the latter's passport.

(11) A State Government in India may, on an application received before expiry of the existing visa of a Pakistan national, extend the period of stay permitted under that visa, or grant an extension of the visa subject to maximum of one year from the date of expiry of the original visa.

(12) The fee for issue or extension of a visa will in all cases be Re. 1 (Pak) for each year or a portion of the year for which the visa is made valid or extended.

5. *Exemption in cases of through transit.*—

(1) A Pakistan national will not be required to take a transit visa if he is in "through transit" [as defined in (2) below] across Indian territory, provided that he is in possession of a valid national passport and also of a through ticket or an irrevocable voucher for the entire journey commencing from and ending at places outside India.

(2) "Through transit" means a journey by an aircraft or train or steamer or ship, which commences the journey at a place outside India and which after crossing Indian territory goes on to and ends its journey at a place also outside India. The through character of the journey is not affected if—

(a) in the case of a journey by aircraft, there is a change from an aircraft on one international line to an aircraft on other international line;

(b) in the case of a journey by rail there is a change, in the course of the journey, from one gauge to another provided that in either of the above two cases the interval between arrival and departure at the station of interchange does not exceed 24 hours.

(3) A journey does not constitute "through transit" if in the course of the journey the traveller has to change from one mode of transport to another, *viz.*, from road to railway, from railway to aircraft from ship to aircraft and so on, or where the scheduled interval between connecting links at the place of interchange exceeds 24 hours. In such cases a transit visa must be taken before entry into India.

(4) A Pakistan national who is exempt from the necessity of having an India visa under (1) above must get his passport stamped and dated at the points of entry into and exit from India.

6. *Exemption in case of enforced halts.*—

(1) When a Pakistan national is in the course of "through transit" through India and the steamer, train, aircraft or ship by which he is travelling is immobilised for any period through causes beyond the control of the traveller, the period of immobilisation of the means of transport will be treated as a period of "enforced halt."

(2) When a Pakistan national is travelling as a passenger in a ship which touches or makes a scheduled or unscheduled halt at a port in India, the period during which the ship is to remain at the Indian port will be treated as a period of "enforced halt."

(3) In a case of enforced halt, provided that he is in possession of a valid national passport, a Pakistan national will be permitted to land or stay in India during the period of the enforced halt on the strength of a "landing card" which will be issued to him, on deposit of his passport, by the nearest Indian Police authorities whom he must approach for the purpose. The stay in India will be subject to the conditions laid down in the landing card. The passport will be returned to the holder on surrender of the landing card at the time of his departure.

7. *Pakistani seamen.*—

(1) Pakistani seamen holding valid Continuous Discharge Certificates (Nullies) bearing a photograph and other prescribed particulars will be accorded the following facilities:—

(a) A Pakistani seaman visiting a port in India as a member of the crew of the ship which brings him need not hold a passport or a visa. He will be issued a Landing Permit on deposit of his C.D.C. (Nullies), if he wishes to land;

(b) A Pakistani seaman who arrives at a port in India as a member of the crew of the ship which brings him and who is discharged at that port, will not

require a passport or a visa. He will be issued a Landing Permit for a specified period and will also be allowed to leave for Pakistan by sea or by air.

(c) A Pakistani seamen coming to India to seek employment as a Seaman on Indian Articles will require a visa, but, for purposes of the grant of the visa, the Continuous Discharge Certificate (Nullie) will be treated as the equivalent of a Passport. The visa will be issued on a separate Seaman's Visa Book which will be issued to the applicant for being kept with his C.D.C.

(d) Pakistani Seamen who have been serving under Indian Articles and who are discharged at the end of a voyage at Bombay or Calcutta will be issued visas (on separate Seaman's Visa Book) for journeys to their homes by land/sea/air and if so desired, for re-entry into India in search of re-employment.

(e) Where a Pakistani seaman signed on Pakistan Articles desires to come to India, otherwise than as crew of a ship for which he has signed and proposes to join that ship at an Indian Port, he will be required to hold an Indian visa. This will be issued on the Nullie only in cases in which the Director-General of Shipping, Government of India, has given special permission for his joining his ship at an Indian port without complying with the requirement of the Indian Law.

(f) In all other cases, a Pakistani seaman must be in a possession of a valid passport duly visaed for India at the time of entry into India.

8. *Personnel and civilian employees of Pakistan Defence Services Organization and their families.*—

None of the foregoing provisions with regard to the issue of visas to Pakistan nationals will be applicable to Pakistani or foreign personnel and civilian employees of the Defence Services Organisations of Pakistan, with regard to whom separate arrangements will be entered into and notified by the Ministries of Defence of the two countries.

Part II. *Facilities for Indian Nationals to Visit Pakistan.*

1. *Passport issuing authorities in India.*—

Passports will be issued in India by all State Governments. In addition, in the States of Assam, West-Bengal, Tripura and in the district of Purnea in Bihar, passports will also be issued by Collectors or Deputy Commissioners. In Punjab (India) passports to pilgrims and members of goodwill missions, sports teams, etc., will be issued by Commissioners of Divisions at Jullundur and Ambala. Passports to Government servants who have to visit Pakistan at short notice will also be issued by the Deputy Commissioners of Gurdaspur, Amritsar, Ferozopore and Jullundur.

2. *Types of passports.*—

(1) In Assam, West Bengal, Tripura and the district of Purnea in Bihar passports marked India-Pakistan Passport (East Zone) will issue to residents of these areas. Such passports will be valid for five years.

(2) Elsewhere in India passports marked (India-Pakistan Passport) will be issued which will be valid for one year at a time. Such passports can be renewed from time to time up to a total of five years from the original date of issue.

(3) Apart from the period for which they will be valid, there is no other difference between the above two types of passports and either type is equally valid for visits to and return from either wing of Pakistan.

(4) Both the above types of India-Pakistan passports will be valid for travel to Pakistan only and will not be validated for travel to any other country.

(5) Persons who are in possession of Indian Passports in international form can have those passports validated for visits to Pakistan and will not need separate India-Pakistan passport. No person may hold more than one out of the three types of passports, *viz.*, International Form, India-Pakistan and India Pakistan (East Zone).

3. Applications for passports.—

All Passport Issuing Authorities in India will arrange to make passport application forms available to the public as widely as possible and to notify to the general public the places at which such forms will be available. There will be two types of application forms, one for adults and other for minors below the age of 15 requiring separate passports. These forms will be supplied free of cost to *bona fide* applicants.

4. General provisions regarding issue of passports.—

(1) All adults, including husband and wife, must take separate India-Pakistan passports. In an International Form Passport, however, husband and wife may be included in the same passport.

(2) Children below 15 years of age may be included in the passport of either parent if travelling with the parent.

(3) Children above 15 years of age and children not travelling with either parent will require separate passports.

(4) The fee for an India-Pakistan Passport will be Rs. 3. The holder of an India-Pakistan (East Zone) passport may have the same passport renewed or obtain a fresh one on payment of a fee of Rs. 3. The holder of an India-Pakistan passport may have it renewed for one year at a time, subject to a maximum of five years from date of issue, on payment of a fee of Re. 1 for each renewal.

(5) A State Government in India may issue a passport to any citizen of India. Passport issuing authorities other than State Governments may issue passports only to persons resident within their jurisdiction.

(6) Application for a passport may either be made personally or by post or through an agent. The fee must be paid in cash or in crossed postal order. In cases in which the application and fee are tendered personally a receipt for the same should be obtained from the office of the passport issuing authority.

5. Issue of Pakistan Visas to Indian nationals.—

(1) Under the Government of Pakistan's Passport Scheme, Indian nationals will be eligible to visas of Categories 'A' to 'F' and Transit Visas similar to those described in Part I above. Indian nationals will similarly be entitled under the Pakistan Scheme to exemptions similar to those mentioned in paragraphs 5 and 6 of Part I above.

(2) Pakistan Visa Application will be available from Pakistan diplomatic missions at Delhi, Jullunder and Calcutta at 2 As. (Pak) per copy. The Government of India are considering the possibility of making these forms available at other places.

6. Indian Nationals in Pakistan on 15th October 1952.—

(1) Those who are in West Pakistan on the strength of valid Pakistan permits will be issued Permanent Return Permits for India by the Indian diplomatic missions at Karachi and Lahore up to and including the 14th January 1953.

(2) Indian Nationals in East Pakistan will be issued repatriation certificates during the period up to and including 14th January 1953. Application forms for repatriation certificates will be available free of cost at the office of the Deputy High Commissioner for India at Dacca. The fee for issue of a repatriation certificate will be As 8 (Pak). The Members of the family of the applicant may be included in a single repatriation certificate. Two copies of the passport size photograph of each person to be included in the repatriation certificate should be submitted along with the application. The repatriation certificate is to be surrendered to the Indian check-post at point of entry into India.

(3) Indian nationals who are in either wing of Pakistan on the 15th October 1952 and who, by reason of their employment or otherwise, do not expect to be able to return to India by the 14th January 1953, should apply immediately to the nearest Indian diplomatic mission in Pakistan for a passport. Application forms will be available at each such mission and will be supplied free of cost on request. The application should be submitted in duplicate together with three copies of the passport size photograph of the applicant and the requisite fee of Rs. 3 (Indian).

7. Special Provisions for certain categories.—

(1) Abducted woman and children recovered in Pakistan, who are to be restored to their relatives in India and who are travelling to India under official arrangements made by an Indian diplomatic mission in Pakistan will not be required to be in possession of either a passport or a visa for entry into India.

(2) Guides, witnesses and relatives who have to visit Pakistan in connection with the recovery of abducted persons in Pakistan will not require to take out Indian Passports. They will instead be issued, by such authorities or officers as may be specified by the Government of India, "Emergency Certificates" valid for two months only. Such certificates will be issued free of cost on receipt of an application and two copies of the passport-size photograph of the applicant. It has been agreed between the Governments of India and Pakistan that visas will be issued on such Emergency Certificates specifying the place to be visited and indicating that the Superintendent of Police in charge of recovery operations in the country visited may allow the holder to visit any other place or places in connection with the recovery of an abducted person or in order to give evidence before a Tribunal or a court of law, provided that during such journeys he is accompanied by an escort of police.

(3) *Members of a minority community in Pakistan wishing to migrate to India.*—A member of a minority community in Pakistan who wishes to migrate to India may apply to an Indian diplomatic mission in Pakistan for permission to do so. In case the Government of India agree to such migration, the diplomatic mission concerned will issue to the evacuee an Emergency Certificate which will enable him to enter India without being in possession of a passport or a visa. The Emergency Certificate will be surrendered to the Indian check-post at the place of entry.

NOTIFICATION

No. FL (B) 7337-7437—C. R. 32-52-1, dated 4th October 1952.

In exercise of the powers conferred by the proviso to Article 309 read with Article 313 of the Constitution of India, His Highness the Rajpramukh of Mysore is pleased to make the following further amendments to the Mysore Service Regulations, namely :—

In the said Regulations,

(1) In Article 220 for the words "The pensions of all officers holding substantive appointments", the words, "Subject to the provisions of the Revised Pension Rules contained in Appendix A in respect of officers to whom the said Rules are applicable, the pensions of all officers holding substantive appointments" shall be substituted.

(2) In Article 227, for the words "sixteen years" the words "eighteen years" shall be substituted, and to the said Article the following proviso shall be added, namely :—

"Provided that in the case of an officer who entered service on or before the 1st April 1952, service counts after the age of sixteen years, if having entered service he held a lien or a suspended lien on a permanent and pensionable post under the Government on or before that date".

(3) Under Article 232, the following notes shall be inserted, namely :—

Note 1.—In respect of inferior service, periods of extraordinary leave and any temporary service or portion thereof which counts towards qualifying service under these Regulations will be excluded for the purpose of temporary service qualifying for pension.

Note 2.—If any temporary service is interrupted, the interruption should not be condoned under Article 271, with a view to confer on the officer, either superior or inferior, a larger benefit than is contemplated under this Article.

(4) In Article 256, for the word and figure "Article 321", the words "the Revised Pension Rules contained in Appendix A" shall be substituted.

(5) In Section I of Chapter XVII, the headings "Superior Service" and "Inferior Service" and Article 274 shall be omitted, and in Article 273, the words "for Superior Service" shall be omitted.

(6) In clauses (a) and (b) of Article 305, for the words "in Superior Service" the words "in Superior or Inferior Service" shall be substituted.

(7) In Article 306, for the words and figures "on the same conditions as if he had been invalided under Article 321 and to the option laid by Article 256" the words and figures, "according to the option laid by Article 256" shall be substituted.

(8) In Article 315 for the words and figures, "Articles 320 and 321," the word and figure "Article 320" shall be substituted.

(9) Section III and Article 321 shall be omitted.

(10) In Article 353, for the figures "Rs. 25" and "Rs. 2 $\frac{3}{4}$ " the figures "Rs. 30" and "Rs. 5" respectively shall be substituted.

(11) In Article 356, for the figure "Rs. 25" the figure "Rs. 30" shall be substituted.

(12) In Article 357 for the figure "Rs. 25" the figure "Rs. 30" shall be substituted.

(13) In Article 469 after the words "published in Appendix Q," the words "or as provided in the Revised Pension Rules contained in Appendix A" shall be added.

(14) For Appendix A the following Appendix shall be substituted :—

" APPENDIX A "

THE REVISED PENSION RULES.

1. These rules may be called the Revised Pension Rules".

SECTION I.—PENSION.

2. (i) The amount of superannuation, retiring, compensation and invalid pension and compensation gratuity will be the appropriate amount set out in Schedule A.

(ii) A Government servant may retire from service any time after completing 30 years' qualifying service provided that he shall give in this behalf a notice in writing to the appropriate authority, at least three months before the date on which he wishes to retire. Government may, in special cases, require any Government servant to retire any time after he has completed 25 years' qualifying service or on attaining 50 years age if such retirement is considered necessary in the public interest provided that the appropriate authority shall give in this behalf a notice in writing to the Government servant at least three months before the date on which he is required to retire.

(iii) A Government servant who retires or is retired, only in the manner indicated in sub-rule (ii), shall be granted a retiring pension not exceeding such proportion of average emoluments and subject to such maximum limit as are specified in Schedule A.

(iv) No special additional pensions will be granted.

(v) Except when the term 'pension' is used in contradistinction to 'Death *cum* Retirement Gratuity', 'Pension' includes 'Death *cum* Retirement gratuity'.

SECTION II.—DEATH *cum* RETIREMENT GRATUITY.

3. (i) A Government servant who has completed five years' qualifying service may be granted an additional gratuity not exceeding the amount specified in sub-rule (iii), when he retires from service and is eligible for a gratuity or pension under Section I.

(ii) If a Government servant who has completed five years' qualifying service dies while in service, a gratuity not exceeding the amount specified in sub-rule (iii) may be paid to the person or persons on whom the right to receive the gratuity is conferred under rule 4 or, if there is no such person, to the legal heirs of the Government servant.

(iii) The amount of gratuity will be nine-twentieths of the "emoluments" of a Government servant for each completed year of qualifying service subject to a maximum of 15 times the "emoluments". In the event of death of a Government servant while in service, the gratuity will be subject to a minimum of 12 times the emoluments of the Government servant at the time of his death.

Note.—In cases where the qualifying service is less than the prescribed minimum, the deficiency should not be condoned by invoking the provisions of Article 272. In other cases the power conferred under the said Article should be restricted to ensure that where the benefit is given, it is given only to low-paid employees proceeding on invalid or compensation pension.

(iv) If a Government servant who has become eligible for a pension or gratuity under Section I dies within 5 years from the date of retirement, and the sums actually received by him before death on account of such gratuity or pension together with the gratuity granted under sub-rule (i) are less than an amount equal to 12 times his "emoluments", a gratuity equal to the deficiency may be granted to the person or persons specified in sub-rule (ii).

(v) The emoluments for the purpose of this Section will be subject to a maximum of Rs. 800 per mensem and means the emoluments as defined in Article 322, which the Government servant was receiving immediately before retirement (or death), provided that if the emoluments of a Government servant have been reduced during the last three years of his service, otherwise than as a penalty, average emoluments as defined in Article 322 may, at the discretion of the authority which has the power to sanction the gratuity under this Section, be treated as emoluments.

Nominations.

4. (i) "Family" for the purposes of this rule will include the following relatives of the Government servant, namely:—

- (a) wife, in the case of a male Government servant,
- (b) husband, in the case of a female Government servant,
- (c) sons,
- (d) unmarried and widowed daughters,
- (e) brothers below the age of 18 years and unmarried or widowed sisters,
- (f) father, and
- (g) mother.

Note.—(c) and (d) will include step-children.

(ii) A Government servant shall, as soon as he completes five years' qualifying service, make a nomination conferring on one or more persons the right to receive any gratuity that may be sanctioned under sub-rules (ii) and (iv) of rule 3:

Provided that if, at the time of making the nomination, the Government servant has a family, the nomination shall not be in favour of any person or persons other than the members of his family.

(iii) If a Government servant nominates more than one person under sub-rule (ii), he shall specify in the nomination the amount of share payable to each of the nominees in such manner as to cover the whole amount of the gratuity.

(iv) A Government servant may provide in a nomination:—

(a) in respect of any specified nominee, that in the event of his predeceasing the Government servant the right conferred upon that nominee shall pass to such other member of the Government servant's family as may be specified in the nomination;

(b) that the nomination shall become invalid in the event of the happening of a contingency, specified therein.

(v) The nomination made by a Government servant who has no family shall become invalid on his subsequently acquiring a family.

(vi) (a) Every nomination shall be in such one of the Forms A to D annexed to these rules as may be appropriate in the circumstances of the case.

Note.—It is not open to a Government servant to nominate more than one alternate nominee against any original nominee.

(b) A Government servant may at any time cancel a nomination by sending a notice in writing to the appropriate authority, provided that the Government servant shall, along with such notice, send a fresh nomination made in accordance with this rule.

(vii) Immediately on the death of a nominee in respect of whom no special provision has been made in the nomination under clause (a) of sub-rule (iv) or on the occurrence of any event by reason of which the nomination becomes invalid in pursuance of clause (b) of that sub-rule or sub-rule (v), the Government servant shall send to the appropriate authority a notice in writing formally cancelling the nomination, together with a fresh nomination made in accordance with this rule.

(viii) Every nomination made, and every notice of cancellation given by a Government servant under this rule, shall be sent by the Government servant to his Accounts Officer in the case of a gazetted Government servant and to the Head of his Office in the case of a non-gazetted Government servant. Immediately on receipt of a nomination from a non-gazetted Government servant the Head of the Office shall countersign it indicating the date of receipt and keep it under his custody.

(ix) Every nomination made, and every notice of cancellation given, by a Government servant shall, to the extent that it is valid, take effect on the date on which it is received by the authority mentioned in sub-rule (viii).

SECTION III.—FAMILY PENSION.

5. (i) A family pension not exceeding the amount specified in sub-rule (ii) may be granted to the family of a Government servant in the event of his death after he has completed 20 years' qualifying service, for the following period, namely :—

(a) In the event of death of the Government servant while in service, the pension will be payable for five years from the date following the date on which the Government servant dies.

(b) In the event of death of the Government servant after retirement, the pension will be payable for the unexpired portion of five years from the date of retirement.

Note.—In cases where the qualifying service is less than the prescribed minimum, the deficiency should not be condoned by invoking the provisions of Article 272. In other cases, the powers conferred under the said Article should be restricted to ensure that where the benefit is given, it is given only to low-paid employees proceeding on invalid or compensation pension.

(ii) Subject to a maximum of Rs. 150 per mensem in all cases, the amount of family pension will be :—

(a) in the event of death while in service, half the pension admissible to the officer had he retired on the date following the date of his death ;

(b) in the event of death after retirement, half the pension sanctioned for him at the time of retirement.

(iii) "Family" for the purposes of this Section will be as defined in sub-rule (i) of rule 4.

(iv) No pension will be payable under this Section—

(a) to a person mentioned in clause (b) of sub-rule (v) without production of reasonable proof that such person was dependent on the deceased Government servant for support ;

(b) to an unmarried female member of a Government servant's family, in the event of her marriage ;

(c) to a widowed female member of a Government servant's family, in the event of her re-marriage ;

(d) to a brother of a Government servant on his attaining the age of 18 years ;

(e) to a person who is not a member of a Government servant's family.

(v) Except as may be provided by a nomination under sub-rule (vi) :—

(a) a pension sanctioned under this Section will be allowed—

(i) to the eldest surviving widow, if the deceased is a male Government servant or to the husband if the deceased is a female Government servant ;

- (ii) failing a widow or husband, as the case may be, to the eldest surviving son;
- (iii) failing (i) and (ii), to the eldest surviving unmarried daughter;
- (iv) these failing, to the eldest widowed daughter, and
- (b) in the event of no pension becoming payable under clause (a), the pension may be granted—
 - (i) to the father;
 - (ii) failing the father, to the mother;
 - (iii) failing the father and the mother to the eldest surviving brother below the age of 18;
 - (iv) failing (i) to (iii) to the eldest surviving unmarried sister;
 - (v) failing (i) to (iv), to the eldest surviving widowed sister.

(vi) If a Government servant who has completed 20 years' qualifying service desires that a pension that may be sanctioned under this Section should be payable to any members of his family in any order to be specified by him, he may make a nomination for the purpose in Form E annexed to these rules indicating the order in which the pension should be payable to the members of his family; and to the extent that it is valid, the pension will be payable in accordance with such nomination provided the persons concerned satisfy the requirements of sub-rule (iv) at the time of the grant of pension. In case the person concerned does not satisfy the requirements of the said sub-rule the pension shall be granted to the person next lower in the order. The provisions of sub-rules (vi) (b), (viii) and (ix) of rule 4 will apply in respect of nominations under this sub-rule.

(vii) (a) A pension awarded under this Section will not be payable to more than one member of a Government servant's family at the same time.

(b) If a pension awarded under this Section ceases to be payable before the expiry of the period mentioned in sub-rule (i) on account of death or marriage of the recipient or other causes, it will be re-granted to the person next lower in the order mentioned in sub-rule (v) or to the person next lower in the order shown in the nomination made under sub-rule (vi), as the case may be, who satisfies the other provisions of this Section.

(viii) A pension sanctioned under this Section will be tenable in addition to any extraordinary pension or gratuity or compensation that may be granted to the members of a Government servant's family under these Regulations.

(ix) As in the case of the grant of an ordinary pension, future good conduct of the recipient is an implied condition of every grant of a pension under this Section. Government reserves to itself the right of withholding or withdrawing such a pension or any part of it if the recipient be convicted of serious crime or be guilty of grave misconduct and Government decision in such matters will be final.

SECTION IV.—QUALIFYING SERVICE.

6. Qualifying service will be calculated as prescribed in Chapter XV of these Regulations.

SECTION V.—AVERAGE EMOLUMENTS.

7. In the case of a Government servant who elects to be governed by these rules "Average Emoluments" means the average emoluments earned by him during his last three years of service. Emoluments for the purpose of this rule will be as defined in Article 322.

The calculation of average emoluments under the definition above is subject to the provisions mentioned in Articles 323 to 325.

SECTION VI.—COMMUTATION OF PENSIONS AND COMPASSIONATE GRATUITY.

8. The provisions under Chapter XXVII of these Regulations in respect of Commutation and Compassionate Gratuity will not be applicable to Government servants governed by these Rules.

SECTION VII.—DATE OF EFFECT AND APPLICATION TO PERSONS WHO ARE ALREADY IN SERVICE.

9. (i) These rules will have effect from the 1st August 1952 and shall apply to all Government servants in superior and inferior service. These rules shall not apply to Government servants either in superior or inferior service who retired prior to 1st August 1952 :

Provided that in the case of a Government servant in the superior service who has been holding a permanent pensionable appointment from any day before the first day of April 1952, these rules will not be applicable, if on or before the first day of January 1953, he exercises his option, in the manner hereinafter provided, to continue to be governed by the Articles of these Regulations regarding the grant of pensions.

Explanation.—For the purpose of the proviso to this sub-rule "a person holding a permanent pensionable appointment" includes a person holding substantively or in a provisionally substantive capacity, a permanent and pensionable post; and a person holding a permanent lien or a suspended lien on a permanent and pensionable post.

(ii) The option once exercised will be final. It should be exercised by making a declaration in writing and should be communicated by the Government servant to the Head of his Office if he is a non-gazetted Government servant and to the Accountant-General, Mysore, if he is a gazetted Government servant. The declaration when received from a non-gazetted Government servant should be countersigned by the Head of the Office and pasted in the Service Book of the Government servant concerned. It will be the responsibility of a Government servant opting to continue to be governed by the Articles of these Regulations as a whole, to ensure that the receipt of his declaration is acknowledged by the Accountant-General, Mysore or by the Head of his Office, as the case may be.

(iii) Where a Government servant has died on any day on or after the 1st day of April 1952 and before the 1st day of August 1952, his family may be granted the benefit of these rules, if an application is made for such

grant and the applicant repays the amount, if any, received as compassionate gratuity or otherwise granted under these Regulations, or, agrees in writing to the deduction of the amount so received from the amount payable under these rules.

SECTION VIII.—MISCELLANEOUS.

10. (i) No gratuity or pension may be granted under Sections II and III if the Government servant was dismissed or removed for misconduct, insolvency or inefficiency. Compassionate allowances may, however, be granted in accordance with Article 223.

(ii) A gratuity or pension shall be sanctioned under Sections II and III after giving due regard to the provisions of Article 317.

(iii) The provisions of these Regulations which apply to the grant of an ordinary pension will also apply in respect of a gratuity or pension that may be sanctioned under Sections II and III in so far as such provisions are not inconsistent with the provisions of these rules.

(iv) The procedure for application, sanction and payment of death-cum-retirement gratuity and family pension will be as in Schedule B.

11. When a Government servant governed by these Rules is after retirement re-appointed, his pay will be so fixed that the pay plus the pension does not exceed the pay drawn while last in service and the pension to be taken into consideration will be the pension he actually draws or is entitled to draw under these Rules plus the pension equivalent of the gratuity, which he has received or is entitled to receive on retirement. The pension equivalent of the gratuity will be determined on the basis of the table of commutation of pensions in Appendix 'L' the age of the person being taken as the age next birthday after retirement from Government service.

Note.—When a Government servant is re-employed in a post in a lower grade than that from which he retired, he shall be given the minimum of the post in which he is re-employed subject to the maximum specified in this rule.

SCHEDULE B

(Vide Rule 10.)

DEATH cum RETIREMENT GRATUITY.

(a) When the gratuity is payable to the Government servant on his retirement an application should be made in the form as in Form 'F'.

On receipt of the certificate of the Accountant-General on the third page of the form, the competent authority who will be the same as the authority competent to sanction the pension of the Government servant concerned, may

formally sanction the gratuity. If the Government servant dies before receiving payment, the amount will be payable to his legal heirs and the payment will be made only to the person who produces the legal authority.

(b) *When the gratuity is payable to the nominee or legal heir of the Government servant who dies while in service.*—If the Government servant has executed a nomination in the prescribed form and the nomination subsists, the Head of the Office/Department should, on receipt of the death report of the Government servant, draw up a statement of his services in the second page of Form 'F'. If there is no nomination, or if the nomination does not subsist, the gratuity is payable only to the legal heirs of the deceased and in such cases the Head of the Office/Department need draw up the statement of services only on receipt of an application for the gratuity from or on behalf of the legal heirs supported by legal authority. The statement of services along with the provisional recommendations of the competent authority as to the amount of gratuity proposed to be paid (and the name and address of the person or persons to whom it is to be paid together with the nomination form, in the case of a non-gazetted Government servant) shall be forwarded to the Accountant-General for verification. After obtaining the certificate of verification (and ascertaining from the Accountant-General the details as to the nominee or nominees if the deceased is a gazetted Government servant) formal sanction to the payment of the gratuity may be accorded by the competent authority. The sanction should indicate the name, address and the relationship to the deceased Government servant of the person or persons to whom the gratuity is to be paid and the amount to be paid to each of them. The Accountant-General will then arrange for the disbursement of the amounts.

(c) *When the gratuity is payable under rule 3 (iv).*—In such a case the service of the Government servant would have been verified, and in other respects the procedure indicated in paragraph (b) above may be followed.

Family Pension.

(d) Two types of cases may arise in connection with family pension, namely, cases where the pension is payable in accordance with the nomination executed by the Government servant/pensioner and cases where it is payable to the person mentioned in sub-rule (v) of rule 5. Where the pension is payable in the order mentioned in the nomination, on receipt of the death-report of the Government servant/pensioner, the Head of the Office/Department should direct the nominee to submit an application in Form 'G'. If there is no such nominee, and an application in Form 'G' is received from a person mentioned in sub-rule (v) of rule 5, the Head of the Office/Department may make such enquiries as may be necessary, to ascertain that the pension is not payable to any other person mentioned in the aforesaid sub-rule. If the applicant is a person mentioned in clause (b) of that sub-rule, the Head of the Office/Department should satisfy himself that the applicant was dependent on the Government servant/pensioner for support after making such enquiries as may be necessary. The Head of the Office/Department should then arrange

for verification of the Government servant's service in the manner indicated in paragraph (b) above and should determine the amount of family pension. After the Accountant-General has applied the necessary checks and certified as to the admissibility of family pension, the competent authority who will be the same as the authority competent to sanction the pension of the deceased Government servant, may accord formal sanction to the payment of the pension. The sanction should indicate the name of the person to whom the pension is payable and also the period up to which it is payable. On receipt of the sanction, the Accountant-General will issue the family pension payment order for the specified period indicating the event, if any, on the happening of which the payment should be stopped. In the matter of identification of the recipient of the family pension, the Treasury Officer will exercise the necessary checks. If the person to whom a family pension has been sanctioned dies or becomes ineligible for the pension before the expiry of the period for which the pension is otherwise admissible, the pension may be re-granted to the next person eligible to receive it for the unexpired portion of that period and the foregoing procedure should be followed in such cases also. If a family pension is payable to a minor and at the time of sanctioning the pension he has a regularly appointed guardian, the pension may be sanctioned as payable through such guardian and in such cases a descriptive roll (in duplicate) of the person who may be authorised to receive payment should accompany the application in Form 'G'.

Anticipatory Payments.

(e) When a Government servant who is entitled to death *cum* retirement gratuity is likely to retire before the amount of the gratuity can be finally assessed and settled in accordance with the procedure mentioned above, the Accountant-General may sanction the disbursement of not more than three-fourths of the amount of gratuity to which, after the most careful summary investigation that he can make without delay, he believes the Government servant to be entitled to on the basis of permanent service alone. Similar payments of gratuity may also be authorised in the appropriate proportion to the nominees or the legal heirs who produce the usual legal authority, in the event of the death of the Government servant. In all cases the anticipatory payment of death *cum* retirement gratuity should be made after the recipient has executed a declaration in Form 'H'.

GOVERNMENT OF INDIA.

Office of the Chief Controller of Exports.
(Ministry of Commerce and Industry).

No. 2-E. Misc. (5)—52.

New Delhi, the 2nd September 1952.

EXPRESS LETTER.

To—The Joint Chief Controller of Imports and Exports,
Bombay—Calcutta.

The Deputy Chief Controller of Exports, Madras.

The Export Trade Controller, Amritsar—Shillong.

The Import Export Trade Controller, Rajkot.

Subject:—Export of Indigenous Machinery Millwork and parts thereof.

In continuation of the instructions contained in this office letter No. 2-Misc. (5)—51, dated the 18th April 1952, on the above-subject, it has been decided that, in fixing quotas for the export of indigenous centrifugal pumps of below 6" delivery option may be given to the manufacturers to choose either the year 1951 or the period January—June 1952, as the basic period for qualifying for quotas, whichever may be advantageous to them. This change may be notified to the Trade, by a suitable Trade Notice.

Assistant Controller.

For Chief Controller of Exports.

II. Express letter No. 14-M. & O. (10)—52, dated 10th September 1952, from the Chief Controller of Exports, Government of India (Ministry of Commerce and Industry), New Delhi, addressed to the Joint Chief Controller of Exports, Bombay—Calcutta, the Deputy Chief Controller of Exports, Madras, etc., and copy of which to all concerned.

Subject:—Export of Zinc Concentrates.

Reference to this Office Express letter of even No. dated the 12th June 1952, on the above subject.

2. It has now been decided to extend the period of unconditional exports of zinc concentrates till the end of June 1953. It has also been decided to waive the condition of return of 50 per cent metal contents in respect of consignments already shipped and against which the metal contents have not been returned to India.

3. A trade notice may be issued accordingly.

III. Express letter No. 19 E. Misc. (12)—52, dated 2nd September 1952, from the Chief Controller of Exports, Government of India, (Ministry of Commerce and Industry) New Delhi, addressed to the Joint Chief Controller of Imports and Exports, Calcutta—Bombay, etc., and a copy of which to all concerned.

In continuation of this Office letter No. 19 E. Misc. (1)—52, dated the 9th March 1952, regarding export of cement manufactures, it has been decided that export of indigenous cement manufactures except cement pipes reinforced with steel may be licensed freely on presentation of shipping bills up to the 31st December 1952, to all permissible destinations. A suitable trade notice may be issued for the guidance of the trade.

2. These instructions do not, however, apply to asbestos cement and manufactures thereof.

3. Monthly statements showing the actual exports and quantity licenced should be furnished so as to reach this office by the 7th of the month following that to which the return relates.

Dated 18th October 1952.

No. C. & D. 3255. The following Public Notices issued by the Government of India, Ministry of Commerce and Industry, regarding (1) Procedure for submission of applications for import licenses, (2) Import of Domestic Type Flour Mills, vertical and horizontal and (3) Shipment of seed potatoes against licenses issued during January-June and July-December 1952, are republished for general information:—

By Order of His Highness the Maharaja,

GOVERNMENT OF INDIA.
MINISTRY OF COMMERCE AND INDUSTRY.
(IMPORT TRADE CONTROL).

Public Notice.

New Delhi, the 29th August, 1952.

Subject:—Applications for import licences—submission thereof in duplicate.

No. 93—ITC. (PN.) 52 Importers are at present required to submit applications in duplicate for Capital Goods, heavy Electrical Plant and certain other items. It has now been decided that henceforth all applicants for import licences for the value of Rupees one lakh and above should send their applications (only) in duplicate to the respective licensing authorities. Applications from industrial undertakings and other actual users should, however, always be sent in duplicate, irrespective of value. Importers who have already sent applications to the Licensing Authorities during the current licensing period need not send duplicate copies now.

Public Notice.

New Delhi, the 9th September 1952.

Subject:—Import of Domestic Type Flour Mills, Vertical and Horizontal.

No. 100—ITC. (PN.)-52. The attention of importers is invited to para 11 (a) in Appendix 'A' to the Plant and Machinery Hand Book, 1952, according to which the import of domestic type flour mills, vertical and horizontal, is not allowed from any source. It has been brought to the notice of the Government that some importers have tried to import these domestic type flour mills under Serial No. 65 (6) of Part V of the Import Trade Control Schedule under Open General Licence XVI. It is notified for the information of all concerned that domestic type flour mills will not be allowed clearance under "Open General Licence XVI."

L. K. JHA.

Joint Secy. to the Govt. of India.

Public Notice.

New Delhi, the 11th September 1952.

Subject:—Shipment of Seed Potatoes failing under Serial No. 17—IV of the I.T.C. Schedule against licences issued during January—June and July—December 1952.

No. 101—ITC. (PN.)-52. It has been brought to notice that the sowing season for Seed Potatoes is from October to December each year and any Seed Potatoes imported after December cannot be used for the purpose of sowing. It has therefore been decided that irrespective of the period shown in the licences issued for import of Seed Potatoes all licences which were valid for shipment after 31st December 1952 should be deemed to be valid for shipment only up to 31st December 1952. Shipments of Seed Potatoes made after the 31st December 1952 against such licences will be treated as unauthorised.

NOTIFICATION

No. Fl. (B) 7337-7437—C. R. 32-52-1, dated 4th October 1952.

In exercise of the powers conferred by the proviso to Article 309 read with Article 313 of the Constitution of India, His Highness the Rajprāmukh of Mysore is pleased to make the following further amendments to the Mysore Service Regulations, namely:—

In the said Regulations,

(1) In Article 220 for the words "The pensions of all officers holding substantive appointments", the words, "Subject to the provisions of the Revised Pension Rules contained in Appendix A in respect of officers to whom the said Rules are applicable, the pensions of all officers holding substantive appointments" shall be substituted.

(2) In Article 227, for the words "sixteen years" the words "eighteen years" shall be substituted, and to the said Article the following proviso shall be added, namely:—

"Provided that in the case of an officer who entered service on or before the 1st April 1952, service counts after the age of sixteen years, if having entered service he held a lien or a suspended lien on a permanent and pensionable post under the Government on or before that date".

(3) Under Article 232, the following notes shall be inserted, namely:—

Note 1.—In respect of inferior service, periods of extraordinary leave and any temporary service or portion thereof which counts towards qualifying service under these Regulations will be excluded for the purpose of temporary service qualifying for pension.

Note 2.—If any temporary service is interrupted, the interruption should not be condoned under Article 271, with a view to confer on the officer, either superior or inferior, a larger benefit than is contemplated under this Article.

(4) In Article 256, for the word and figure "Article 321", the words "the Revised Pension Rules contained in Appendix A" shall be substituted.

(5) In Section I of Chapter XVII, the headings "Superior Service" and "Inferior Service" and Article 274 shall be omitted, and in Article 273, the words "for Superior Service" shall be omitted.

(6) In clauses (a) and (b) of Article 305, for the words "in Superior Service", the words "in Superior or Inferior Service" shall be substituted.

(7) In Article 306, for the words and figures "on the same conditions as if he had been invalided under Article 321 and to the option laid by Article 256" the words and figures, "according to the option laid by Article 256" shall be substituted.

(8) In Article 315 for the words and figures, "Articles 320 and 321," the word and figure "Article 320" shall be substituted.

(9) Section III and Article 321 shall be omitted.

(10) In Article 353, for the figures "Rs. 25" and "Rs. 23 $\frac{3}{4}$ " the figures "Rs. 30" and "Rs. 5" respectively shall be substituted.

(11) In Article 356, for the figure "Rs. 25" the figure "Rs. 30" shall be substituted.

(12) In Article 357 for the figure "Rs. 25" the figure "Rs. 30" shall be substituted.

(13) In Article 469 after the words "published in Appendix Q," the words "or as provided in the Revised Pension Rules contained in Appendix A" shall be added.

(14) For Appendix A the following Appendix shall be substituted:—

"APPENDIX A"

THE REVISED PENSION RULES

1. These rules may be called the "Revised Pension Rules".

SECTION I.—PENSION.

2. (i) The amount of superannuation, retiring, compensation and invalid pension and compensation gratuity will be the appropriate amount set out in Schedule A.

(ii) A Government servant may retire from service any time after completing 30 years' qualifying service provided that he shall give in this behalf a notice in writing to the appropriate authority, at least three months before the date on which he wishes to retire. Government may, in special cases, require any Government servant to retire any time after he has completed 25 years' qualifying service or on attaining 50 years' age if such retirement is considered necessary in the public interest provided that the appropriate authority shall give in this behalf a notice in writing to the Government servant at least three months before the date on which he is required to retire.

(iii) A Government servant who retires or is retired, only in the manner indicated in sub-rule (ii), shall be granted a retiring pension not exceeding such proportion of average emoluments and subject to such maximum limit as are specified in Schedule A.

(iv) No special additional pensions will be granted.

(v) Except when the term 'pension' is used in contradistinction to 'Death *cum* Retirement Gratuity', 'Pension' includes 'Death *cum* Retirement gratuity'.

SECTION II.—DEATH *cum* RETIREMENT GRATUITY.

3. (i) A Government servant who has completed five years' qualifying service may be granted an additional gratuity not exceeding the amount specified in sub-rule (iii), when he retires from service and is eligible for a gratuity or pension under Section I.

(ii) If a Government servant who has completed five years' qualifying service dies while in service, a gratuity not exceeding the amount specified in sub-rule (iii) may be paid to the person or persons on whom the right to receive the gratuity is conferred under rule 4 or, if there is no such person, to the legal heirs of the Government servant.

(iii) The amount of gratuity will be nine-twentieths of the "emoluments" of a Government servant for each completed year of qualifying service subject to a maximum of 15 times the "emoluments". In the event of death of a Government servant while in service, the gratuity will be subject to a minimum of 12 times the emoluments of the Government servant at the time of his death.

Note.—In cases where the qualifying service is less than the prescribed minimum, the deficiency should not be condoned by invoking the provisions of Article 272. In other cases the power conferred under the said Article should be restricted to ensure that where the benefit is given, it is given only to low-paid employees proceeding on invalid or compensation pension.

(iv) If a Government servant who has become eligible for a pension or gratuity under Section I dies within 5 years from the date of retirement, and the sums actually received by him before death on account of such gratuity or pension together with the gratuity granted under sub-rule (i) are less than an amount equal to 12 times his "emoluments", a gratuity equal to the deficiency may be granted to the person or persons specified in sub-rule (ii).

(v) The emoluments for the purpose of this Section will be subject to a maximum of Rs. 800 per mensem and means the emoluments as defined in Article 322, which the Government servant was receiving immediately before retirement (or death), provided that if the emoluments of a Government servant have been reduced during the last three years of his service, otherwise than as a penalty, average emoluments as defined in Article 322 may, at the discretion of the authority which has the power to sanction the gratuity under this Section, be treated as emoluments.

Nominations.

4. (i) "Family" for the purposes of this rule will include the following relatives of the Government servant, namely:—

- (a) wife, in the case of a male Government servant,
- (b) husband, in the case of a female Government servant,
- (c) sons,
- (d) unmarried and widowed daughters,
- (e) brothers below the age of 18 years and unmarried or widowed sisters,
- (f) father, and
- (g) mother.

Note.—(c) and (d) will include step-children.

(ii) A Government servant shall, as soon as he completes five years' qualifying service, make a nomination conferring on one or more persons the right to receive any gratuity that may be sanctioned under sub-rules (ii) and (iv) of rule 3:

Provided that if, at the time of making the nomination, the Government servant has a family, the nomination shall not be in favour of any person or persons other than the members of his family.

(iii) If a Government servant nominates more than one person, under sub-rule (ii), he shall specify in the nomination the amount of share payable to each of the nominees in such manner as to cover the whole amount of the gratuity.

(iv) A Government servant may provide in a nomination:—

(a) in respect of any specified nominee, that in the event of his predeceasing the Government servant the right conferred upon that nominee shall pass to such other member of the Government servant's family as may be specified in the nomination;

(b) that the nomination shall become invalid in the event of the happening of a contingency, specified therein.

(v) The nomination made by a Government servant who has no family shall become invalid on his subsequently acquiring a family.

(vi) (a) Every nomination shall be in such one of the Forms A to D annexed to these rules as may be appropriate in the circumstances of the case.

Note.—It is not open to a Government servant to nominate more than one alternate nominee against any original nominee.

(b) A Government servant may at any time cancel a nomination by sending a notice in writing to the appropriate authority, provided that the Government servant shall, along with such notice, send a fresh nomination made in accordance with this rule.

(vii) Immediately on the death of a nominee in respect of whom no special provision has been made in the nomination under clause (a) of sub-rule (iv) or on the occurrence of any event by reason of which the nomination becomes invalid in pursuance of clause (b) of that sub-rule or sub-rule (v), the Government servant shall send to the appropriate authority a notice in writing formally cancelling the nomination, together with a fresh nomination made in accordance with this rule.

(viii) Every nomination made, and every notice of cancellation given by a Government servant under this rule, shall be sent by the Government servant to his Accounts Officer in the case of a gazetted Government servant and to the Head of his Office in the case of a non-gazetted Government servant. Immediately on receipt of a nomination from a non-gazetted Government servant the Head of the Office shall countersign it indicating the date of receipt and keep it under his custody.

(ix) Every nomination made, and every notice of cancellation given, by a Government servant shall, to the extent that it is valid, take effect on the date on which it is received by the authority mentioned in sub-rule (viii).

SECTION III.—FAMILY PENSION.

5. (i) A family pension not exceeding the amount specified in sub-rule (ii) may be granted to the family of a Government servant in the event of his death after he has completed 20 years' qualifying service, for the following period, namely:—

- (a) In the event of death of the Government servant while in service, the pension will be payable for five years from the date following the date on which the Government servant dies.
- (b) In the event of death of the Government servant after retirement, the pension will be payable for the unexpired portion of five years from the date of retirement.

Note.—In cases where the qualifying service is less than the prescribed minimum, the deficiency should not be condoned by invoking the provisions of Article 272. In other cases, the powers conferred under the said Article should be restricted to ensure that where the benefit is given, it is given only to low-paid employees proceeding on invalid or compensation pension.

(ii) Subject to a maximum of Rs. 150 per mensem in all cases, the amount of family pension will be:—

- (a) in the event of death while in service, half the pension admissible to the officer had he retired on the date following the date of his death;
- (b) in the event of death after retirement, half the pension sanctioned for him at the time of retirement.

(iii) "Family" for the purposes of this Section will be as defined in sub-rule (i) of rule 4.

(iv) No pension will be payable under this Section—

- (a) to a person mentioned in clause (b) of sub-rule (v) without production of reasonable proof that such person was dependent on the deceased Government servant for support;
- (b) to an unmarried female member of a Government servant's family, in the event of her marriage;
- (c) to a widowed female member of a Government servant's family, in the event of her re-marriage;
- (d) to a brother of a Government servant on his attaining the age of 18 years;
- (e) to a person who is not a member of a Government servant's family.

(v) Except as may be provided by a nomination under sub-rule (vi):—

(a) a pension sanctioned under this Section will be allowed—

- (i) to the eldest surviving widow, if the deceased is a male Government servant or to the husband if the deceased is a female Government servant;

- (ii) failing a widow or husband, as the case may be, to the eldest surviving son;
- (iii) failing (i) and (ii), to the eldest surviving unmarried daughter;
- (iv) these failing, to the eldest widowed daughter, and
- (b) in the event of no pension becoming payable under clause (a), the pension may be granted—
 - (i) to the father;
 - (ii) failing the father, to the mother;
 - (iii) failing the father and the mother to the eldest surviving brother below the age of 18;
 - (iv) failing (i) to (iii) to the eldest surviving unmarried sister;
 - (v) failing (i) to (iv), to the eldest surviving widowed sister.

(vi) If a Government servant who has completed 20 years' qualifying service desires that a pension that may be sanctioned under this Section should be payable to any members of his family in any order to be specified by him, he may make a nomination for the purpose in Form E annexed to these rules indicating the order in which the pension should be payable to the members of his family; and to the extent that it is valid, the pension will be payable in accordance with such nomination provided the persons concerned satisfy the requirements of sub-rule (iv) at the time of the grant of pension. In case the person concerned does not satisfy the requirements of the said sub-rule the pension shall be granted to the person next lower in the order. The provisions of sub-rules (vi) (b), (viii) and (ix) of rule 4 will apply in respect of nominations under this sub-rule.

(vii) (a) A pension awarded under this Section will not be payable to more than one member of a Government servant's family at the same time.

(b) If a pension awarded under this Section ceases to be payable before the expiry of the period mentioned in sub-rule (i) on account of death or marriage of the recipient or other causes, it will be re-granted to the person next lower in the order mentioned in sub-rule (v) or to the person next lower in the order shown in the nomination made under sub-rule (vi), as the case may be, who satisfies the other provisions of this Section.

(viii) A pension sanctioned under this Section will be tenable in addition to any extraordinary pension or gratuity or compensation that may be granted to the members of a Government servant's family under these Regulations.

(ix) As in the case of the grant of an ordinary pension, future good conduct of the recipient is an implied condition of every grant of a pension under this Section. Government reserves to itself the right of withholding or withdrawing such a pension or any part of it if the recipient be convicted of serious crime or be guilty of grave misconduct and Government decision in such matters will be final.

SECTION IV.—QUALIFYING SERVICE.

6. Qualifying service will be calculated as prescribed in Chapter XV of these Regulations.

SECTION V.—AVERAGE EMOLUMENTS.

7. In the case of a Government servant who elects to be governed by these rules "Average Emoluments" means the average emoluments earned by him during his last three years of service. Emoluments for the purpose of this rule will be as defined in Article 322.

The calculation of average emoluments under the definition above is subject to the provisions mentioned in Articles 323 to 325.

SECTION VI.—COMMUTATION OF PENSIONS AND COMPASSIONATE GRATUITY.

8. The provisions under Chapter XXVII of these Regulations in respect of Commutation and Compassionate Gratuity will not be applicable to Government servants governed by these Rules.

SECTION VII.—DATE OF EFFECT AND APPLICATION TO PERSONS WHO ARE ALREADY IN SERVICE.

9. (i) These rules will have effect from the 1st August 1952 and shall apply to all Government servants in superior and inferior service. These rules shall not apply to Government servants either in superior or inferior service who retired prior to 1st August 1952:

Provided that in the case of a Government servant in the superior service who has been holding a permanent pensionable appointment from any day before the first day of April 1952, these rules will not be applicable, if on or before the first day of January 1953, he exercises his option, in the manner hereinafter provided, to continue to be governed by the Articles of these Regulations regarding the grant of pensions.

Explanation.—For the purpose of the proviso to this sub-rule "a person holding a permanent pensionable appointment" includes a person holding substantively or in a provisionally substantive capacity, a permanent and pensionable post; and a person holding a permanent lien or a suspended lien on a permanent and pensionable post.

(ii) The option once exercised will be final. It should be exercised by making a declaration in writing and should be communicated by the Government servant to the Head of his Office if he is a non-gazetted Government servant and to the Accountant-General, Mysore, if he is a gazetted Government servant. The declaration when received from a non-gazetted Government servant should be countersigned by the Head of the Office and pasted in the Service Book of the Government servant concerned. It will be the responsibility of a Government servant opting to continue to be governed by the Articles of these Regulations as a whole, to ensure that the receipt of his declaration is acknowledged by the Accountant-General, Mysore or by the Head of his Office, as the case may be.

(iii) Where a Government servant has died on any day on or after the 1st day of April 1952 and before the 1st day of August 1952, his family may be granted the benefit of these rules, if an application is made for such

grant and the applicant repays the amount, if any, received as compassionate gratuity or otherwise granted under these Regulations, or, agrees in writing to the deduction of the amount so received from the amount payable under these rules.

SECTION VIII.—MISCELLANEOUS.

10. (i) No gratuity or pension may be granted under Sections II and III if the Government servant was dismissed or removed for misconduct, insolvency or inefficiency. Compassionate allowances may, however, be granted in accordance with Article 223.

(ii) A gratuity or pension shall be sanctioned under Sections II and III after giving due regard to the provisions of Article 317.

(iii) The provisions of these Regulations which apply to the grant of an ordinary pension will also apply in respect of a gratuity or pension that may be sanctioned under Sections II and III in so far as such provisions are not inconsistent with the provisions of these rules.

(iv) The procedure for application, sanction and payment of death-cum-retirement gratuity and family pension will be as in Schedule B.

11. When a Government servant governed by these Rules is after retirement re-appointed, his pay will be so fixed that the pay plus the pension does not exceed the pay drawn while last in service and the pension to be taken into consideration will be the pension he actually draws or is entitled to draw under these Rules plus the pension equivalent of the gratuity, which he has received or is entitled to receive on retirement. The pension equivalent of the gratuity will be determined on the basis of the table of commutation of pensions in Appendix 'L' the age of the person being taken as the age next birthday after retirement from Government service.

Note.—When a Government servant is re-employed in a post in a lower grade than that from which he retired, he shall be given the minimum of the post in which he is re-employed subject to the maximum specified in this rule.

SCHEDULE B.

(Vide Rule 10.)

DEATH cum RETIREMENT GRATUITY.

(a) When the gratuity is payable to the Government servant on his retirement an application should be made in the form as in Form F.

On receipt of the certificate of the Accountant-General on the third page of the form, the competent authority who will be the same as the authority competent to sanction the pension of the Government servant concerned, may

formally sanction the gratuity. If the Government servant dies before receiving payment, the amount will be payable to his legal heirs and the payment will be made only to the person who produces the legal authority.

(b) *When the gratuity is payable to the nominee or legal heir of the Government servant who dies while in service.*—If the Government servant has executed a nomination in the prescribed form and the nomination subsists, the Head of the Office/Department should, on receipt of the death report of the Government servant, draw up a statement of his services in the second page of Form 'F'. If there is no nomination, or if the nomination does not subsist, the gratuity is payable only to the legal heirs of the deceased and in such cases the Head of the Office/Department need draw up the statement of services only on receipt of an application for the gratuity from or on behalf of the legal heirs supported by legal authority. The statement of services along with the provisional recommendations of the competent authority as to the amount of gratuity proposed to be paid (and the name and address of the person or persons to whom it is to be paid together with the nomination form, in the case of a non-gazetted Government servant) shall be forwarded to the Accountant-General for verification. After obtaining the certificate of verification (and ascertaining from the Accountant-General the details as to the nominee or nominees if the deceased is a gazetted Government servant) formal sanction to the payment of the gratuity may be accorded by the competent authority. The sanction should indicate the name, address and the relationship to the deceased Government servant of the person or persons to whom the gratuity is to be paid and the amount to be paid to each of them. The Accountant-General will then arrange for the disbursement of the amounts.

(c) *When the gratuity is payable under rule 3 (iv).*—In such a case the service of the Government servant would have been verified, and in other respects the procedure indicated in paragraph (b) above may be followed.

Family Pension.

(d) Two types of cases may arise in connection with family pension, namely, cases where the pension is payable in accordance with the nomination executed by the Government servant/pensioner and cases where it is payable to the person mentioned in sub-rule (v) of rule 5. Where the pension is payable in the order mentioned in the nomination, on receipt of the death-report of the Government servant/pensioner, the Head of the Office/Department should direct the nominee to submit an application in Form 'G'. If there is no such nominee, and an application in Form 'G' is received from a person mentioned in sub-rule (v) of rule 5, the Head of the Office/Department may make such enquiries as may be necessary, to ascertain that the pension is not payable to any other person mentioned in the aforesaid sub-rule. If the applicant is a person mentioned in clause (b) of that sub-rule, the Head of the Office/Department should satisfy himself that the applicant was dependent on the Government servant/pensioner for support after making such enquiries as may be necessary. The Head of the Office/Department should then arrange

for verification of the Government servant's service in the manner indicated in paragraph (b) above and should determine the amount of family pension. After the Accountant-General has applied the necessary checks and certified as to the admissibility of family pension, the competent authority who will be the same as the authority competent to sanction the pension of the deceased Government servant, may accord formal sanction to the payment of the pension. The sanction should indicate the name of the person to whom the pension is payable and also the period up to which it is payable. On receipt of the sanction, the Accountant-General will issue the family pension payment order for the specified period indicating the event, if any, on the happening of which the payment should be stopped. In the matter of identification of the recipient of the family pension, the Treasury Officer will exercise the necessary checks. If the person to whom a family pension has been sanctioned dies or becomes ineligible for the pension before the expiry of the period for which the pension is otherwise admissible, the pension may be re-granted to the next person eligible to receive it for the unexpired portion of that period and the foregoing procedure should be followed in such cases also. If a family pension is payable to a minor and at the time of sanctioning the pension he has a regularly appointed guardian, the pension may be sanctioned as payable through such guardian and in such cases a descriptive roll (in duplicate) of the person who may be authorised to receive payment should accompany the application in Form 'G'.

Anticipatory Payments.

(e) When a Government servant who is entitled to death *cum* retirement gratuity is likely to retire before the amount of the gratuity can be finally assessed and settled in accordance with the procedure mentioned above, the Accountant-General may sanction the disbursement of not more than three-fourths of the amount of gratuity to which, after the most careful summary investigation that he can make without delay, he believes the Government servant to be entitled to on the basis of permanent service alone. Similar payments of gratuity may also be authorised in the appropriate proportion to the nominees or the legal heirs who produce the usual legal authority, in the event of the death of the Government servant. In all cases the anticipatory payment of death *cum* retirement gratuity should be made after the recipient has executed a declaration in Form 'H'.

No. Fl. (B) 9553—C.R. 1-52-17. In exercise of the powers conferred by the proviso to Article 309 read with Article 313 of the Constitution of India, the Rajpramukh of Mysore, is pleased to make the following further amendments to the Mysore Service Regulations, namely:—

In the said Regulations, the following shall be added as Article 502B, namely:—

1. "502B. *Journey by Air.*—Except in the case of Secretaries to Government and Heads of Departments, journey by Air requires the specific sanction of Government which will be accorded only in cases of extreme urgency necessitating such a journey.

2. Travel by Air means journeys performed in the machines of Public Air Transport Companies regularly plying for hire. It does not include journeys performed by private aeroplanes or air taxis.

3. Travel by Air is permissible on tour only.

4. A Government servant authorised to travel by Air is entitled to a mileage allowance equal to one and one-fourth air fare for the journey.

5. If available, return tickets at reduced rates should always be purchased, when a Government servant expects to perform the return journey by Air within the period during which a return ticket is available. The mileage allowance for the forward or return journeys when such return tickets are available, will, however, be the actual cost of the return ticket plus one-half of the standard air fare for a single journey between the two places.

6. Insurance for Air travel will be met by Government, subject to the amount of premium being restricted to rupees ten per trip."

The Notification shall be deemed to have come into force on the 1st day of September 1952.

By Order and in the name of the Rajpramukh.

5928

Circular.

Dated 25th November 1952.

No. Fl. (B) 9778-9808—C.R. 43-52-2. As per Article 41 of the Mysore Civil Account Code, Volume I, the District Judges and District Magistrates are required to send to the Accountant-General's Office consolidated statements of fines realised by the Courts, duly agreed with the treasury figures. The despatch of these statements may be discontinued and the following revised procedure followed in future:—

(a) The duty of realising fines and of checking the receipts and refunds rests with the Government servants of the departments concerned.

Each Court, Civil or Criminal, is required to submit to the District Judge or the District Magistrate, as the case may be, on the last working day of each calendar month, a statement in Form 5 of Fees, Fines, etc., realised in each Court and remitted to the Treasury during the month.

The statement should be made up for the account month of the District Treasury or Taluk Treasury with which the Court deals.

The District Judge and the District Magistrate, should each consolidate these returns into a monthly fines statement for the Courts under him, and forward it to the Treasury Officer, as soon as possible, after the beginning of the following month, for verification of the amounts shown as remitted into the Treasury with the credits appearing in the Treasury account. The Treasury Officer should certify as to the correctness of or otherwise of these amounts. When there is any discrepancy between a consolidated statement, and the Treasury account, the Treasury Officer may, if necessary, before giving his certificate, request the District Judge or the District Magistrate, as the case may be, to explain the discrepancy.

I. Compensation fines due to an injured party which are creditable to deposits, and fines which, under competent authority, are credited to a Municipal or other Local Fund, will be excluded from this return.

(ii) Fines to be credited to Municipalities or other Local Funds will be entered in separate registers for each Municipality or Fund, and when the Municipality or Fund banks with a local treasury, the amounts will be remitted by the Court direct to the Treasury for being credited to the account of such fund.

(iii) Courts realising arrears of Municipal Taxes under the Municipal Acts or fines which under any law in force are credited to Municipal or other Local Funds, will furnish at the end of the month in which the realisations are effected, a statement in the prescribed form (No. 194 Criminal) to the Municipality or other body concerned.

A register in the prescribed form will be maintained in the offices of the District Magistrates and the District Judge, for consolidating the figures of the several Courts in each month. As the District Judge will receive statements from Courts situated in different Districts, the figures of the Courts of each District will be entered on separate pages in the register.

(1) All fines realised by the police on warrants should be paid, as far as possible, into the Court concerned for payment into the District Treasury; but, when the fine is realised in a taluk, it must be paid into the nearest Taluk Treasury and a receipt obtained, which the police officer will send with the warrant to the Court. The Court will then enter the fine in the proper register as realised and as paid into the Taluk Treasury, sending the Taluk Treasury receipt to the District Treasury.

(2) All fines levied and confiscations ordered under the State Excise Regulations by judicial officers should be shown in a separate column in the statement of fees and fines.

(3) When any amount is realised in any district on account of a fine imposed in another district of the State, the amount should not be remitted to the Court which inflicted the fine, but should be treated for the purpose of the fines statement, as if a fine equal to the amount realised had been inflicted by the Court in which it is realised. The Court which realises the amount should send an advice of the recovery to the court which inflicted the fine, and should also make a note of the court to which the amount realised relates, against the credit in its fines register, and monthly statement. The Court which inflicted the fine should, on receiving the intimation, note in its fines register, and the monthly statement, the amount of the recovery so advised, and the name of the treasury into which the amount was paid.

All fees and fines, Civil or Criminal, stamp penalties, deficient stamp duty, and any other items belonging to Government realised by Courts, will be entered in remittance books, one to be headed "Administration of Justice" and the other "Stamps," with particulars of the date of remittance, nature of item and amount. The books will be signed by the Nazir and the Judge in the proper columns, and sent with the money to the treasury on the day of realisation to be credited under the proper head. The Treasurer and the Treasury Officer will sign in the proper columns and return the books. At the end of the month the entries will be totalled by the Nazir and forwarded to the treasury, where the totals will be checked with the Treasury account and signed by the Treasurer and Treasury Officer, if correct.

NOTE.—The annual Cash Balance statements of Civil Courts and the Half-yearly Fines Statements of Criminal Courts will be got certified by the Treasuries before submission to the High Court. To enable the treasuries to furnish these certificates, the Courts will furnish them with particulars of remittances and a copy of the remittance register relating to the period.

6257

Dated 26th November 1952.

No. FI. (B) 9834-923—C.R. 1-52-19. In exercise of the powers conferred by the proviso to Article 309 read with Article 313 of the Constitution of India, His Highness the Rajpramukh of Mysore is pleased to make the following further amendments to the Mysore Service Regulations:—

In the said Regulations, after Article 74, the following Heading and Article shall be inserted, namely:—

"NEXT BELOW RULE."

"75. When a person in a post (whether within the cadre of his service or not) is for any reason prevented from officiating in his turn in a post on a higher scale or grade borne on the cadre of the service to which he belongs, he may be authorised by special order of the appropriate authority PRO FORMA officiating promotion into such scale or grade and thereupon be granted the pay of that scale or grade if that be more advantageous to him, on each occasion on which the person immediately junior to him in the cadre of his service (or if that person has been passed over for reasons of inefficiency or unsuitability or because he is on leave or serving outside the ordinary line or foregoes officiating promotion of his own volition to that scale or grade; then the person next junior to him not so passed over) draws officiating salary in that scale or grade".

Provided that all persons senior to the person to whom the benefit under the substantive part of this rule is to be allowed are also drawing, unless they have been passed over for one or other of the reasons aforesaid, officiating salary in the said or some higher scale or grade within the cadre.

Provided further that NOT MORE THAN ONE PERSON (either the seniormost fit person in a series of adjacent persons outside the ordinary line, or, if such a person either foregoes the benefit of his own volition or does not require the benefit in virtue of his holding a post outside the ordinary line which secures him at least equivalent benefits in respect of salary and pension then the next below in the series) may be authorised to draw the salary of the higher scale or grade in respect of any one officiating vacancy within the cadre filled by his junior under this Article.

Note 1.—A purely fortuitous officiating promotion given to a person who is junior to one outside the regular line, does not in itself give rise to a claim under the "Next Below" Rule.

Note 2.—Promotions made by Government prior to the date of coming into force of this Article which are not in accordance with this Article will be regularised gradually to the extent possible and all future promotions should be strictly in conformity with the "Next Below" Rule laid down in this Article.

the Rajpramukh,

M. SHAMANNA,

Secretary to Government,
Finance Department.
